Annisa Rizkia Utami was born in Garut in 1984 to a mother named Ratna Juhaya, and a father named Aa Rahman Mustari. She spent her childhood and teenage years in Garut. On 2002, she moved to Bandung and entered English department, Faculty of Language and Art Education, Indonesia University of Education. She loves to study English since she was just an elementary school student. And hence, studying English was her dream since then.

Once she had an opportunity to work as a guide in Departemen Pariwisata, Daarut Tauhid, and that was her first experience in the occupational field. At another time, she also taught the elementary school students in an institutional education in Ciwastra, Bandung. For her, those experiences are the greatest attempts to increase her knowledge.
