ABSTRAK ........................................................................................................ i
KATA PENGANTAR .................................................................................. ii
DAFTAR ISI ................................................................................................. iv
DAFTAR TABEL ......................................................................................... ix
DAFTAR GAMBAR ....................................................................................... x
DAFTAR LAMPIRAN ..................................................................................... xi

BAB I PENDAHULUAN
A. Latar Belakang .................................................................................. 1
B. Batasan Masalah ............................................................................... 7
C. Rumusan Masalah ........................................................................... 9
D. Tujuan Penelitian dan Manfaat Penelitian .................................. 10
E. Kerangka Berfikir ............................................................................ 11
F. Paradigma Penelitian ....................................................................... 15
G. Anggapan Dasar ............................................................................. 16
H. Hipotesis Penelitian ......................................................................... 17
I. Definisi Operasional .......................................................................... 18
J. Metode dan Pendekatan Penelitian ............................................. 19
K. Populasi dan Penentuan Sampel ................................................. 20

BAB II LANDASAN TEORI
A. Kinerja Mengajar Guru dalam Administrasi Pendidikan .......... 21
B. Konsep Kinerja ................................................................................ 26
C. Kepemimpinan Kepala Sekolah ................................................. 42
D. Konsep Motivasi Berprestasi Guru ........................................... 63
E. Kajian Penelitian Terdahulu yang Relevan .............................. 83
BAB III METODE PENELITIAN
A. Metode dan Pendekatan Penelitian................................. 84
B. Sumber Data, Wilayah Penelitian, Populasi dan Sampel… 87
C. Instrumen Penelitian.................................................. 90
D. Uji Coba Instrumen..................................................... 96
E. Teknik Analisis Data.................................................. 107

BAB IV HASIL PENELITIAN DAN PEMBAHASAN
A. Hasil Penelitian......................................................... 113
B. Pembahasan.............................................................. 137
C. Keterbatasan Penelitian ............................................. 152

BAB V KESIMPULAN DAN REKOMENDASI
A. Kesimpulan............................................................... 154
B. Rekomendasi ............................................................ 155
