ABSTRAK .................................................................................................................. iii
KATA PENGANTAR .................................................................................................... v
UCAPAN TERIMA KASIH ........................................................................................... vii
DAFTAR ISI ................................................................................................................ x
DAFTAR TABEL ......................................................................................................... xiv
DAFTAR BAGAN ......................................................................................................... xvi
DAFTAR GRAFIK ....................................................................................................... xvii
BAB I PENDAHULUAN ............................................................................................ 1
A. Latar Belakang Masalah ......................................................................................... 1
B. Perumusan dan Pembatasan Masalah ................................................................... 21
C. Tujuan Penelitian .................................................................................................. 23
D. Asumsi penelitian .................................................................................................. 24
E. Signifikansi dan Manfaat Penelitian ..................................................................... 25

BAB II PENGEMBANGAN KURIKULUM ............................................................... 27
A. Kurikulum .............................................................................................................. 27
1. Pengertian ............................................................................................................. 27
2. Kurikulum dan Pendidikan ................................................................................. 35
3. Model Konsep Kurikulum ................................................................................... 39
4. Komponen Kurikulum ........................................................................................ 44
5. Fungsi dan Peranan Kurikulum .......................................................................... 51
B. Pengembangan Kurikulum .................................................................................... 53
1. Prinsip Pengembangan Kurikulum ...................................................................... 55
2. Rentangan Kegiatan ............................................................................................. 59
3. Tujuan Kelembagaan .......................................................................................... 59
4. Landasan Pengembangan Kurikulum .................................................................. 60
5. Model Pengembangan Kurikulum ........................................................................ 70
6. Pendekatan dalam Pengembangan Kurikulum ............................................... 81
7. Inovasi Kurikulum ............................................................................................... 82
C. Langkah-langkah Pengembangan Kurikulum ................................................... 85
1. Perencanaan Kurikulum ...................................................................................... 86
2. Implementasi Kurikulum .................................................................................... 104
3. Evaluasi Kurikulum ............................................................................................ 108
D. Pengembangan Kurikulum Perguruan Tinggi ................................................... 117
1. Pendidikan Berbasis Kompetensi ....................................................................... 120
2. Kompetensi sebagai Kebutuhan dalam Dunia Kerja ......................................... 132

BAB III METODE PENELITIAN ........................................................................... 135
a. Desain Penelitian ............................................................................................... 135
b. Variabel Penelitian dan Defenisi Operasional ..................................................... 136
c. Instrumen Penelitian .......................................................................................... 139
d. Subjek Penelitian ............................................................................................... 140
e. Sumber Data ...................................................................................................... 141
BAB IV HASIL PENELITIAN DAN PEMBAHASAN .......... 153
A. Analisis Hasil Penelitian ............................................. 153
1. Kondisi Objektif Desain Kurikulum FE UNP .......... 153
   a. Desain Kurikulum ........................................ 153
   b. Implementasi Kurikulum ................................ 172
   c. Evaluasi Kurikulum ....................................... 174
2. Kurikulum FE UNP di Mata Stakeholders ................. 179
   a. Program Studi Pendidikan Ekonomi Akuntansi ... 180
      1) Kondisi Objektif Desain Kurikulum PSPE Ak 180
      2) Implementasi Kurikulum PSPE Ak .................. 200
      3) Evaluasi Kurikulum PSPE Ak ........................ 216
   b. Program Studi Manajemen (PSM) ......................... 227
      1) Kondisi Objektif Desain Kurikulum PSM ......... 227
      2) Implementasi Kurikulum PSM ....................... 247
      3) Evaluasi Kurikulum PSM .............................. 265
3. Analisis Kebutuhan Kurikulum FE UNP ..................... 276
   a. Program Studi Pendidikan Ekonomi Akuntansi ... 276
      1) Analisis Kebutuhan Desain Kurikulum PSPE Ak 277
      2) Analisis Kebutuhan Implementasi Kurikulum PSPE 309
      3) Analisis Kebutuhan Evaluasi Kurikulum PSPE Ak 313
   b. Program Studi Manajemen (PSM) ......................... 316
      1) Analisis Kebutuhan Desain Kurikulum PSM ....... 316
      2) Analisis Kebutuhan Implementasi Kurikulum PSM 357
      3) Analisis Kebutuhan Evaluasi Kurikulum PSM .... 361
4. Sosok Kurikulum FE UNP yang Disempurnakan .......... 364
   a. Landasan Hukum ........................................ 365
   b. Landasan filosofis Historis .............................. 365
   c. Landasan Sosial kemasyarakatan ....................... 366
   d. Landasan Ideologis Politik .............................. 367
   e. Profil Fakultas Ekonomi UNP ........................... 367
      1) Visi dan Misi FE ...................................... 367
      2) Tujuan FE ............................................. 369
      3) Motto FE .............................................. 370
      4) Tujuan PSPE Ak ....................................... 370
      5) Kompetensi Lulusan PSPE Ak ......................... 370
      6) Struktur Mata Kuliah PSPE Ak ....................... 372
      7) Deskripsi/Substansi Kajian Mata Kuliah PSPE Ak 373
      8) Tujuan PSM ........................................... 373
   xiv
   9) Kompetensi Lulusan PSM ............................... 374
   10) Struktur Mata Kuliah PSM ............................. 375
   11) Deskripsi/Substansi Kajian Mata Kuliah PSM ....... 376
   f. Aktifitas Belajar FE ..................................... 377
g. Evaluasi Kurikulum .......................................... 378
B. Temuan dan Pembahasan ......................................... 379
BAB V KESIMPULAN DAN REKOMENDASI .................... 404
A. Kesimpulan ........................................................................................................ 404
B. Rekomendasi ...................................................................................................... 417
