DECLARATION

I hereby certify that this thesis entitled “An Investigation of Teachers’ Strategies in Teaching Listening (a case study on a Junior high school in Bandung)” is completely my own work. I am fully aware that I have quoted some statement and ideas from other sources, and they are properly acknowledged in the texts. If any claim related to this thesis persist in the future, I will be fully responsible for clarification.

Bandung, July 31st 2013

Joni Amir

ACKNOWLEDGEMENTS

Thanks to Allah, the Gracious, the Merciful that I could finally finish writing this thesis. Without His help, I could hardly imagine how I could conduct the research and write this thesis.

This thesis has widened my horizon as a learner and also as a teacher of English. This thesis, in part, is reflection of mind exploration and I would like to address my sincere gratitude and deep appreciation. I offer thanks to my foremost to my academic advisor DR. Hobir Abdullah, M.Ed whose support, guidance, and encouragement helping me throughout this thesis process. I appreciate the hours of reading, editing, and meetings on my behalf. Through his guidance, I have gained a great understanding of the dedication and service linked with a career in academia.

I wish to begin by thanking to my supervisor, DR. Wachyu Sundayana, M.A, thank you for the wisdom, understanding, and compassion that you have imparted to me and my ideas. You have offered guidance, support, and unwavering patience throughout this process. I have been blessed to have such a brilliant mentor to help me navigate the thesis process.

My special thank would be for all lecturers in the English Education Department of the Graduate School for their tireless guidance and encouragement. Every one of them have motivated me and contributed significance values in every course they teach.

My special thanks are also due to the teacher of English namely “Kurniawan, S.Pd”. and the students of SMP Lab. School UPI Bandung, who have given me an opportunity to do the research and learn together.

Finally, I want to acknowledge a special debt of gratitude to my family for supporting me through this process. My heartfelt thanks go to my mother, sisters, brothers, in laws who in different, but equal ways, have contributed to my study immeasurably, for their sincere love and prayers.

I am eternally thankful for the love and support I have received from my ever-patient, supportive and lovely wife, Gusniwati, my couple shining stars: Jeni Fitrianti and Afa Alfaridz, They provided me with care, encouragement, and with time to work. I simply could not have done this without them. It is with pleasure that to them all I dedicate this thesis.
