   struktur Organisasi Skripsi ....................................................................................... 8

BAB II KETERKAITAN LEVELS OF INQUIRY DENGAN PENINGKATAN
ACHIEVEMENT SISWA PADA POKOK BAHASAN OPTIK ........................................ 9

A. ................................................................................................................................... I
   inkuiri ........................................................................................................................... 9
B. ....................................................................................................................................... L
   levels of Inquiry ......................................................................................................... 10
C. ....................................................................................................................................... A
   chievement .................................................................................................................. 17
c. .................................................................................................................. A
  achievement Siswa Pada Setiap Aspek Domain Knowing .......... 49
d. .................................................................................................................. A
  achievement Siswa Pada Setiap Aspek Domain Applying .......... 50
e. .................................................................................................................. A
  achievement Siswa Pada Setiap Aspek Domain Reasoning ......... 52
f. .................................................................................................................. A
  achievement Siswa Pada Domain Konten Optik ................. 54

2. .................................................................................................................. K
  penerlaksanaan Levels of Inquiry ......................................................... 56
  a. ................................................................................................................. K
  penerlaksanaan Metode Levels of Inquiry Pada Pertemuan
  Pertama .......................................................... 57
  b. ................................................................................................................. K
  penerlaksanaan Metode Levels of Inquiry Pada Pertemuan Kedua
  .................................................................................................................. 63
  c. ................................................................................................................. K
  penerlaksanaan Metode Levels of Inquiry Pada Pertemuan Ketiga
  .................................................................................................................. 69

3. .................................................................................................................. L
  lembar Kegiatan Siswa ................................................................. 74
  a. ................................................................................................................. A
  spek Domain Knowing Yang Terlatihkan Melalui LKS .......... 74
  b. ................................................................................................................. A
  spek Domain Applying Yang Terlatihkan Melalui LKS .......... 76
  c. ................................................................................................................. A
  spek Domain Reasoning Yang Terlatihkan Melalui LKS ...... 77

B. .................................................................................................................. D
  diskusi dan Pembahasan ............................................................. 78
1. Peningkatan Achievement Siswa Secara Keseluruhan Setelah Diterapkan Levels of Inquiry.................................................78
2. Peningkatan Achievement Siswa Setiap Domain Kognitif Setelah Diterapkan Levels of Inquiry........................................80
3. Peningkatan Achievement Siswa Pada Setiap Aspek Domain Knowing Setelah Diterapkan Levels of Inquiry ..................81
4. Peningkatan Achievement Siswa Pada Setiap Aspek Domain Applying Setelah Diterapkan Levels of Inquiry ...............87
5. Peningkatan Achievement Siswa Pada Setiap Aspek Domain Reasoning Setelah Diterapkan Levels of Inquiry ..........98
6. Peningkatan Achievement Siswa Pada Domain Konten Optik Setelah Diterapkan Levels of Inquiry.............................106

BAB V SIMPULAN DAN SARAN ........................................111
