BAB I PENDAHULUAN

A. Latar Belakang........................................................................ 1
B. Rumusan Masalah............................................................. 10
C. Tujuan Penelitian............................................................... 10
D. Manfaat Penelitian........................................................... 11
E. Klarifikasi Konsep.............................................................. 12

BAB II KAJIAN PUSTAKA

A. Pengertian dan Ruang Lingkup Sejarah Lokal.................... 21
   1. Pengertian Sejarah.......................................................... 21
   2. Ruang Lingkup Sejarah Lokal........................................... 22
B. Tujuan Pembelajaran Sejarah.............................................. 24
C. Pembelajaran Sejarah dan Tujuan Sejarah Lokal di MA NW Senyiur......................................................... 30
   1. Tujuan Pembelajaran Sejarah Lokal............................... 30
   2. Esensi Sejarah Nasional .................................................. 34
   3. Jenis-Jenis Sejarah Lokal............................................... 40
      a. Sejarah Lokal Tradisional............................................ 40
      b. Sejarah Lokal Dilentatis............................................. 41
      c. Sejarah Lokal Edukatif Inspiratif............................. 41
      d. Sejarah Lokal Kolonial.............................................. 42
BAB III METODOLOGI PENELITIAN

A. Pendekatan. Dan Metode Penelitian........................................ 66
B. Teknik Pengumpulan Data.................................................. 68
1. Observasi................................................................. 69
2. Wawancara............................................................. 71
3. Dokumentasi........................................................... 72
C. Subjek dan Lokasi Penelitian........................................... 74
1. Lokasi Penelitian..................................................... 74
2. Subjek Penelitian..................................................... 74
D. Teknik Analisis Data...................................................... 76
1. Data Reduction....................................................... 77
2. Data Display........................................................ 77
3. Conclusion Drawing............................................... 78
E. Prosedur dan Tahap Penelitian........................................ 81
1. Tahap Persiapan..................................................... 81
2. Tahap Orientasi..................................................... 81
3. Tahap Eksplorasi................................................... 81
F. Verifikasi Data........................................................... 82
1. Triangulasi............................................................ 82
2. Member Check....................................................... 83
3. Expert Opinion....................................................... 85

BAB VI DESKRIPSI DAN HASIL PENELITIAN

A. Deskripsi Hasil Penelitian................................................ 86
1. Gambaran Umum Lokasi Penelitian.................................... 86
   a. Profil Madrasah Aliyah NW Senyiur.......................... 88
   b. Keadaan Madrasah Aliyah AW Senyiur..................... 90
   c. Keadaan Peserta Didik......................................... 91
2. Data Hasil Observasi.................................................. 91
   a. Desain Pembelajaran........................................... 94
   b. Implementasi Pembelajaran................................... 97
BAB V KESIMPULAN DAN REKOMENDASI

A. Kesimpulan........................................................................ 145
B. Rekomendasi......................................................................... 148
