DAFTAR TABEL ................................................................................................................................................ ix
DAFTAR GAMBAR ......................................................................................................................................... x
DAFTAR LAMPIRAN ....................................................................................................................................... xi

BAB I PENDAHULUAN ..................................................................................................................................... 1
A. Latar Belakang Masalah ................................................................................................................................. 1
B. Rumusan Masalah ......................................................................................................................................... 5
C. Tujuan Penelitian ......................................................................................................................................... 5
D. Manfaat Hasil Penelitian .............................................................................................................................. 6
E. Definisi Operasional ..................................................................................................................................... 7

BAB II KAJIAN PUSTAKA ............................................................................................................................... 8
A. Pembelajaran IPA .......................................................................................................................................... 8
   1. Pengertian IPA ........................................................................................................................................... 8
   2. Tujuan dan Fungsi Mata Pelajaran IPA .................................................................................................... 8
   3. Materi IPA di SD Kelas IV ....................................................................................................................... 9
   4. Prinsip-Prinsip Pelajaran IPA di SD ......................................................................................................... 16
B. Pendekatan Pembelajaran Kontekstual ........................................................................................................ 16

Chitra Ariesta, 2014
Penerapan Pendekatan Pembelajaran Kontekstual Untuk Meningkatkan Proses dan Hasil Belajar Siswa
Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
1. Pengertian Pendekatan Pembelajaran Kontekstual .......................... 16
2. Karakteristik Pendekatan Pembelajaran Kontekstual ....................... 18
3. Komponen Pendekatan Pembelajaran Kontekstual ........................... 19
4. Prinsip Dasar Komponen Utama Pendekatan Kontekstual ............... 20
5. Kelebihan Pendekatan Pembelajaran Kontekstual .......................... 23
6. Kekurangan Pendekatan Pembelajaran Kontekstual ......................... 23
C. Hasil Belajar ................................................................................... 24
D. Penerapan Pendekatan Pembelajaran Kontekstual di SD .................... 25
E. Penelitian yang Relevan .................................................................. 26

BAB III METODE PENELITIAN ......................................................... 28
A. Metode Penelitian .......................................................................... 28
B. Model Penelitian ............................................................................ 28
C. Lokasi dan Subjek Penelitian .......................................................... 30
D. Prosedur Penelitian ........................................................................ 30
E. Instrumen Penelitian ....................................................................... 37
F. Rancangan Analisis Data ................................................................. 39

BAB IV HASIL PENELITIAN DAN PEMBAHASAN .......................... 42
A. Hasil Penelitian ................................................................................ 42
   1. Siklus I ......................................................................................... 42
   2. Siklus II ....................................................................................... 47
   3. Siklus III ...................................................................................... 50
B. Pembahasan .................................................................................... 54
   1. Pelaksanaan .................................................................................. 54
      a. Siklus I .................................................................................... 54
      b. Siklus II ................................................................................... 56
      c. Siklus III ............................................................................... 57
