Preface

*Alhamdulillahi rabbil alamiin*, thanks to Allah, it is only Allah SWT, the Most Gracious and the Most Merciful, who deserves to be praised by all His creatures. He is the One who allows me to accomplish this research paper. Blessing and peace be upon Muhammad SAW, the Greatest messenger and the noblest leader.

This research paper was intended to partially fulfill the purpose of the requirements of Master Degree in Indonesia University of Education (UPI). During the process of writing this research paper, understanding the concept, research methodology and the steps of completing this paper has allowed me to learn many worth things which lead me to go through more challenges in my life.

The process of writing this research paper requires me to do my best efforts and prays. However, any weakness found in any part of this writing implies the limitation of my cognition at present. It is hope that this research paper would be useful and beneficial for the readers.
