DAFTAR ISI

ABSTRAK .............................................................................................................................. i

KATA PENGANTAR ................................................................................................................ ix

DAFTAR ISI ............................................................................................................................ xiii

DAFTAR TABEL ....................................................................................................................... xvi

BAB I PENDAHULUAN .......................................................................................................... 1

A. Latar Belakang Masalah ........................................................................................................ 1
B. Rumusan dan Batasan Masalah ............................................................................................ 4
   1. Rumusan Masalah ........................................................................................................... 4
   2. Batasan Masalah ............................................................................................................ 5
C. Tujuan dan Manfaat Penelitian .......................................................................................... 5
   1. Tujuan Penelitian ......................................................................................................... 5
   2. Manfaat Penelitian ....................................................................................................... 6
D. Definisi Operasional ............................................................................................................ 7
   1. Efektivitas ..................................................................................................................... 7
   2. Metode ........................................................................................................................ 7
   3. Pembelajaran cooperative .............................................................................................. 7
   4. Team Assisted Individualization .................................................................................... 8
E. Metodologi Penelitian .......................................................................................................... 8
   1. Metode Penelitian ........................................................................................................ 8
   2. Populasi dan Sampel Penelitian ................................................................................... 8
   3. Teknik Pengumpulan Data ........................................................................................... 9
   4. Instrumen Penelitian .................................................................................................... 9
   5. Langkah-langkah Penelitian ....................................................................................... 10
BAB II LANDASAN TEORI.......................................................... 13
A. Kosakata Bahasa Jepang.................................................... 13
   1. Pengertian Kosakata Bahasa Jepang................................. 13
   2. Macam-macam Kosakata Bahasa Jepang........................... 14
   3. Pengajaran Kosakata Bahasa Jepang............................... 15
B. Metode Pengajaran Bahasa Jepang................................. 16
   1. Pengertian Metode Pengajaran........................................ 16
   2. Macam-macam Metode Pengajaran Bahasa Jepang............. 16
C. Metode Cooperative Learning........................................... 21
   1. Pengertian Cooperative Learning...................................... 21
   2. Prinsip-prinsip dan Tujuan Cooperative Learning............... 24
   3. Macam-macam Metode Cooperative Learning.................... 25
   4. Kelebihan dan Kekurangan Metode Cooperative Learning..... 26
   5. Pengelolaan Kelas Cooperative Learning......................... 27
   6. Evaluasi Pembelajaran Cooperative Learning................... 29
D. Metode cooperative learning Tipe Team Assisted Individualization..... 29
E. Penelitian terdahulu...................................................... 33
BAB III METODE PENELITIAN............................................. 35
A. Metode Penelitian............................................................ 35
B. Desain Penelitian............................................................ 36
C. Populasi dan Sampel......................................................... 37
D. Teknik Pengumpulan Data................................................ 38
E. Variabel Penelitian........................................................... 39
F. Instrumen Penelitian........................................................ 39
