## ***ABSTRACT***

Anisa Firdaus (2007486) "***The Influence of Short Video Marketing and Brand Perception on Brand Attitude (Survey of Followers on the Wonderful Indonesia TikTok Account)***" under the guidance of Dr. H. Rd. Dian Herdiana Utama, M.Si. Dan Dr. Dita Amanah, MBA.

*This research aims to obtain an overview and magnitude of the influence of short video marketing and brand perception on brand attitudes among followers of the Wonderful Indonesia TikTok account. The type of research used is descriptive and verification with a quantitative approach. The population in this study was 495,600 with a sample of 348 respondents who were followers of the Wonderful Indonesia TikTok account using a sampling technique, namely simple random sampling. The data was processed statistically using multiple linear analysis with the help of SPSS 29.0 for Windows software. The research results show that short video marketing descriptions, brand perceptions and brand attitudes are in the good category. Short video marketing partially has a positive influence on brand attitude and brand perception has a positive influence on brand attitude. Meanwhile, simultaneously both variables have a positive influence on brand attitude. The findings in this study confirm its existence. Short video marketing and brand perception on the TikTok Wonderful Indonesia account are able to increase the level of brand behavior.*

*Keywords:* *Short Video Marketing, Brand Perception, Brand Attitude*
