BAB I PENDAHULUAN

1.1 Latar Belakang .............................................................................................................. 1
1.2 Identifikasi dan Rumusan Masalah .............................................................................. 14
  1.2.1 Identifikasi Masalah .............................................................................................. 14
  1.2.2 Rumusan Masalah ............................................................................................... 17
1.3 Tujuan Penelitian ......................................................................................................... 17
1.4 Kegunaan Penelitian ................................................................................................... 18

BAB II KAJIAN PUSTAKA, KERANGKA PEMIKIRAN DAN HIPOTESIS

2.1 Kajian Pustaka ............................................................................................................. 20
  2.1.1 Kinerja Keuangan ............................................................................................... 20
  2.1.2 Rasio Keuangan ................................................................................................. 21
  2.1.3 Likuiditas .............................................................................................................. 25
    2.1.3.1 Pengertian Likuiditas ...................................................................................... 25
    2.1.3.2 Current Ratio ................................................................................................. 27
  2.1.4 Profitabilitas .......................................................................................................... 28

Muhammad Shidiq, 2014
Pengaruh Likuiditas Dan Profitabilitas Terhadap Kebijakan Dividen Pada Pt Astra Otoparts Tbk
Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
2.1.4.1 Pengertian Profitabilitas .................................................. 28
2.1.4.2 Earning Per Share .......................................................... 32
2.1.5 Kebijakan Dividen ............................................................ 33
  2.1.5.1 Pengertian Kebijakan Dividen ......................................... 33
  2.1.5.2 Teori Kebijakan Dividen .................................................. 34
  2.1.5.3 Faktor-Faktor yang Mempengaruhi Kebijakan Dividen ......... 39
  2.1.5.4 Jenis-Jenis Kebijakan Dividen .......................................... 41
  2.1.5.5 Indikator Kebijakan Dividen ........................................... 43
  2.1.5.6 Dividend Per Share .......................................................... 44
2.1.6 Pengaruh Likuiditas dan Profitabilitas Terhadap Kebijakan Dividen .45
2.2 Penelitian Terdahulu ............................................................ 47
2.3 Kerangka Pemikiran ............................................................ 50
2.4 Paradigma Penelitian ............................................................ 56
2.5 Hipotesis .............................................................................. 56

BAB III OBJEK DAN METODE PENELITIAN

3.1 Objek Penelitian ................................................................. 57
3.2 Metode dan Desain Penelitian .............................................. 57
  3.2.1 Metode Penelitian ............................................................. 57
  3.2.2 Desain Penelitian ............................................................. 58
3.3 Operasionalisasi Variabel ..................................................... 59
3.4 Sumber dan Teknik Pengumpulan Data ................................. 61
  3.4.1 Sumber Data ................................................................. 61
  3.4.2 Teknik Pengumpulan Data .................................................. 62
3.5 Populasi, Sampel dan Teknik Penarikan Sampel ........................................63

  3.5.1 Populasi ........................................................................................................63
  3.5.2 Sampel ..........................................................................................................63

3.6 Rancangan Analisis Data dan Uji Hipotesis ......................................................64

  3.6.1 Rancangan Analisis Data dan Analisis Deskriptif ....................................64
  3.6.2 Alat Analisis Statistik ....................................................................................65

    3.6.2.1 Uji Asumsi Klasik ................................................................................65
    3.6.2.2 Analisis Regresi Berganda ..................................................................67
    3.6.2.3 Analisis Korelasi ....................................................................................68
    3.6.2.4 Koefisien Determinasi ...........................................................................69
  3.6.3 Uji Hipotesis ..................................................................................................70

    3.6.3.1 Uji Statistik F (Uji Signifikansi Simultan) ...............................................71
    3.6.3.2 Uji Statistik t (Uji Signifikansi Parsial) ....................................................72

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Hasil penelitian ................................................................................................73

  4.1.1 Gambaran PT Astra Otoparts Tbk .................................................................73

    4.1.1.1 Sejarah perusahaan ..............................................................................73
    4.1.1.2 Visi dan Misi .......................................................................................75
  4.1.2 Data Variabel yang Diteliti ...........................................................................75

    4.1.2.1 Gambaran Likuiditas PT Astra Otoparts Tbk .......................................76
    4.1.2.2 Gambaran Profitabilitas PT Astra Otoparts Tbk ..................................79
    4.1.2.3 Gambaran Kebijakan Dividen PT Astra Otoparts Tbk .....................83
  4.1.3 Statistik Deskriptif ........................................................................................87
4.1.4 Analisis Statistik ............................................................................................................. 89
  4.1.4.1 Uji Asumsi Klasik ................................................................................................. 89
  4.1.4.2 Analisis Regresi Linier Berganda ........................................................................ 94
  4.1.4.3 Analisis Korelasi .................................................................................................. 96
    4.1.4.3.1 Koefisien Korelasi Parsial .............................................................................. 96
    4.1.4.3.2 Koefisien Determinasi ................................................................................ 96
  4.1.4.4 Uji Hipotesis ....................................................................................................... 99
    4.1.4.4.1 Uji Statistik t (Uji Signifikansi Parsial) ......................................................... 99
    4.1.4.4.2 Uji Statistik F (Uji Signifikansi Simultan) ............................................... 100

4.2 Pembahasan .................................................................................................................. 101
  4.2.1 Gambaran Likuiditas PT Astra Otoparts Tbk ...................................................... 101
  4.2.2 Gambaran Profitabilitas PT Astra Otoparts Tbk .............................................. 102
  4.2.3 Gambaran Kebijakan Dividen PT Astra Otoparts Tbk ..................................... 103
  4.2.4 Pengaruh Current Ratio Terhadap Dividend Per Share ................................ 104
  4.2.5 Pengaruh Earning Per Share Terhadap Dividend Per Share ...................... 105
  4.2.6 Pengaruh Current Ratio dan Earning Per Share Terhadap Dividend Per
    Share ............................................................................................................................ 107

BAB V KESIMPULAN DAN SARAN

5.1 Kesimpulan .................................................................................................................. 110

5.2 Saran .......................................................................................................................... 111
