BAB I PENDAHULUAN

A. Latar Belakang Masalah ........................................................................................................ 1
B. Identifikasi Masalah ................................................................................................................ 4
C. Batasan Masalah .................................................................................................................... 4
D. Rumusan Masalah .................................................................................................................. 4
E. Tujuan Penelitian .................................................................................................................. 5
F. Manfaat Penelitian ............................................................................................................... 5
   1. Manfaat Teoretis .............................................................................................................. 5
   2. Manfaat Praktis .............................................................................................................. 5

BAB II MENULIS TEKS EKSPOSISI DENGAN METODE KELOMPOK INVESTIGASI

A. Ihwal Menulis ...................................................................................................................... 7
   1. Pengertian Menulis ......................................................................................................... 7
   2. Fungsi Menulis .............................................................................................................. 8
   3. Tujuan Menulis ............................................................................................................. 9
B. Ihwal Menulis Teks Eksposisi ............................................................................................. 11
   1. Pengertian Teks ............................................................................................................. 11
   2. Pengertian Teks Eksposisi ............................................................................................. 11

BAB III METODOLOGI PENELITIAN

A. Metode Penelitian................................................................. 23
B. Desain Penelitian................................................................. 23
C. Sumber Data........................................................................... 24
   1. Populasi.............................................................................. 25
   2. Sampel............................................................................... 26
D. Definisi Operasional............................................................... 26
E. Instrumen Penelitian............................................................... 27
   1. Tes .................................................................................. 27
   2. Wawancara......................................................................... 30
   3. RPP.................................................................................. 31
   4. Lembar Observasi ............................................................. 31
F. Teknik Pengumpulan Data....................................................... 32
   1. Tes .................................................................................. 32
   2. Observasi.......................................................................... 33
G. Teknik Pengolahan Data......................................................... 33
   1. Pengolahan Data Tes.......................................................... 33
   2. Pengolahan Data Observasi................................................. 36

BAB IV ANALISIS DAN PEMBAHASAN

Muhammad Reza Gozhali, 2014
KEEFEKTIFAN METODE KELOMPOK INVESTIGASI
DALAM PEMBELAJARAN MENULIS TEKS EKSPOSISI
Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
BAB V SIMPULAN DAN SARAN

A. Simpulan ......................................................................................................................................... 91
B. Saran.................................................................................................................................................. 92
