DAFTAR TABEL ......................................................................................................................... iv
DAFTAR GRAFIK ....................................................................................................................... v
DAFTAR GAMBAR ..................................................................................................................... vi

BAB I PENDAHULUAN
A. Latar Belakang Masalah ......................................................................................................... 1
B. Identifikasi Masalah Penelitian ............................................................................................. 5
C. Rumusan Masalah Penelitian ............................................................................................... 6
D. Tujuan Penelitian .................................................................................................................. 6
E. Manfaat Hasil Penelitian ....................................................................................................... 7
F. Struktur Organisasi Penulisan ............................................................................................... 8

BAB II KAJIAN PUSTAKA
A. Konsep Guru ....................................................................................................................... 9
   1. Pengertian dan Karakteristik Guru .................................................................................... 9
   2. Tugas dan Tanggung Jawab Guru .................................................................................... 10
   3. Peran Guru ........................................................................................................................ 13
   4. Kompetensi Guru .............................................................................................................. 16
B. Keterampilan Dasar Mengajar ............................................................................................ 18
   1. Pengertian Keterampilan Dasar Mengajar ...................................................................... 18
   2. Jenis-jenis Keterampilan Dasar Mengajar ........................................................................ 19
C. Pembinaan Profesionalisme Guru Melalui Lesson Study .................................................. 23
   1. Pembinaan Profesionalisme Guru ................................................................................... 23
   2. Lesson Study .................................................................................................................... 25
D. Hasil-hasil Penelitian Terdahulu ....................................................................................... 35

Rina Ratnasari, 2014
HUBUNGAN ANTARA PENERAPAN LESSON STUDY BERBASIS SEKOLAH DENGAN KETERAMPILAN MENGAJAR GURU
Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
E. Asumsi dan Hipotesis ................................................................. 36
   1. Asumsi ............................................................................... 36
   2. Hipotesis ........................................................................... 36

BAB III METODOLOGI PENELITIAN
A. Lokasi, Populasi dan Sampel Penelitian ............................................ 37
   1. Lokasi Penelitian .................................................................. 37
   2. Populasi Penelitian ............................................................. 37
   3. Sampel Penelitian ................................................................ 37
B. Desain Penelitian ......................................................................... 38
C. Metode Penelitian ....................................................................... 39
D. Definisi Opreasional ................................................................... 40
   1. Lesson Study Berbasis Sekolah ............................................ 40
   2. Keterampilan Mengajar ....................................................... 40
   3. Guru ................................................................................ 41
E. Instrumen Penelitian ................................................................... 41
   1. Angket ............................................................................. 41
   2. Pedoman Wawancara ......................................................... 41
   3. Pedoman Observasi ............................................................ 41
   4. Pedoman Dokumentasi ........................................................ 41
F. Teknik Pengumpulan Data ............................................................. 42
   1. Angket ............................................................................. 42
   2. Wawancara ....................................................................... 44
   3. Observasi ......................................................................... 44
   4. Studi Dokumentasi ............................................................ 45
F. Teknik Uji Instrumen .................................................................. 45
   1. Uji Validitas Instrumen ....................................................... 46
   2. Uji Reliabilitas ................................................................. 46
H. Teknik Analisis Data .................................................................. 48
   1. Menghitung Skor Penelitian .............................................. 49
BAB IV HASIL PENELITIAN DAN PEMBAHASAN

A. Deskripsi Hasil Penelitian ................................................................. 54
   1. Hasil Pengujian Instrumen Penelitian ........................................... 54
   2. Gambaran Penerapan Lesson Study Berbasis Sekolah Di SMA Negeri 9
      Bandung ......................................................................................... 58
   3. Gambaran Keterampilan Mengajar Guru di SMA Negeri 9 Bandung ...... 69
   4. Hubungan Antara Penerapan Lesson Study Berbasis Sekolah Dengan
      Keterampilan Mengajar Guru di SMA Negeri 9 Bandung .................. 89

A. Pembahasan Hasil Penelitian ............................................................. 94
   1. Penerapan Lesson Study Berbasis Sekolah ......................................... 94
   2. Keterampilan Mengajar Guru .............................................................. 98
   3. Hubungan Antara Penerapan Lesson Study Berbasis Sekolah Dengan
      Keterampilan Mengajar Guru ........................................................... 103

BAB V KESIMPULAN DAN SARAN

A. Kesimpulan ....................................................................................... 104
B. Saran ................................................................................................... 105
