ACKNOWLEDGEMENT

Foremost, I would like to thank Allah the Almighty, since He always blesses me and gives me what I need in my life. I am greatly indebted to a number of people for their support and tireless guidance throughout this work.

I would like to express my sincere gratitude to my supervisor, Dr. Dadang Sudana, M.A., for the support of my master degree study and research, for his patience, motivation, and immense knowledge. His guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better supervisor for my master degree study.

My sincere thanks also goes to Prof. Dr. Didi Sukyadi, M.A., Prof. Emi Emilia, M.Ed. Ph. D., and Dr. Wachyu Sundayana, M.A., as my examiners who have given insightful comments, ideas, and contribution for the improvement of this thesis.

Besides, I would like to thank people who always be the light in my life, especially my parents, my sisters, my brothers, and my nephew. I would never thank you enough for all the things you have done and given for me. I would never complete my degree without your love, prayers and big support as well.

Last but not least, I thank my fellow in Indonesia University of Education, including Pratiwi Rahayu, Kak Tuhfa Harun, Bong Cham Vichet, Fauziah, Bu Memie, Ratna for the discussions and for all the fun we have had in the last two years. To those I have not mentioned here, I thank you very much as well.
