PERNYATAAN .................................................................................................................. i
ABSTRAK ........................................................................................................................ ii
KATA PENGANTAR ........................................................................................................ iii
UCAPAN TERIMA KASIH ................................................................................................ iv
DAFTAR ISI ....................................................................................................................... vi
DAFTAR TABEL ................................................................................................................ viii
DAFTAR GAMBAR ........................................................................................................... ix
BAB I PENDAHULUAN .................................................................................................. 1
  A. Latar Belakang Masalah .............................................................................................. 1
  B. Rumusan Masalah ...................................................................................................... 8
  C. Tujuan Penelitian ...................................................................................................... 8
  D. Manfaat Penelitian ................................................................................................... 9
  E. Batasan Masalah ......................................................................................................... 9
BAB II KAJIAN PUSTAKA ............................................................................................... 11
  A. Perilaku Sosial .......................................................................................................... 11
     1. Pengertian Perilaku Sosial ..................................................................................... 11
     2. Faktor Pembentuk Perilaku Sosial ........................................................................ 13
     3. Bentuk dan Jenis Perilaku Sosial .......................................................................... 14
     4. Pola Perilaku Sosial .............................................................................................. 19
  B. Hakikat Ekstrakurikuler ............................................................................................ 19
     1. Pengertian Ekstrakurikuler ................................................................................... 19
     2. Tujuan dan Jenis Perilaku Sosial .......................................................................... 22
     3. Azas Pelaksanaan Kegiatan Ekstrakurikuler ......................................................... 24
     4. Prinsip-Prinsip Kegiatan Ekstrakurikuler ............................................................... 25
     5. Kedudukan Ekstrakurikuler .................................................................................. 26
     6. Kegiatan Ekstrakurikuler Olahraga ...................................................................... 26
     7. Kegiatan Ekstrakurikuler Bola Basket .................................................................. 28
     8. Kegiatan Ekstrakurikuler Karate .......................................................................... 33
  C. Hubungan Perilaku Sosial dengan Ekstrakurikuler Olahraga .............................. 38
BAB III METODE PENELITIAN .......................................................... 47
A. Lokasi Penelitian .................................................................................. 47
B. Populasi dan Sampel .............................................................................. 47
C. Metode Penelitian .................................................................................. 50
D. Desain Penelitian ................................................................................... 52
E. Variable Penelitian dan Definisi Operasional ......................................... 53
F. Prosedur Pelaksanaan Penelitian ........................................................... 54
G. Teknik Pengumpulan Data ..................................................................... 55
H. Pengolahan Data ..................................................................................... 65

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ............................... 68
A. Analisis dan Deskriptif Data ................................................................... 68
   1. Hasil Analisis dan Pengolahan Data Sampel Penelitian Perilaku Sosial Siswa yang Mengikuti Kegiatan Ekstrakurikuler Olahraga Beregu ................................................................. 69
   2. Hasil Analisis dan Pengolahan Data Sampel Penelitian Perilaku Sosial Siswa yang Mengikuti Kegiatan Ekstrakurikuler Olahraga Individual ................................................................. 72
B. Diskusi Penemuan ................................................................................ 75

BAB V SIMPULAN DAN SARAN ............................................................ 80
A. Simpulan .................................................................................................. 80
B. Saran ...................................................................................................... 81
