DAFTAR ISI

ABSTRAK ......................................................................................................................... i
KATA PENGANTAR .......................................................................................................... ii
UCAPAN TERIMA KASIH ............................................................................................... iii
DAFTAR ISI ....................................................................................................................... v
DAFTAR TABEL ................................................................................................................ ix

BAB I PENDAHULUAN ................................................................................................. 1

A. Latar Belakang Masalah ............................................................................................. 1
B. Batasan Masalah ......................................................................................................... 6
C. Rumusan Masalah ....................................................................................................... 6
D. Tujuan Penelitian ....................................................................................................... 7
E. Manfaat Penelitian ..................................................................................................... 7
F. Sitematika Penulisan .................................................................................................. 8

BAB II TINJAUAN TEORITIS ..................................................................................... 9

A. Partai Politik ................................................................................................................. 9
   1. Pengertian Partai Politik .......................................................................................... 9
   2. Tujuan Dan Fungsi Partai Politik ........................................................................ 13
      a. Fungsi Rekrutmen Politik .................................................................................. 15
      b. Fungsi Pendidikan Politik ................................................................................ 16
      c. Fungsi Sosialisasi Politik .................................................................................. 16
      d. Fungsi Komunikasi Politik ............................................................................... 17
      e. Fungsi Pengatur Konflik ................................................................................... 18

B. Pemilihan Umum ........................................................................................................ 18
   1. Pengertian Pemilihan Umum ............................................................................... 18
   2. Sitem Pemilihan Umum ........................................................................................ 20
      a. Sistem Single-Member Constituency ............................................................... 21
      b. Sistem Multi-Member Constituency ............................................................... 23

C. Rekrutmen Politik ..................................................................................................... 26
   1. Pengertian Rekrutmen Politik .............................................................................. 26
2. Sistem Rekrutmen Politik .................................................. 28
3. Proses Rekrutmen Politik .................................................. 30
4. Partai Politik Sebagai Sarana Rekrutmen Politik ................. 35

D. DPRD Dan Perekutan Anggotanya .......................... 39
   1. Kedudukan DPRD Dalam Sistem Politik Indonesia ........ 39
   2. Rekrutmen Anggota DPRD Berdasarkan UU No 8 Tahun
      2012 .................................................................................. 41
   3. Tatacara Pengajuan Bakal Calon DPRD ......................... 42
   4. Proses Penetapan calon Anggota DPRD Provinsi .......... 43
   5. Penentuan anggota DPRD Terpilih ............................... 45

E. Hasil Penelitian Terdahulu ......................................... 46
   1. Hasil Penelitian Monika Alon ......................................... 46
   2. Hasil Penelitian Gilang Virgo ........................................ 47
   3. Hasil Penelitian Yuniar Kustanto ................................. 48
   4. Hasil Penelitian Adi Prasojo ........................................ 50

BAB III METODOLOGI PENELITIAN ................................. 51

A. Lokasi Dan Subjek Penelitian ......................................... 51
   1. Lokasi Penelitian ......................................................... 51
   2. Subjek Penelitian ........................................................ 51

B. Desain Penelitian .......................................................... 52

C. Pendekatan Dan Metode Penelitian ................................. 53
   1. Pendekatan Penelitian .................................................. 53
   2. Metode Penelitian ....................................................... 55

D. Penjelasan Oprasional ..................................................... 57
   1. Rekrutmen Politik ......................................................... 57
   2. Calon Anggota DPRD .................................................... 57
   3. Partai Politik ............................................................... 57
   4. Pemilihan Umum .......................................................... 58
   5. Rekrutmen Calon Anggota DPRD Provinsi Pada Pemilu 2014 .... 58
E. Instrument Penelitian ................................................................. 58

F. Teknik Pengumpulan Data Dan Analisis Data .......................... 59
   1. Observasi Partisipatif ................................................................. 60
   2. Wawancara Mendalam ................................................................. 61
   3. Studi Dokumentasi ........................................................................ 61
   4. Studi Literatur .............................................................................. 61
   5. Tahap Pra Penelitian ................................................................. 62
   6. Tahap Pelaksanaan ...................................................................... 63
   7. Tahap Analisis Data .............................................................. 63

G. Validasi Data .............................................................................. 66
   1. Memperpanjang Masa Observasi .............................................. 66
   2. Pengamatan Terus Menerus ...................................................... 67
   3. Triangulasi Data ......................................................................... 67
   4. Menggunakan Referensi Yang Cukup .......................................... 69
   5. Menerapkan Member Cheking ................................................... 69

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ................. 71

A. Gambaran Umum PDI Perjuangan .......................................... 71
   1. Sejarah Partai Demokrasi Indonesia Perjuangan ....................... 71
   2. Visi, Misi PDI Perjuangan .......................................................... 72
   3. Dasar Prasetya PDI Perjuangan .................................................. 74
   4. Struktur Kepengurusan DPD PDI Perjuangan Jawa Barat ........ 74

B. Hasil Penelitian ......................................................................... 75
   1. Model Rekrunen Calon Anggota DPRD Dari PDI Perjuangan .... 76
   2. Faktor – faktor yang Menentukan Dalam Perekruitan Calon Anggota DPRD Dari PDI Perjuangan ......................... 84
   3. Peranan Model Rekrutmen Yang ditetapkan PDI Perjuangan Bagi Partisipasi Masyarakat Untuk Memilih PDI Perjuangan Pada Pemilu Leslatif 2014 .......................................................... 92

C. Pembahasan Hasil Penelitian .................................................... 99
BAB V KESIMPULAN, IMPLIKASI PENELITIAN DAN SARAN

A. Kesimpulan .................................................................................. 116
B. Implikasi Penelitian ...................................................................... 118
C. Saran ............................................................................................ 121
