ACKNOWLEDGEMENT

This thesis would not have come into existence without significant contribution from so many people. Therefore, in this opportunity, I would like to express my gratitude and deep appreciation. My first and foremost thanks go to my supervisor, Prof. Dr. Didi Suherdi, M.Ed. for the guidance, support, help, and suggestion.

My special thanks are also due to Pupung Purnawarman, M.Sc. Ed., Ph.D., the head of English Education Department of Graduate School of the Indonesia University of Education and all lecturers who have given me support to finish this study.

I also thank the English teachers of two senior high schools in Bandar Lampung who have kindly become my partner during the research and the headmasters as well who have given the permission in conducting the research at this school.

My special gratitude to my parents, Tur Budianto (Alm.), Syafrida, Mukhlis Effendy and Liana, my partner, Jimmy Romarten, my sisters and brothers, Dika Pratiwi Budianto, Veranetta Pertiwi, Sony Adha Budianto and Ahmed Sugandi, and all my families for their patience, support, understanding, prayers and love.

All my colleagues and my students for their cooperation and their support to the writer in completing the study.
