BAB I PENDAHULUAN
1.1 Latar Belakang Penelitian ....................................................................................... 1
1.2 Rumusan Masalah ..................................................................................................... 9
1.3 Tujuan Penelitian ...................................................................................................... 9
1.4 Kegunaan Penelitian ............................................................................................ 9

BAB II KAJIAN PUSTAKA, KERANGKA PEMIKIRAN DAN HIPOTESIS
2.1 Kajian Pustaka ........................................................................................................ 11
  2.1.1 Konsep Pariwisata ............................................................................................. 11
  2.1.2 Produk Wisata Sebagai Bagian Dari Pemasaran ................................................. 12
    2.1.2.1 Konsep Produk Wisata................................................................................. 19
    2.1.2.2 Pengertian Kualitas Produk Wisata .............................................................. 21
    2.1.2.3 Dimensi Kualitas Produk Wisata ................................................................. 22
  2.1.3 Keputusan Berkunjung ....................................................................................... 25
    2.1.3.1 Definisi Keputusan Berkunjung ................................................................. 25
    2.1.3.2 Faktor-Faktor yang Mempengaruhi Perilaku Berkunjung .......................... 26
    2.1.3.3 Dimensi Keputusan Berkunjung ................................................................. 32
    2.1.3.4 Tipe-tipe Keputusan Berkunjung ............................................................... 34
    2.1.3.5 Proses Pengambilan Keputusan Berkunjung .............................................. 35
  2.1.4 Pengaruh Kualitas Produk Wisata Terhadap Keputusan Berkunjung ke
    Taman
    Rekreasi Selabintana .................................................................................................... 37
  2.1.5 Orisinalitas Penelitian ....................................................................................... 39
  2.2 Kerangka Pemikiran ............................................................................................ 40
  2.3 Hipotesis ............................................................................................................... 45

BAB III OBJEK DAN METODE PENELITIAN
3.1 Objek Penelitian ..................................................................................................... 47
  3.2 Metode Penelitian ............................................................................................... 47
    3.2.1 Jenis Penelitian dan Metode yang Digunakan ............................................... 47
    3.2.2 Operasionalisasi Variabel ............................................................................. 49
    3.2.3 Jenis dan Sumber Data .................................................................................. 55
    3.2.4 Populasi, Sampel dan Teknik Sampling ......................................................... 56
      3.2.4.1 Populasi .................................................................................................. 56
