DAFTAR TABEL ............................................................................................................................................................ x
DAFTAR GAMBAR ......................................................................................................................................................... xii

BAB I PENDAHULUAN ................................................................................................................................................. 1
  A. Latar Belakang Masalah ........................................................................................................................................ 1
  B. Identifikasi Masalah ............................................................................................................................................. 6
  C. Rumusan Masalah ............................................................................................................................................... 9
  D. Tujuan Penelitian .............................................................................................................................................. 10
  E. Manfaat Penelitian ............................................................................................................................................ 10
  F. Batasan Penelitian ............................................................................................................................................ 11
  G. Batasan Istilah .................................................................................................................................................... 12
  H. Struktur Organisasi Skripsi ............................................................................................................................... 13

BAB II KAJIAN PUSTAKA, KERANGKA BERFIKIR, DAN HIPOTESIS .............................................................................. 16
  A. Kajian Pustaka ..................................................................................................................................................... 16
     1. Konsep Pembelajaran .................................................................................................................................. 16
        a. Belajar ........................................................................................................................................................ 16
        b. Mengajar .................................................................................................................................................... 19
        c. Pemelajaran Pendidikan Jasmani ............................................................................................................ 21
     2. Pendekatan Pembelajaran Pendidikan Jasmani ............................................................................................. 23
     3. Pendekatan Teaching Game for Understanding (TGfU) ............................................................................. 25
     4. Pendekatan Tradisional .................................................................................................................................. 30
5. Karakteristik Sosial Remaja .................................................. 34
6. Perilaku Sosial ........................................................................ 38
   a. Pengertian Perilaku Sosial .................................................. 38
   b. Faktor-Faktor Pembentuk Perilaku Sosial ........................... 39
   c. Sifat dan Pola Respon Perilaku Sosial ................................. 40
   d. Teori Perkembangan Perilaku Sosial ................................. 40
      1) Teori Belajar Sosial (Social Learning) Albert
         Bandura ............................................................................. 40
   e. Tanggung Jawab ................................................................. 44
   f. Toleransi ............................................................................. 46
   g. Disiplin .............................................................................. 47
7. Olahraga Permainan dalam Pendidikan Jasmani ..................... 51

B. Kerangka Berfikir ................................................................. 53
   1. Keterkaitan Pendekatan Teaching Game for Understanding (TGfU) Terhadap Perilaku Sosial Siswa dalam Pembelajaran Permainan Pendidikan Jasmani.......................... 54
   2. Keterkaitan Pendekatan Tradisional Terhadap Perilaku Sosial Siswa dalam Pembelajaran Permainan Pendidikan Jasmani................................................................. 56
   3. Perbandingan Pendekatan Teaching Game for Understanding (TGfU) dengan Pendekatan Tradisional Terhadap Perilaku Sosial Siswa dalam Pembelajaran Permainan Pendidikan Jasmani................................................................. 57
C. Hipotesis .............................................................................. 58

BAB III METODE PENELITIAN .................................................. 59
   A. Tempat dan Waktu Penelitian ............................................... 59
   B. Metode Penelitian .............................................................. 59
   C. Desain Penelitian .............................................................. 60
   D. Populasi dan Sampel .......................................................... 62
BAB IV HASIL DAN PEMBAHASAN .................................................. 87
A. Hasil Pengolahan dan Analisis Data ................................. 87
   1. Deskripsi Data ................................................................. 87
   2. Analisis Data ................................................................. 88
      a. Uji Normalitas ............................................................ 88
      b. Uji Homogenitas ........................................................ 90
      c. Uji Hipotesis .............................................................. 91
B. Diskusi Temuan ............................................................... 94
   1. Pengaruh Pendekatan Teaching Game for Understanding
      (TGfU) Terhadap Perilaku Sosial Siswa dalam
      Pembelajaran Permainan Pendidikan Jasmani .................. 94
   2. Pengaruh Pendekatan Tradisional Terhadap Perilaku
      Sosial Siswa dalam Pembelajaran Permainan Pendidikan
      Jasmani ............................................................................. 97
   3. Perbandingan Pengaruh Pendekatan Teaching Game for
      Understanding (TGfU) dengan Pendekatan Tradisional
      Terhadap Perilaku Sosial Siswa dalam Pembelajaran
      Permainan Pendidikan Jasmani ........................................ 99

BAB V SIMPULAN, IMPLIKASI, DAN REKOMENDASI .............. 101
A. Simpulan ................................................................. 101
B. Implikasi ................................................................. 101
C. Rekomendasi ......................................................... 103

DAFTAR PUSTAKA ........................................................................ 104
LAMPIRAN-LAMPIRAN ................................................................. 109
