PENGANTAR..............................................................................................................i
UCAPAN TERIMAKASIH..........................................................................................iii
ABSTRAK..................................................................................................................iv
DAFTAR ISI.................................................................................................................v
DAFTAR TABEL..........................................................................................................viii
DAFTAR GAMBAR....................................................................................................ix
DAFTAR LAMPIRAN..................................................................................................x

BAB I PENDAHULUAN...........................................................................................1
A. Latar Belakang Penelitian.....................................................................................1
B. Identifikasi Penelitian.........................................................................................4
C. Rumusan Masalah Penelitian..............................................................................5
D. Tujuan Penelitian..................................................................................................6
E. Manfaat Penelitian...............................................................................................6
F. Struktur Organisasi Penelitian.............................................................................7

BAB II LANDASAN TEORITIS...............................................................................9
A. Konsep Dasar Keterampilan Sosial.................................................................9
   a. Pengertian keterampilan sosial.................................................................9
   b. Peranan keterampilan sosial.................................................................9
   c. Tahapan perkembangan keterampilan sosial anak............................10
   d. Ciri-ciri keterampilan sosial.................................................................11
   e. Bentuk-bentuk keterampilan sosial.....................................................12
   f. Faktor yang mempengaruhi keterampilan sosial...............................13
B. Konsep Dasar Perilaku Keterampilan Sosial Emosional Anak Usia Dini..............14
   a. Faktor yang mempengaruhi keterampilan sosial emosional anak......14
   b. Karakteristik keterampilan sosial emosional anak usia dini..............15

Aulia Rahmawati Dewi, 2016
GAMBARAN KETERAMPILAN SOSIAL EMOSI ANAK AUTISM SPECTRUM DISORDER (ASD) DI SEKOLAH PAUD BUNDA GANESA
Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
C. Konsep Dasar Autism Spectrum Disorder (ASD) .................................................................16
   a. Konsep dasar Autism Spectrum Disorder .................................................................16
   b. Diagnosis Anak Autism Spectrum Disorder ............................................................19
   c. Faktor Penyebab Autism Spectrum Disorder (ASD) ..............................................19
   d. Konsep Dasar Sekolah Inklusi ..................................................................................20
      a. Pengertian Sekolah Inklusi ..................................................................................20
      b. Tujuan Pendidikan Inklusi ..................................................................................20

BAB III METODE PENELITIAN ..........................................................................................22
A. Metode Pendekatan dan Jenis Penelitian ....................................................................22
B. Desain Penelitian .........................................................................................................23
C. Prosedur Penelitian ......................................................................................................24
   1. Tahap Persiapan .........................................................................................................24
   2. Tahap Pelaksanaan ....................................................................................................24
   3. Tahap Pengolahan Data ............................................................................................24
   4. Tahap Pelaporan ........................................................................................................24

D. Lokasi Penelitian .........................................................................................................25
E. Subjek Penelitian ..........................................................................................................25
F. Instrumen Penelitian ......................................................................................................25
G. Teknik Pengumpulan Data ............................................................................................29
   1. Observasi ..................................................................................................................29
   2. Wawancara ................................................................................................................32
   3. Studi Dokumentasi ....................................................................................................38
   4. Catatan Lapangan ......................................................................................................39

H. Teknik Analisis Data ....................................................................................................41
   1. Analisis Data .............................................................................................................41
   2. Langkah-langkah Analisis .......................................................................................42
   3. Refleksivitas ..............................................................................................................45

I. Penjelasan Istilah ..........................................................................................................45
   1. Keterampilan Sosial ...................................................................................................45
   2. Keterampilan Emosi ..................................................................................................45
   3. Autism ......................................................................................................................46
BAB IV Hasil Penelitian

A. Hasil gambaran keterampilan Sosial Emosi Anak Autism Spectrum Disorder (ASD) di PAUD Bunda Ganesa

B. Pembahasan Keterampilan Sosial Emosional Anak Autism Spectrum Disorder (ASD)

BAB V Simpulan dan Rekomendasi

a. Simpulan
b. Rekomendasi
