BAB I PENDAHULUAN ...................................................................................... 1
  1.1 Latar Belakang Penelitian............................................................................. 1
  1.2 Rumusan Masalah....................................................................................... 9
  1.3 Tujuan Penelitian........................................................................................ 9
  1.4 Manfaat Penelitian.................................................................................... 9
    1.4.1 Manfaat Akademis............................................................................... 9
    1.4.2 Manfaat Praktis dan Kebijakan.......................................................... 10

BAB II KAJIAN PUSTAKA .............................................................................. 11
  2.1 Landasan Teori .......................................................................................... 11
    2.1.1 Teori Legitimasi (Legitimacy Theory).............................................. 11
    2.1.2 Teori Stakeholder (Stakeholder Theory).......................................... 11
    2.1.3 Teori Sustainabilitas Korporasi ......................................................... 12
    2.1.4 Teori political economy ..................................................................... 12
  2.2 Kinerja Lingkungan.................................................................................... 12
    2.2.1 Penilaian Kinerja Lingkungan Perusahaan melalui PROPER .......... 12
  2.3 Sustainability Report ................................................................................. 16
    2.3.1 Pengertian Sustainability Report ....................................................... 16
    2.3.2 Pedoman Sustainability Report ......................................................... 17
    2.3.3 Prinsip Pengungkapan Sustainability Report .................................... 22
    2.3.4 Manfaat Sustainability Report ............................................................ 23
  2.4 Nilai Perusahaan ....................................................................................... 24
  2.5 Hubungan Kinerja Lingkungan dengan Nilai Perusahaan .................... 26
  2.6 Hubungan Pengungkapan Sustainability Report dengan Nilai Perusahaan 27
  2.7 Hubungan Kinerja Lingkungan, Pengungkapan Sustainability Report
donilai Perusahaan ....................................................................................... 28
  2.8 Penelitian Terdahulu.................................................................................. 29

2.9 Kerangka Pemikiran ..........................................................33
2.10 Hipotesis Penelitian ..........................................................36

BAB III METODE PENELITIAN ...........................................37
3.1 Objek Penelitian ...............................................................37
3.2 Metode Penelitian ............................................................37
   3.2.1 Desain Penelitian .......................................................37
3.2.2 Definisi dan Operasionalisasi Variabel ..............................38
   3.2.2.1 Definisi Variabel ..................................................38
      3.2.2.1.1 Variabel Bebas (X1): Kinerja Lingkungan ..........38
      3.2.2.1.2 Variabel Bebas (X2): Pengungkapan Sustainability Report .39
      3.2.2.1.3 Variabel Terikat (Y) : Nilai Perusahaan ..............40
   3.2.2.2 Operasionalisasi Variabel .......................................41
3.2.3 Populasi dan Sampel Penelitian ....................................42
   3.2.3.1 Populasi penelitian ...............................................42
   3.2.3.2 Sampel Penelitian .................................................43
3.2.4 Teknik Pengumpulan Data ............................................44
3.2.5 Teknik Analisis Data dan Pengujian Hipotesis .................45
   3.2.5.1 Teknik Analisis Data ............................................45
   3.2.5.2 Uji Asumsi Klasik ................................................45
      3.2.5.2.1 Uji Normalitas Data .......................................45
      3.2.5.2.2 Uji Multikolinearitas .....................................46
      3.2.5.2.3 Uji Heteroskedastisitas ................................46
      3.2.5.2.4 Uji Autokorelasi ...........................................46
   3.2.5.3 Rancangan Pengujian Hipotesis ...............................47

BAB IV TEMUAN DAN PEMBAHASAN ..................................49
4.1 Temuan ...........................................................................49
   4.1.1 Gambaran Umum Subjek Penelitian .............................49
   4.1.2 Deskripsi Data Variabel Penelitian .............................51
      4.1.2.1 Kinerja Lingkungan .........................................51
      4.1.2.2 Pengungkapan Sustainability Report ..................55
      4.1.2.3 Nilai Perusahaan ..............................................59
   4.1.3 Analisis Data dan Pengujian Hipotesis ..........................62
4.1.3.1 Uji Asumsi Klasik .......................................................... 62
4.1.3.1.1 Uji Normalitas ...................................................... 62
4.1.3.1.2 Uji Multikoliniearitas ............................................. 63
4.1.3.1.3 Uji Heteroskedasitas ............................................. 64
4.1.3.1.4 Uji Autokorelasi ................................................ 65
4.1.3.2 Analisis Regresi Liniear Berganda ............................... 66
4.1.3.3 Analisis Pengujuan Hipotesis .................................... 68

4.2 Pembahasan Hasil Penelitian ............................................. 71
4.2.1 Pengaruh Kinerja Lingkungan Terhadap Nilai Perusahaan ... 71
4.2.2 Pengaruh Pengungkapan Sustainability Report Terhadap Nilai Perusahaan .............................................................. 72
4.2.3 Pengaruh Kinerja Lingkungan dan Pengungkapan Sustainability Report Secara Simultan Terhadap Nilai Perusahaan ................. 73

BAB V SIMPULAN, IMPLIKASI DAN REKOMENDASI .................. 75
5.1 Simpulan ............................................................................. 75
5.2 Implikasi dan Rekomendasi ............................................... 76
