DAFTAR ISI

Abstrak ......................................................................................................................... i
Kata Pengantar .............................................................................................................. iii
Ucapan Terimakasih ...................................................................................................... iv
Daftar Isi ......................................................................................................................... v
Daftar Tabel .................................................................................................................... vii

BAB I PENDAHULUAN ............................................................................................... 1
A. Latar Belakang .......................................................................................................... 1
B. Identifikasi Masalah ................................................................................................. 4
C. Perumusan Masalah ................................................................................................. 5
D. Tujuan Penelitian ..................................................................................................... 5
E. Manfaat Penelitian ................................................................................................... 6
F. Struktur Organisasi Skripsi ...................................................................................... 6
G. Keaslian Penelitian ................................................................................................... 7

BAB II KAJIAN PUSTAKA ........................................................................................... 13
A. Guru Sebagai Profesi ............................................................................................... 13
   1. Pengertian Guru ..................................................................................................... 13
   2. Kompetensi Guru ................................................................................................. 13
   3. Kualifikasi Guru .................................................................................................... 16
   4. Profesionalitas Guru ............................................................................................ 17
B. Minat Pada Profesi Guru ......................................................................................... 20
   1. Pengertian Minat .................................................................................................. 20
   2. Faktor-Faktor yang Mempengaruhi Minat ........................................................... 21
   3. Indikator Minat .................................................................................................... 23
   4. Minat Menjadi Guru ............................................................................................ 24
   5. Guru Geografi ..................................................................................................... 26

BAB III METODOLOGI PENELITIAN ...................................................................... 28
A. Jenis Penelitian ........................................................................................................ 28
B. Variabel Penelitian .................................................................................................. 28
C. Lokasi Penelitian ..................................................................................................... 29
D. Populasi dan Sampel ............................................................................................... 30
E. Definisi Operasional ............................................................................................... 32
F. Teknik Pengumpulan Data ..................................................................................... 33
G. Intrumen Penelitian ............................................................................................... 34
H. Validitas dan Reliabilitas Instrumen ..................................................................... 36
I. Analisis Data ........................................................................................................... 38
J. Bagan Alur Penelitian ............................................................................................ 41

BAB IV HASIL DAN PEMBAHASAN ........................................................................ 42
A. Hasil Penelitian .................................................................................................................. 42
  1. Perhatian Terhadap Profesi Guru Geografi ........................................................... 43
  2. Rasa Percaya Diri Untuk Menjadi Guru Geografi ............................................. 44
  3. Relevansi Terhadap Kegiatan Sehari-hari Sebagai Calon Guru Geografi .................. 46
  4. Kepuasan Dalam Mempelajari Ilmu Pendidikan Geografi .......................... 47
  5. Pemahaman Terhadap Tugas Profesi Guru .................................................... 49
B. Pembahasan ..................................................................................................................... 51

BAB V SIMPULAN IMPLIKASI DAN SARAN ................................................................. 55
A. Simpulan ......................................................................................................................... 55
B. Implikasi dan Saran ...................................................................................................... 56

LAMPIRAN
DAFTAR TABEL

Tabel 1.1 Penelitian Terdahulu 9
Tabel 3.1. Variabel dan indikator minat terhadap profesi guru geografi 29
Tabel 3.2. Jumlah mahasiswa aktif angkatan 2011 dan 2012 di Departemen Pendidikan Geografi UPI. 30
Tabel 3.3. Jumlah sampel berdasarkan angkatan. 32
Tabel 3.4. Kisi-Kisi instrumen penelitian 34
Tabel 3.5. Skor item skala Likert 39
Tabel 3.6. Kriteria interpretasi skor 40
Tabel 4.1. Perhatian terhadap profesi guru geografi. 43
Tabel 4.2. Rasa percaya diri untuk menjadi guru geografi. 44
Tabel 4.3. Relevansi terhadap kegiatan sehari-hari. 46
Tabel 4.4. Kepuasan dalam mempelajari ilmu pendidikan geografi. 47
Tabel 4.5. Pemahaman responden terhadap tugas guru. 49
