DAFTAR ISI

ABSTRAK .................................................................................................................. i
ABSTRACT .................................................................................................................. ii
KATA PENGANTAR .................................................................................................... iii
UCAPAN TERIMA KASIH ........................................................................................ iv
DAFTAR ISI ............................................................................................................... viii
DAFTAR TABEL ......................................................................................................... xi
DAFTAR GAMBAR .................................................................................................... xii
DAFTAR LAMPIRAN ................................................................................................. xiii

BAB I PENDAHULUAN .............................................................................................. 1
1.1 Latar Belakang Penelitian .................................................................................... 1
1.2 Identifikasi Masalah ............................................................................................ 11
1.3 Rumusan Masalah .............................................................................................. 12
1.4 Tujuan Penelitian ............................................................................................... 12
1.5 Kegunaan Penelitian .......................................................................................... 13

BAB II KAJIAN PUSTAKA, KERANGKA PEMIKIRAN, DAN HIPOTESIS ..................... 14
2.1 Kajian Pustaka ..................................................................................................... 14
  2.1.1 Konsep Kebangkrutan .................................................................................. 14
    2.1.1.1 Konsep Kebangkrutan dalam Financial Distress ................................. 14
    2.1.1.2 Kebangkrutan ...................................................................................... 16
    2.1.1.3 Penyebab Kebangkrutan ...................................................................... 18
    2.1.1.4 Manfaat Informasi Kebangkrutan ...................................................... 21
    2.1.1.5 Model Prediksi Keuangan ................................................................. 23
    2.1.1.6 Analisis Altman .................................................................................. 27
    2.1.1.7 Analisis Springate ............................................................................. 30
  2.1.2 Orisinalitas Penelitian .................................................................................... 31
2.2 Kerangka Pemikiran ........................................................................................... 39
BAB III METODE PENELITIAN .................................................................45
3.1 Objek Penelitian ...........................................................................45
3.2 Metode Penelitian ........................................................................45
   3.2.1 Jenis Penelitian dan Metode yang Digunakan .........................45
   3.2.2 Operasionalisasi Variabel .....................................................48
   3.2.3 Jenis dan Sumber Data .........................................................51
   3.2.4 Populasi Dan Sampel ...........................................................52
      3.2.4.1 Populasi ........................................................................52
      3.2.4.2 Sampel .........................................................................52
   3.2.5 Teknik Pengumpulan Data ....................................................52
   3.2.6 Teknik Analisis Data .............................................................54
      3.2.6.1 Teknik Analisis Data ......................................................54
      3.2.6.2 Pengujian Hipotesis .......................................................55

BAB IV HASIL PENELITIAN DAN PEMBAHASAN .............................58
4.1 Gambaran Objek Penelitian ..........................................................58
   4.1.1 Visi dan Misi Perusahaan ....................................................62
4.2 Gambaran Prediksi Kebangkrutan Pada Nokia Corporation ..........62
   4.2.1 Gambaran Prediksi Kebangkrutan Menggunakan Model Altman ..62
   4.2.2 Gambaran Prediksi Kebangkrutan Menggunakan Model Springate ...67
4.3 Gambaran Perbedaan Model Prediksi Menggunakan Model Altman dan Springate Pada Nokia Corporation ..................................69
   4.3.1 Z-Score Nokia Corporation Menggunakan Model Altman Dan Model Springate .................................................................72
4.4 Temuan Hasil Penelitian ...............................................................74
   4.4.1 Temuan Hasil Penelitian Bersifat Teoritis .................................74
   4.4.2 Temuan Hasil Penelitian Bersifat Empiris ..................................77
   4.4.3 Implikasi Hasil Penelitian Terhadap Pengembangan Pendidikan Manajemen Bisnis .................................................................79
BAB V KESIMPULAN DAN REKOMENDASI ........................................85
5.1 Kesimpulan ........................................................................85
5.2 Rekomendasi ....................................................................86

Daftar Pustaka........................................................................107
