ABSTRAK ................................................................................................................................. i
ABSTRACT ................................................................................................................................. ii
KATA PENGANTAR ......................................................................................................................... iii
UCAPAN TERIMAKSIH .................................................................................................................... iv
DAFTAR ISI ................................................................................................................................. vi
DAFTAR TABEL ............................................................................................................................. viii
DAFTAR GAMBAR ........................................................................................................................ x

BAB I PENDAHULUAN .................................................................................................................. 1
A. Latar Belakang Masalah ............................................................................................................. 1
B. Rumusan Masalah ..................................................................................................................... 10
C. Tujuan Penelitian ..................................................................................................................... 11
D. Manfaat Penelitian .................................................................................................................. 11
E. Struktur Organisasi Skripsi ..................................................................................................... 12

BAB II ANALISIS TEORITIK ....................................................................................................... 13
A. Metode Show and Tell .............................................................................................................. 13
B. Prestasi Belajar ........................................................................................................................ 22
C. Materi Pelajaran Akhlak di Kelas 4 Diniyah Takmiliyah Awaliyah Wasilatunnaja ......................... 34
D. Penelitian Terdahulu yang Relevan ....................................................................................... 45

BAB III METODE PENELITIAN .................................................................................................. 46
A. Desain Penelitian ..................................................................................................................... 46
B. Partisipan .................................................................................................................................... 47
C. Populasi dan sampel Penelitian ............................................................................................. 47
D. Instrumen penelitian ................................................................................................................. 49
E. Prosedur Penelitian .................................................................................................................. 58
F. Analisis data .......................................................................................................................... 62

BAB IV TEMUAN DAN PEMBAHASAN ...................................................................................... 72
A. TEMUAN ..................................................................................................................................... 72
1. Gambaran proses pembelajaran pada Kelas Eksperimen menggunakan Metode Show and Tell ................................................................................................................................. 72

Resty Aprilia Fitthrahall, 2016
EFEKTVITAS PENGGUNAAN METODE SHOW AND TELL TERHADAP PENINGKATAN PRESTASI BELAJAR SISWA KELAS IV PADA MATA PELAJARAN AKHLAK
Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
2. Prestasi Siswa Kelas IV di Diniyah Takmiliyah Awaliyah Wasilatunnajamata Pelajaran Akhlak pada saat Pra-Test dan Post-Test...... 78
3. Efektivitas Penggunaan Metode Show and Tell dalam Meningkatkan Prestasi Belajar Siswa terhadap Mata Pelajaran Akhlak Merumuskan Hipotesis .................................................................................................................. 104

B. PEMBAHASAN ........................................................................................................ 106
   1. Gambaran proses pembelajaran pada Kelas Eksperimen menggunakan metode Show and Tell ................................................................. 106
   2. Prestasi Siswa Kelas IV di Diniyah Takmiliyah Awaliyah Wasilatunnajamata Pelajaran Akhlak pada saat Pra-Test dan Post-Test...... 107
   3. Efektivitas Penggunaan Metode Show and Tell dalam Meningkatkan Prestasi Belajar Siswa terhadap Mata Pelajaran Akhlak Merumuskan Hipotesis .................................................................................................................. 113

BAB V SIMPULAN DAN REKOMENDASI ................................................. 116
   A. Simpulan .................................................................................................................. 116
   B. Rekomendasi ........................................................................................................ 117
