ABSTRACT ................................................................................................................................. ii
KATA PENGANTAR .................................................................................................................... iii
UCAPAN TERIMAKASIH ............................................................................................................. iv
DAFTAR ISI .............................................................................................................................. vii
DAFTAR TABEL ......................................................................................................................... ix
DAFTAR GAMBAR ................................................................................................................... xi
DAFTAR LAMPIRAN ................................................................................................................... xii

BAB IPENDAHULUAN .............................................................................................................. 1
   1.1 Latar Belakang Penelitian ................................................................................................. 1
   1.2 Identifikasi dan Rumusan Masalah ................................................................................. 9
   1.3 Tujuan Penelitian ........................................................................................................... 10
   1.4 Kegunaan Penelitian .................................................................................................... 11
      1.4.1 Kegunaan Teoritis .................................................................................................. 11
      1.4.2 Kegunaan Praktis ................................................................................................ 11

BAB II KAJIAN PUSTAKA, KERANGKA PEMIKIRAN DAN HIPOTESIS ... 12
   2.1 Kajian Pustaka ............................................................................................................... 12
      2.1.1 Konsep Pemasaran ............................................................................................... 12
      2.1.2 Keputusan Pembelian Busana Muslim ................................................................. 13
      2.1.3 Norma Subyektif .................................................................................................. 24
      2.1.4 Gaya Hidup ........................................................................................................... 25
      2.1.5 Penelitian Terdahulu ............................................................................................. 27
   2.2 Kerangka Pemikiran ..................................................................................................... 28
   2.3 Hipotesis ........................................................................................................................ 31

BAB IIIOBJEK DAN METODE PENELITIAN ........................................................................ 32
   3.1 Objek Penelitian ............................................................................................................. 32
   3.2 Metode Penelitian dan Design Penelitian ................................................................. 33
      3.2.1 Metode Penelitian ............................................................................................... 33
      3.2.2 Desain Penelitian ............................................................................................... 34
   3.3 Operasionalisasi Variabel .......................................................................................... 34
3.4 Jenis, Sumber dan Teknik Pengumpulan Data ........................................... 35
  3.4.1 Jenis dan Sumber Data ........................................................................ 36
  3.4.2 Teknik Pengumpulan Data ................................................................. 37
3.5 Populasi, Sampel dan Teknik Penarikan Sampel .................................... 37
  3.5.1 Populasi dan Sampel .......................................................................... 37
  3.5.2 Teknik Penarikan Sampel .................................................................... 38
3.6 Uji Instrumen Penelitian ........................................................................... 39
  3.6.1 Uji Validitas ......................................................................................... 39
  3.6.2 Uji Reliabilitas ..................................................................................... 43
3.7 Rancangan Analisis Data ........................................................................... 46
  3.7.1 Teknik Analisis Data ........................................................................... 48
  3.7.2 Uji Hipotesis ......................................................................................... 54
BAB IV HASIL PENELITIAN DAN PEMBAHASAN ........................................... 57
  4.1 Hasil Penelitian ....................................................................................... 57
    4.1.1 Profil Perusahaan .............................................................................. 57
    4.1.2 Gambaran Umum Karakteristik Responden ...................................... 59
    4.1.3 Gambaran Umum Pengalaman Responden ....................................... 62
    4.1.4 Gambaran Norma Subyektif .............................................................. 66
    4.1.5 Gambaran Gaya Hidup .................................................................... 72
    4.1.6 Gambaran Keputusan Pembelian .................................................... 78
    4.1.7 Hasil Pengujian Hipotesis ................................................................. 86
  4.2 Pembahasan Hasil Penelitian .................................................................. 95
BAB V KESIMPULAN, IMPLIKASI DAN REKOMENDASI ............................. 101
  5.1 Kesimpulan .............................................................................................. 101
  5.2 Implikasi .................................................................................................... 102
  5.3 Rekomendasi ............................................................................................ 103
DAFTAR PUSTAKA ......................................................................................... 105
DAFTAR TABEL

Tabel 1.1 10 Komoditi Utama Ekspor Indonesia ........................................... 1
Tabel 1.2 Top Brand Busana Muslim ........................................................... 5
Tabel 1.3 Penjual Busana Muslim di Balubur Town Square ............................. 6
Tabel 1.4 Konsumen ZOYA Balubur Town Square ....................................... 7
Tabel 1.5 Alasan Menggunakan Busana Muslim ........................................... 8
Tabel 2.1 Penelitian Terdahulu ..................................................................... 27
Tabel 3.1 Operasionalisasi Variabel ............................................................... 34
Tabel 3.2 Sumber Data ................................................................................. 36
Tabel 3.3 Interpretasi Nilai r ......................................................................... 40
Tabel 3.4 Variabel X1 (Norma Subyektif) ...................................................... 41
Tabel 3.5 Variabel X2 (Gaya Hidup) ............................................................... 42
Tabel 3.6 Variabel Y (Keputusan Pembelian) ................................................ 43
Tabel 3.7 Hasil Uji Reliabilitas Variabel X1 (Norma Subyektif), Variabel X2
(Gaya Hidup) dan Variabel Y (Keputusan Pembelian) .................................. 45
Tabel 3.8 Tabel Batasan Penelitian ............................................................... 47
Tabel 3.9 Rekapitulasi Pengolahan Data ....................................................... 47
Tabel 3.10 Pedoman Untuk Memberikan Interpretasi Koefisien Korelasi .......... 53
Tabel 4.1 Karakter Responden Berdasarkan Usia ......................................... 60
Tabel 4.2 Karakter Responden Berdasarkan Penghasilan / Uang saku .......... 60
Tabel 4.3 Karakter Responden Berdasarkan Pekerjaan ................................. 61
Tabel 4.4 Pengalaman Responden Berdasarkan Lama Mengetahui Busana
Muslim ZOYA ............................................................................................. 62
Tabel 4.5 Pengalaman Responden Berdasarkan cara Mengetahui Busana
Muslim ZOYA ............................................................................................ 63
Tabel 4.6 Pengalaman Responden Berdasarkan Berapa Banyak Membeli
Busana Muslim ZOYA ............................................................................... 64
Tabel 4.7 Pengalaman Responden Berdasarkan Alasan Membeli Busana
Muslim ZOYA ............................................................................................ 65
Tabel 4.8 Pengalaman Responden Berdasarkan Merek Lain yang Dibeli
Selain ZOYA ............................................................................................... 65
Tabel 4.9 Norma Subyektif pada Busana Muslim Zoya berdasarkan Normative
Belief ............................................................................................................ 67
Tabel 4.10 Norma Subyektif pada Busana Muslim Zoya berdasarkan Motivasi
To Comply .................................................................................................... 68
Tabel 4.11 Rekapitulasi Hasil Penelitian Variabel Norma Subyektif pada Busana
Muslim Zoya ............................................................................................... 70
Tabel 4.12 Gaya Hidup pada Busana Muslim Zoya berdasarkan Activites ...... 73
Tabel 4.13 Norma Subyektif pada Busana Muslim Zoya berdasarkan Interest .... 74
Tabel 4.14 Norma Subyektif pada Busana Muslim Zoya berdasarkan Opinion... 75
Tabel 4.15 Rekapitulasi Hasil Penelitian Variabel Gaya Hidup pada Busana
Muslim Zoya ............................................................................................... 76
Tabel 4.16 Keputusan Pembelian pada Busana Muslim Zoya berdasarkan Merek
Tabel 4.17 Keputusan Pembelian pada Busana Muslim Zoya berdasarkan Desain
Tabel 4.18 Keputusan Pembelian pada Busana Muslim Zoya berdasarkan Kenyamanan
Tabel 4.19 Keputusan pada Busana Muslim Zoya berdasarkan Harga
Tabel 4.20 Rekapitulasi Hasil Penelitian Variabel Keputusan Pembelian pada Busana Muslim Zoya
Tabel 4.21 Uji Multikolineritas
Tabel 4.22 Uji Autokolerasi
Tabel 4.23 Pedoman Untuk Meberikan Interpretasi Koefisien Korelasi
Tabel 4.24 Analisis Korelasi
Tabel 4.25 Analisis Korelasi
Tabel 4.26 Output Koefisien Regresi
Tabel 4.27 Uji T-Statistik
Tabel 4.28 Uji F-Statistik

Dirvan Maulana, 2016
PENGARUH NORMA SUBYEKTIF DAN GAYA HIDUP TERHADAP KEPUTUSAN PEMBELIAN BUSANA MUSLIM ZOYA
Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
