*“Setiap pagi di Afrika, seorang kijang terjaga...
Ia tahu, ia harus berlari lebih cepat dari singa tercepat, atau ia akan mati.
Dan setiap pagi seekor singa terjaga...
Ia tahu, ia harus mengejar kijang terlambat, atau ia akan mati kelaparan.
Tidak peduli kita singa atau kijang,
Ketika matahari mulai terbit, Kita harus mulai berlari..”*

PREFACE

All praises be to Allah, the Most Gracious and the Most Merciful. May peace and blessings be upon the Prophet Muhammad Saw.

I am very grateful that I can accomplish this thesis entitled “The Implementation of Video as Instructional Media in Oral Presentation Class” and submit as a partial fulfillment of the requirements for Master’s Degree of English Education Program in the School of Postgraduate Studies, Universitas Pendidikan Indonesia. It employs a mixed-method study taking qualitative and quantitative design to explore the implementation of video as instructional media in oral presentation class, to know students’ responses to the implementation, and to explore the effectiveness of using video as instructional media to students’ presentation skill.

Hereby, I welcome constructive criticisms and suggestions for the improvement of this thesis and a better further research regarding this topic. Hopefully, this study will be beneficial and serve as a useful reference to those who take interest in the study and to general readers as well.

ACKNOWLEDGMENTS

In accomplishing this thesis, I would like to say my sincere gratitude to Pupung Purnawarman, M.S.Ed., Ph.D. as my first supervisor and Dr. Odo Fadloeli, M.A. as my second supervisor for their tremendous and enhancing advice, prolific inputs, consultation times and endless patience. Not to mention, million thanks to my inspiring academic supervisor, Prof. Nenden Sri Lengkanawati, M.Pd. who encouraged and guided me from the very beginning of my postgraduate study. I also would like to say my sincere gratitude to the thesis examiners Dr. Wachyu Sundayana, M.A. and Dr. H. Hobir Abdullah, M.Pd. May Allah SWT bless your life.

Thousands of thanks to all lecturers of English Education Department in School of Postgraduate Studies Universitas Pendidikan Indonesia for sharing their valuable knowledge during my study. I hope that the knowledge can make me being a beneficial person for the environment.

I would like to thank Aris Hermansyah, S.S. the English lecturer of Informatics Management, School of Applied Science, Telkom University for the assistance and guidance in the process of conducting and finishing the research. In addition, my thanks go to the students of Informatics Management-38-07, for being my cooperative participants. Their willingness to be observed and recorded helped me to accomplish this thesis. May Allah SWT grant you all His blessings.

As always, my best thank goes to a man who does many things for my upcoming future, Alvin Anindya Sapi'ie. My beloved husband who teaches and guides me to face this life wonderfully. Thanks also go to my only son, Avicenna Anjaina Sapi'ie for being here with me finishing this work. Not to mention, to my great parents, Umi and Bapak, Mama and Abi, Pappaji and Ibu, my sisters (Teh Meng, Teh Tati, Teh Sima, Boe and Boni), my brother Aa, Bi Nas, Tante Susan and all my friends who I cannot mention one by one, thank you for your endless support, pray and love.

I could not give in return for all of your kindness. May Allah SWT bless you all in His special way.
