BAB I PENDAHULUAN

1.1 Latar Belakang Masalah ...............................................................................................1
1.2 Fokus telaah ................................................................................................................8
1.3 Identifikasi Masalah .....................................................................................................9
1.4 Rumusan Masalah .......................................................................................................9
1.5 Tujuan Penelitian .......................................................................................................10
1.6 Manfaat Penelitian ....................................................................................................10
   1.6.1 Manfaat Teoretis .................................................................................................10
   1.6.2 Manfaat Praktis .................................................................................................10
   1.6.3 Manfaat Peneliti Selanjutnya ............................................................................11
1.7 Definisi Istilah ............................................................................................................11
1.8 Prosedur Penelitian ...................................................................................................11
   1.8.1 Pendekatan dan Metode Penelitian .................................................................12
   1.8.2 Unit Analisis ......................................................................................................12
   1.8.3 Teknik Pengumpulan Data ...............................................................................13
   1.8.4 Analisis Data ....................................................................................................13

Suci Nurfitriyanti, 2017
PROFIL INTERAKSI SOSIAL SISWA DALAM KELOMPOK TEMAN SEBAYA DI SMA ANGKASA HUSEIN SASTRANEGERA BANDUNG
Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
BAB II KAJIAN TEORI

1.1 Konsep Interaksi .......................................................... 16
  2.1.1 Pengertian Interaksi Sosial ........................................... 18
  2.1.2 Kemampuan Interaksi Sosial ........................................ 19
  2.1.3 Bentuk/Pola Interaksi Sosial ....................................... 21
  2.1.4 Ciri-ciri Interaksi Sosial ............................................ 25
  2.1.5 Terjadinya Interaksi Sosial ......................................... 26
  2.1.6 Dasar Interaksi Sosial ................................................ 31
  2.1.7 Faktor yang Berpengaruh dalam Interaksi Sosial ............... 33
  2.1.8 Kriteria Interaksi Sosial yang Baik ................................ 33
  2.1.9 Kriteria Interaksi Sosial yang Buruk ............................... 34

2.2 Konsep Teman Sebaya .................................................... 35
  2.2.1 Pengertian Pertemanan ............................................... 35
  2.2.2 Pengertian Teman Sebaya .......................................... 36
  2.2.3 Interaksi Teman Sebaya ............................................. 37
  2.2.4 Latar Belakang terbentuknya kelompok sebaya .................. 37
  2.2.5 Ciri-ciri Interaksi Teman Sebaya .................................. 38
  2.2.6 Fungsi Hubungan teman Sebaya ................................... 39
  2.2.7 Pengaruh Perkembangan Teman Sebaya .......................... 40

2.3 Konsep Metode Symlog ................................................... 41
  2.3.1 Teori Dasar Symlog .................................................. 42
  2.3.2 Prosedur Penerapan Symlog ........................................ 46
  2.3.3 Perbandingan Sosiometri, Symlog, IPA .......................... 48
  2.3.4 Hubungan antara Interaksi Sosial dengan Symlog ............. 52
  2.3.5 Penelitian Terdahulu ................................................ 54

BAB III METODE PENELITIAN

3.1 Desain Penelitian ......................................................... 53
3.2 Partisipan ....................................................................... 55
3.3 Unit Analisis ................................................................. 56
3.4 Definisi Operasional Variabel .................................................................62
3.5 Intrumen Penelitian ..............................................................................63
3.6 Teknik Pengumpulan Data ....................................................................64
3.7 Analisis Data .........................................................................................70

BAB IV HASIL PENELITIAN DAN PEMBAHASAN
4.1 Deskripsi Penelitian ...............................................................................76
  4.1.1 Deskripsi Umum SMA Angkasa .......................................................76
  4.1.2 Gambaran Umum Proses Penelitian ...............................................78
  4.1.3 Interaksi Sosial Dalam Teman Sebaya ...........................................79
  4.1.4 Gambaran Interaksi Sosial Berdasarkan Symlog .........................82
  4.1.5 Gambaran Umum Interaksi Sosial Berdasarkan Symlog ...............109

BAB V PENUTUP
5.1 Kesimpulan .........................................................................................113
5.2 Saran ....................................................................................................114

DAFTAR PUSTAKA .....................................................................................116

LAMPIRAN
RIWAYAT HIDUP PENULIS
DAFTAR TABEL

Tabel

3.1 Identitas Unit Analisis Penelitian.......................................................... 58
3.2 Pedoman Studi Dokumentasi ................................................................. 68
4.1 Data Butir Terendah Analisis Tugas Perkembangan ....................... 73
4.2 Jadwal kegiatan Observasi ................................................................. 75
4.3 Profil Interaksi Sosial berdasarkan Symlog ................................. 97
DAFTAR GRAFIK

4.1 Profil Interaksi Sosial Pada Dimensi Dominan................................. 98
4.2 Profil Interaksi Sosial Pada Dimensi Submissive............................... 99
4.3 Profil Interaksi Sosial Pada Dimensi Value Submissive Behavior........... 100
