BAB I PENDAHULUAN
1.1 Latar Belakang Masalah .......................................................... 1
1.2 Rumusan Masalah ..................................................................... 5
1.3 Tujuan Penelitian ..................................................................... 5
1.4 Manfaat Penelitian ................................................................... 5
1.4.1 Manfaat Teoretis ................................................................ 5
1.4.2 Manfaat Praktis ................................................................ 6

BAB II LANDASAN TEORETIS
2.1 Model Pembelajaran Kooperatif ................................................. 8
2.1.1 Definisi Model Pembelajaran Kooperatif ............................... 8
2.1.2 Komponen-Komponen Esensial Pembelajaran Kooperatif .... 9
2.1.3 Tujuan Pembelajaran Kooperatif .......................................... 10
2.1.4 Ciri-Ciri Pembelajaran Kooperatif ...................................... 10
2.1.5 Langkah-Langkah Model Pembelajaran Kooperatif .............. 11
2.1.6 Keuntungan Model Pembelajaran Kooperatif ..................... 12
2.1.7 Kelemahan Model Pembelajaran Kooperatif ....................... 14
2.2 Model Pembelajaran Kooperatif Tipe NHT (Numbered Head Together) .... 15
2.2.1 Definisi Model Pembelajaran Kooperatif Tipe NHT (Numbered Head Together) ............................................................... 15
2.2.2 Langkah-Langkah Model Pembelajaran Kooperatif Tipe NHT (Numbered Head Together) .................................................. 16
2.2.3 Tujuan Model Pembelajaran Kooperatif Tipe NHT (Numbered Head Together) ................................................................. 16
2.3 Kerja Sama ............................................................................... 17
2.3.1 Definisi Kerja Sama ............................................................ 17
2.3.2 Indikator dan Sub Indikator Kerja Sama .............................. 18
2.4 Pembelajaran IPS .................................................................... 18
2.5 Penelitian yang Relevan .......................................................... 19
2.6 Kerangka Berpikir ................................................................. 20
2.7 Definisi Operasional ............................................................... 21
2.7.1 Model Pembelajaran Kooperatif Tipe NHT (Numbered Head Together) ................................................................. 21

BAB III METODOLOGI PENELITIAN

3.1 Desain Penelitian Tindakan Kelas ................................................................. 22
   3.1.1 Metode Penelitian ................................................................................. 22
   3.1.2 Model Penelitian ................................................................................. 23
3.2 Partisipan, Tempat, dan Waktu Penelitian ...................................................... 24
   3.2.1 Partisipan Penelitian ........................................................................... 24
   3.2.2 Tempat Penelitian ............................................................................... 24
   3.2.3 Waktu Penelitian .................................................................................. 24
3.3 Prosedur Administratif Penelitian ..................................................................... 24
   3.3.1 Siklus I .................................................................................................. 24
   3.3.2 Siklus II ................................................................................................ 27
3.4 Prosedur Substantif Penelitian ........................................................................... 30
   3.4.1 Instrumen Pembelajaran ....................................................................... 30
   3.4.2 Instrumen Pengungkap Data Penelitian .................................................. 31
3.5 Pengolahan Data ............................................................................................... 31
3.6 Kriteria Keberhasilan ......................................................................................... 34

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Deskripsi Awal Penelitian ............................................................................... 35
4.2 Hasil Penelitian dan Pembahasan Masalah Kerja Sama Siswa Siklus I ........ 37
   4.2.1 Hasil Penelitian Siklus I ....................................................................... 37
   4.2.2 Pembahasan Pelaksanaan Pembelajaran dan Kerja Sama
     Siswa Siklus I ............................................................................................. 61
4.3 Hasil Penelitian dan Pembahasan Masalah Kerja Sama Siswa Siklus II ....... 70
   4.3.1 Hasil Penelitian Siklus II ...................................................................... 70
   4.3.2 Pembahasan Pelaksanaan Pembelajaran dan Kerja Sama
     Siswa Siklus II ............................................................................................ 87
4.4 Perbandingan Pelaksanaan Pembelajaran dan Ketercapaian Kerja Sama
   Siswa pada Siklus I dan II ............................................................................ 93
   4.4.1 Perbandingan Pelaksanaan Pembelajaran Siklus I dan II ...................... 93
   4.4.2 Perbandingan Ketercapaian Kerja Sama Siswa Siklus I dan II ............ 95
4.5 Keterbatasan Penelitian .................................................................................... 105

BAB V SIMPULAN DAN REKOMENDASI

5.1 Simpulan ......................................................................................................... 106
5.2 Rekomendasi ................................................................................................... 107
