DAFTAR BAGAN ...................................................................................................... xi
DAFTAR GAMBAR .................................................................................................. xii
DAFTAR LAMPIRAN ............................................................................................... xiii

BAB I PENDAHULUAN .......................................................................................... 1
A. Latar Belakang Penelitian ................................................................. 1
B. Rumusan Masalah Penelitian .......................................................... 6
C. Tujuan Penelitian ...................................................................................... 6
1. Tujuan Umum ......................................................................................... 6
2. Tujuan Khusus ......................................................................................... 6
D. Manfaat Penelitian .................................................................................... 7
1. Manfaat dari segi teori ................................................................. 7
2. Manfaat dari segi praktik ............................................................ 7
E. Struktur Organisasi Skripsi .............................................................. 8

BAB II KAJIAN PUSTAKA .................................................................................. 12
A. Penelitian Terdahulu .............................................................................. 12
B. Tari Kreatif Sebagai Suatu Pendekatan Pembelajaran ........... 15
C. Kreativitas dalam Tari ......................................................................... 18
D. Siswa Tunarungu .................................................................................. 21
E. Desain Pembelajaran Pendekatan Tari Kreatif ........................ 25

BAB III METODE PENELITIAN ..................................................................... 29
A. Desain Penelitian .................................................................................... 29
B. Partisipan dan Tempat Penelitian .................................................... 30
C. Populasi dan Sampel Penelitian ........................................ 30
D. Instrumen Penelitian dan Teknik Pengumpulan Data ........ 31
E. Prosedur Penelitian .......................................................... 35
   1. Langkah - langkah Penelitian ....................................... 35
   2. Definisi Operasional ...................................................... 38
   3. Skema / Alur Penelitian ................................................ 39
   4. Identifikasi Jenis Variabel ............................................. 40
   5. Hipotesis Penelitian ...................................................... 41
F. Analisis Data ..................................................................... 41

BAB IV TEMUAN DAN PEMBAHASAN .................................. 43
A. Temuan Penelitian ............................................................. 43
   1. Gambaran Umum SLBN Majalengka ............................... 43
   2. Deskripsi Kreativitas Siswa Tunarungu Sebelum Menggunakan Pendekatan Tari Kreatif ................. 47
   3. Proses Pembelajaran Tari Dengan Menggunakan Pendekatan Tari Kreatif Pada Siswa Tunarungu Kelas VIII di SLBN Majalengka ................................................. 56
   4. Pembahasan Hasil Kreativitas Siswa Tunarungu Setelah Menggunakan Pendekatan Tari Kreatif ............ 65
B. Pembahasan Temuan Penelitian ......................................... 90

BAB V KESIMPULAN DAN REKOMENDASI .......................... 102
A. Kesimpulan ................................................................. 102
B. Rekomendasi ............................................................... 103
