ABSTRACT ........................................................................................................................................ ii
KATA PENGANTAR ....................................................................................................................... iii
UCAPAN TERIMAKASIH ................................................................................................................... iv
DAFTAR ISI ........................................................................................................................................ vi
DAFTAR TABEL .................................................................................................................................... x
DAFTAR GAMBAR ............................................................................................................................ xii

BAB I PENDAHULUAN
1.1 Latar Belakang Masalah ................................................................................................................. 1
1.2 Rumusan Masalah ........................................................................................................................... 9
1.3 Tujuan Penelitian ............................................................................................................................ 9
1.4 Manfaat Penelitian .......................................................................................................................... 10

BAB II KAJIAN PUSTAKA DAN KERANGKA PEMIKIRAN
2.1 Kajian Pustaka ............................................................................................................................... 11
   2.1.1 Pariwisata .............................................................................................................................. 11
       2.1.1.1 Wisata Kuliner .............................................................................................................. 11
   2.1.2 Makanan ............................................................................................................................... 12
       2.1.2.1 Kualitas Makanan ........................................................................................................... 13
       2.1.2.2 Makanan Sehat untuk Anak-anak ................................................................................... 14
   2.1.3 Inovasi Produk ....................................................................................................................... 15
       2.1.3.1 Standar Resep ................................................................................................................ 16
   2.1.4 Permen .................................................................................................................................... 16
       2.1.4.1 Marshmallow .................................................................................................................. 18
   2.1.5 Sayuran .................................................................................................................................... 22
       2.1.5.1 Brokoli ............................................................................................................................ 22
       2.1.5.2 Timun ............................................................................................................................. 23
       2.1.5.3 Wortel ............................................................................................................................ 23
   2.1.6 Penilaian Organoleptik .......................................................................................................... 24
       2.1.6.1 Kelebihan Uji Organoleptik .......................................................................................... 25
       2.1.6.2 Kelemahan Uji Organoleptik ........................................................................................ 25

INOVASI MARSHMALLOW DENGAN PENAMBAHAN SARI SAYURAN UNTUK MENINGKATKAN MINAT KONSUMSI SAYUR PADA ANAK
Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
2.1.7 Daya Terima Konsumen.................................................. 26
BAB III METODOLOGI PENELITIAN

3.1 Objek dan Subjek Penelitian ................................................. 37
3.2 Metode Penelitian .......................................................... 37
3.3 Operasional Variabel ......................................................... 38
3.4 Rancangan Percobaan ....................................................... 39
   3.4.1 Kitchen Project .......................................................... 39
   3.4.2 Menentukan Harga Jual Produk .................................... 42
   3.4.3 Uji Daya Terima Konsumen ........................................ 42
   3.4.4 Menganalisis Kelayakan Bisnis dari Aspek Keuangan .......... 43
3.5 Teknik Pengumpulan Data .................................................. 43
3.6 Populasi dan Teknik Penarikan Sampling ............................. 44
3.7 Teknik Analisis Data .......................................................... 44
   3.7.1 Kitchen Project (Uji Organoleptik) ............................... 45
   3.7.2 Menentukan Harga Jual Produk .................................... 46
   3.7.3 Uji Daya Terima Konsumen ........................................ 47
   3.7.4 Menganalisis Kelayakan Bisnis dari Aspek Keuangan .......... 48

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Hasil Penelitian .............................................................. 49
   4.1.1 Gambaran Umum Objek Penelitian ............................... 49
   4.1.2 Kitchen Project .......................................................... 49
      4.1.2.1 Formulasi Resep Marshmallow dengan Penambahan Sari Sayuran ........................................... 49
4.2 Karakteristik Panelis .......................................................... 51
   4.2.1 Panelis Berdasarkan Jenis Kelamin ............................... 51
   4.2.2 Panelis Berdasarkan Usia ........................................... 52
4.2.3 Panelis Berdasarkan Pekerjaan .................................................. 53
4.3 Karakteristik Organoleptik pada Konsentrasi Marshmallow
dengan Penambahan Sari Sayuran .................................................. 54
  4.3.1 Karakteristik Rasa ................................................................. 54
  4.3.2 Karakteristik Warna ............................................................. 55
  4.3.3 Karakteristik Aroma ............................................................ 57
  4.3.4 Karakteristik Tekstur ............................................................ 58
  4.3.5 Karakteristik Penampilan ....................................................... 59
  4.3.6 Penilaian Keseluruhan (Formulasi Terbaik) ............................ 60
4.4 Uji Daya Terima Konsumen ....................................................... 61
4.5 Karakteristik Panelis Konsumen .................................................. 62
  4.5.1 Panelis Konsumen Berdasarkan Jenis Kelamin ......................... 62
  4.5.2 Panelis Konsumen Berdasarkan Usia ..................................... 63
  4.5.3 Panelis Konsumen Berdasarkan Pekerjaan ............................. 64
4.6 Karakteristik Pengujian Hedonik oleh Konsumen ......................... 64
  4.6.1 Karakteristik Hedonik Rasa .................................................... 65
  4.6.2 Karakteristik Hedonik Warna ................................................ 66
  4.6.3 Karakteristik Hedonik Aroma ................................................. 67
  4.6.4 Karakteristik Hedonik Tekstur ............................................... 69
  4.6.5 Karakteristik Hedonik Penampilan ......................................... 70
4.7 Penilaian Uji Daya Terima Konsumen Berdasarkan Kualitas Produk .... 71
  4.7.1 Penilaian Uji Daya Terima Konsumen Berdasarkan
  Kualitas Produk Karakteristik Rasa .............................................. 73
  4.7.2 Penilaian Uji Daya Terima Konsumen Berdasarkan
  Kualitas Produk Karakteristik Warna .......................................... 74
  4.7.3 Penilaian Uji Daya Terima Konsumen Berdasarkan
  Kualitas Produk Karakteristik Aroma .......................................... 75
  4.7.4 Penilaian Uji Daya Terima Konsumen Berdasarkan
  Kualitas Produk Karakteristik Tekstur ....................................... 76
  4.7.5 Penilaian Uji Daya Terima Konsumen Berdasarkan
  Kualitas Produk Karakteristik Penampilan .................................. 77
4.8 Perhitungan Harga Jual ............................................................. 78
  4.8.1 Target Produksi ................................................................. 78

Fadilla Aulia, 2017
INOVASI MARSHMALLO DENGAN PENAMBAHAN SARI SAYURAN UNTUK MENINGKATKAN MINAT KONSUMSI SAYUR PADA ANAK
Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
4.8.2 Kebutuhan Biaya ................................................................. 78
4.8.2.1 Biaya Peralatan Penunjang Produksi (Investasi) .................. 78
4.8.2.2 Biaya Bahan Habis Pakai per 6 Bulan.................................. 79
4.8.2.3 Biaya Overhead ................................................................. 80
4.8.2.4 Biaya Lain-lain atau Penunjang ........................................ 80
4.8.2.5 Biaya Depresiasi ................................................................. 81
4.8.3 Biaya Tetap dan Biaya Tidak Tetap dalam Produksi
Marshmallow Sayuran ............................................................... 81
4.8.4 Harga Jual Marshmallow Sayuran per Kemasan (pack) ............ 82
4.9 Analisis Kelayakan Bisnis Berdasarkan Aspek Keuangan ............ 84
4.10 Kemasan ................................................................................. 85
4.10.1 Daya Tahan Simpan .............................................................. 85
4.11 Matriks Hasil Analisis .............................................................. 87

BAB V SIMPULAN DAN SARAN
5.1 Simpulan .................................................................................. 89
5.2 Saran .......................................................................................... 90
