KATA PENGANTAR ........................................................................................................ iii
UCAPAN TERIMA KASIH ............................................................................................... iv
DAFTAR ISI .................................................................................................................... vii
DAFTAR TABEL ............................................................................................................... xi
DAFTAR GAMBAR .......................................................................................................... xii
DAFTAR GRAFIK ............................................................................................................. xiii
DAFTAR LAMPIRAN ....................................................................................................... xiv

BAB I PENDAHULUAN
  1.1. Latar Belakang ........................................................................................................ 1
  1.2. Identifikasi Masalah ................................................................................................. 13
  1.3. Rumusan Masalah .................................................................................................. 15
  1.4. Tujuan Penelitian .................................................................................................. 15
  1.5. Kegunaan Penelitian ............................................................................................. 15

BAB II KAJIAN PUSTAKA, KERANGKA PEMIKIRAN DAN HIPOTESIS
  2.1. Kajian Pustaka ....................................................................................................... 17
    2.1.1. Pengertian Bank .............................................................................................. 17
    2.1.2. Asas, Fungsi dan Tujuan Perbankan ............................................................. 18
    2.1.3. Jenis-jenis Bank ............................................................................................ 19
    2.1.4. Sumber Dana Bank ....................................................................................... 22
    2.1.5. Kinerja Keuangan Bank ............................................................................... 26
    2.1.6. Likuiditas Bank ............................................................................................. 28
2.1.6.1 Pengertian Likuiditas Perbankan .......................................................... 28
2.1.6.2 Alat Ukur Tingkat Likuiditas (Rasio Likuiditas) .................................. 29
2.1.7. *Loan to Deposit Ratio* (LDR) ............................................................. 31
   2.1.7.1. Pengertian LDR ............................................................................. 31
   2.1.7.2. Unsur-unsur Loan to Deposit Ratio .............................................. 33
2.1.8. Profitabilitas Bank ................................................................................. 34
   2.1.8.1. Pengertian Profitabilitas Perbankan ............................................. 34
2.1.9. *Return On Asset* (ROA) ................................................................. 38
   2.1.9.1. Pengertian ROA ........................................................................... 38
2.1.10. Pengaruh *Loan to Deposit Ratio* (LDR) terhadap ROA .................... 39
2.2. Penelitian Terdahulu .................................................................................. 41
2.3. Kerangka Pemikiran .................................................................................. 44
2.4. Paradigma Penelitian ................................................................................. 48
2.5. Hipotesis .................................................................................................... 48

BAB III OBJEK DAN METODE PENELITIAN
3.1. Objek Penelitian .......................................................................................... 49
3.2. Metode Penelitian dan Desain Penelitian ................................................. 49
   3.2.1. Metode Penelitian ............................................................................. 49
   3.2.2. Desain Penelitian ............................................................................. 51
3.3. Operasionalisasi Variabel .......................................................................... 52
3.4. Sumber dan Teknik Pengumpulan Data ..................................................... 53
   3.4.1. Sumber Data ..................................................................................... 53
   3.4.2. Teknik Pengumpulan Data ............................................................... 54
3.5. Populasi dan Sampel ................................................................................. 55
   3.5.1. Populasi ........................................................................................... 55
   3.5.2. Sampel ............................................................................................. 55
3.6. Rancangan Analisis Data dan Uji Hipotesis ............................................. 56
   3.6.1. Rancangan Analisis Data ................................................................. 56
   3.6.2. Analisis Deskriptif .......................................................................... 56

Indra Ayu Oktaviani, 2013
Pengaruh ukuiditas terhadap profitabilitas pada PT BANK BUMI ARTA TBK.
Universitas Pendidikan Indonesia | repository.upi.edu
3.6.3. Analisis Statistik .......................................................... 57
3.6.3.1. Uji Asumsi Klasik .................................................. 58
3.6.3.2. Koefisien Korelasi Product Moment ....................... 60
3.6.3.3. Analisis Regresi Linear Sederhana .......................... 61
3.6.3.4. Koefisien Determinasi ........................................... 62
3.6.4. Uji Hipotesis ............................................................. 62

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1. Hasil Penelitian ........................................................................ 64
4.1.1. Gambaran Umum PT Bank Bumi Arta Tbk ...................... 64
4.1.1.1. Profil PT Bank Bumi Arta Tbk .................................. 64
4.1.1.2. Produk dan Layanan Bank Bumi Arta ....................... 66
4.1.2. Hasil Analisis Deskriptif ................................................. 67
4.1.2.1. Deskripsi Likuiditas pada PT Bank Bumi Arta Tbk .......... 67
4.1.2.2. Deskripsi Profitabilitas pada PT Bank Bumi Arta Tbk .... 73
4.1.3. Analisis Data Statistik ...................................................... 77
4.1.3.1. Analisis Statistik Deskriptif ...................................... 78
4.1.3.2. Uji Asumsi Klasik ..................................................... 79
4.1.3.3. Analisis Koefisien Korelasi Product Moment ............... 83
4.1.3.4. Analisis Regresi Linear Sederhana ............................ 85
4.1.3.5. Analisis Koefisien Determinasi ................................. 86
4.1.3.6. Uji Hipotesis ............................................................ 87
4.1.3.6.1. Uji t (Uji Parsial) ................................................... 87
4.2. Pembahasan Hasil Penelitian .................................................. 88
4.2.1. Gambaran Likuiditas (LDR) pada PT Bank Bumi Arta Tbk .... 88
4.2.2. Gambaran Profitabilitas (ROA) pada PT Bank Bumi Arta Tbk .. 89
4.2.3. Pengaruh Likuiditas (LDR) terhadap Profitabilitas (ROA) pada PT Bank Bumi Arta Tbk .................. 90
4.3. Pembahasan Hasil Penelitian .................................................. 91
4.3.1 Pengaruh Likuiditas (LDR) terhadap Profitabilitas (ROA) pada PT
Bank Bumi Arta Tbk .................................................................................. 91

BAB V KESIMPULAN DAN SARAN
5.1. Kesimpulan .......................................................................................... 94
5.2. Saran ..................................................................................................... 96

DAFTAR PUSTAKA ....................................................................................... 98
LAMPIRAN-LAMPIRAN
DAFTAR TABEL

Tabel 1.1. Perkembangan Kinerja Bank Umum Swasta Nasional Devisa ............................... 3
Tabel 1.2. Perbandingan ROA pada Bank Bumi Arta Tbk dengan Rata-rata Industri Perbankan Indonesia Tahun 2008 - 2012 ........................................ 6
Tabel 1.3. Perubahan ROA Bank Bumi Arta Tbk Tahun 2008 - 2012 ................................. 8
Tabel 1.4. Perubahan LDR Bank Bumi Arta Tbk Tahun 2008 - 2012 ................................. 11
Tabel 3.1. Operasionalisasi Variabel Penelitian ................................................................... 53
Tabel 3.2. Nilai Koefisien Korelasi ..................................................................................... 61
Tabel 4.1. Perubahan LDR Bank Bumi Arta Tahun 2008 - 2012 ..................................... 69
Tabel 4.2. Perubahan ROA Bank Bumi Arta Tahun 2008 - 2012 ................................. 74
Tabel 4.3. Descriptive Statistics ......................................................................................... 78
Tabel 4.4. Hasil Uji Multikolinearitas ............................................................................... 81
Tabel 4.5. Hasil Uji Autokorelasi ...................................................................................... 82
Tabel 4.6. Hasil Uji Korelasi Product Moment ................................................................. 84
Tabel 4.7. Tabel Koefisien Regresi .................................................................................... 85
Tabel 4.8. Hasil Koefisien Determinasi ............................................................................ 86
Tabel 4.9. Hasil Uji T (Uji Parsial) ................................................................................... 87
DAFTAR GAMBAR
