BAB I PENDAHULUAN

1.1 Latar Belakang Masalah ..............................................................................................1
1.2 Identifikasi dan Rumusan Masalah ...........................................................................6
1.3 Tujuan Penelitian ......................................................................................................7
1.4 Manfaat Penelitian ....................................................................................................7
   1.4.1 Segi Teoritis ........................................................................................................8
   1.4.2 Segi Praktis .........................................................................................................8
1.5 Sistematika Penulisan Skripsi ..................................................................................9

BAB II KAJIAN PUSTAKA

2.1 Kontrol Diri Remaja .................................................................................................10
   2.1.1 Pengertian Kontrol Diri ..................................................................................10
   2.1.2 Pengertian Remaja .........................................................................................12
   2.1.3 Konsep Kontrol Diri Remaja ..........................................................................13
   2.1.4 Faktor-faktor yang Memengaruhi Kontrol Diri .............................................14
   2.1.5 Ciri-ciri Kontrol Diri .......................................................................................15
   2.1.6 Fungsi-fungsi Kontrol Diri .............................................................................16
BAB III METODE PENELITIAN

3.1 Desain Penelitian ..................................................................................................32
3.2 Populasi dan Sampel Penelitian ........................................................................33
3.3 Definisi Operasional Variabel ............................................................................34
3.4 Instrumen Penelitian ..........................................................................................34
    3.4.1 Spesifikasi Instrumen Kontrol Diri .................................................................34
    3.4.2 Teknik Skoring ...............................................................................................34
3.5 Kisi-kisi Instrumen Kontrol Diri .........................................................................35
3.6 Kategorisasi Tingkat Kontrol Diri ........................................................................36
3.7 Uji Validitas Instrumen .......................................................................................37
3.8 Uji Reliabilitas Instrumen ...................................................................................38
3.9 Prosedur Penelitian ............................................................................................39
3.10 Validitas Rancangan Program Bimbingan dan Konseling ..................................40
3.11 Teknik Analisis Data ........................................................................................41

BAB IV TEMUAN DAN PEMBAHASAN

4.1 Gambaran Umum Kontrol Diri .........................................................................42
    4.1.1 Gambaran Umum Tingkat Kontrol Diri ........................................................42
    4.1.2 Perbandingan Kontrol Diri Berdasarkan Jenis Kelamin .................................48
4.2 Rancangan Program BK untuk Meningkatkan Kontrol Diri Peserta Didik ........51
BAB V KESIMPULAN DAN REKOMENDASI

A. Kesimpulan ...........................................................................................................62
B. Rekomendasi ...........................................................................................................62
