## BAB I PENDAHULUAN

- A. Latar Belakang Masalah .................................................. 1
- B. Rumusan Masalah .......................................................... 6
- C. Tujuan Penelitian .............................................................. 6
- D. Manfaat Penelitian ............................................................ 6
- E. Batasan Penelitian ............................................................. 7
- F. Struktur Organisasi Skripsi .................................................. 8

## BAB II LANDASAN TEORI

- A. Hakikat Motivasi Berprestasi ............................................... 9
- B. Hakikat Prestasi Olahraga .................................................. 16
- C. Hakikat Prestasi Akademik ..................................................... 22

## BAB III METODE PENELITIAN

- A. Metode Penelitian ................................................................. 32
- B. Lokasi Penelitian ................................................................. 33
- C. Populasi dan Sampel ............................................................. 33
- D. Desain Penelitian ................................................................. 34
- E. Instrumen Penelitian ............................................................. 36
- F. Uji Coba Instrumen Penelitian ............................................... 39

## BAB IV HASIL PENELITIAN DAN PEMBAHASAN

- A. Hasil Pengolahan dan Analisis data .......................................... 46
- B. Diskusi Penemuan ................................................................. 51
BAB V KESIMPULAN DAN SARAN

A. Kesimpulan .................................................................................. 55
B. Saran .............................................................................................. 55
