LEMBAR PERNYATAAN ..................................................................................................ii
ABSTRAK ..........................................................................................................................iii
ABSTRACT ..........................................................................................................................iv
KATA PENGANTAR ..............................................................................................................v
UCAPAN TERIMA KASIH .....................................................................................................vi
DAFTAR ISI ........................................................................................................................ix
DAFTAR TABEL ..................................................................................................................xii
DAFTAR GAMBAR .............................................................................................................xiii
DAFTAR LAMPIRAN ............................................................................................................xiv

BAB I PENDAHULUAN ........................................................................................................1
1.1 Latar Belakang Masalah ..................................................................................................1
1.2 Identifikasi dan Perumusan Masalah ............................................................................7
1.3 Tujuan Penelitian .........................................................................................................8
1.4 Kegunaan Penelitian .....................................................................................................9

BAB II KAJIAN PUSTAKA, KERANGKA PEMIKIRAN DAN HIPOTESIS ......................10
2.1 Kajian Teori ..................................................................................................................10
  2.1.1 Konsep Media Pembelajaran ..................................................................................10
    2.1.1.1 Pengertian Media Pembelajaran .................................................................10
    2.1.1.2 Nilai dan Manfaat Media Pembelajaran ....................................................10
    2.1.1.3 Macam-macam Media Pembelajaran ........................................................12
    2.1.1.4 Kriteria Pemilihan Media Pembelajaran .....................................................12
    2.1.1.5 Peran Media Pembelajaran .......................................................................13
  2.1.2 Konsep Motivasi Belajar ........................................................................................14
    2.1.2.1 Pengertian Motivasi Belajar .....................................................................14
    2.1.2.2 Fungsi Motivasi Belajar ..........................................................................15
    2.1.2.3 Faktor-Faktor yang Mempengaruhi Motivasi Belajar .................................16
    2.1.2.4 Indikator Motivasi Belajar ........................................................................16

Inesa Tri Mahardika Pratiwi, 2018
PENGARUH MEDIA PEMBELAJARAN DAN MOTIVASI BELAJAR TERHADAP PRESTASI BELAJAR SISWA KELAS X PADA MATA PELAJARAN PRODUKTIF KOMPETENSI KEAHLIAN ADMINISTRASI PERKANTORAN DI SMK BINA WISATA
LEMBANG universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
2.1.3 Konsep Prestasi Belajar ................................................................. 17
  2.1.3.1 Pengertian Prestasi ................................................................. 17
  2.1.3.2 Pengertian Belajar ................................................................. 18
  2.1.3.3 Pengertian Prestasi Belajar ....................................................... 18
  2.1.3.4 Teori – Teori Belajar ............................................................... 19
  2.1.3.5 Prinsip – Prinsip Belajar ........................................................ 21
  2.1.3.6 Indikator Prestasi Belajar ......................................................... 24
  2.1.3.7 Faktor – Faktor yang Mempengaruhi Prestasi Belajar ............ 28
  2.1.4 Penelitian Terdahulu .................................................................. 29
  2.1.5 Kerangka Berfikir ...................................................................... 34
  2.1.6 Hipotesis ................................................................................. 36

BAB III METODE DAN DESAIN PENELITIAN ............................................. 37
  3.1 Objek Penelitian ........................................................................ 37
  3.2 Metode Penelitian ..................................................................... 37
  3.3 Desain Penelitian ...................................................................... 38
    3.3.1. Operasionalisasi Variabel Penelitian ........................................ 38
    3.3.2. Populasi .............................................................................. 44
    3.3.3. Sumber Data ........................................................................ 44
    3.3.4. Teknik dan Alat Pengumpulan Data ........................................ 45
    3.3.5. Pengujian Instrumen Penelitian ............................................. 46
      3.3.5.1 Uji Validitas .................................................................... 46
      3.3.5.2 Uji Reliabilitas ................................................................. 50
    3.3.6. Pengujian Persyaratan Analisis Data ....................................... 51
      3.3.6.1 Uji Homogenitas ............................................................. 52
      3.3.6.2 Uji Linieritas ................................................................ 53
    3.3.7. Teknik Analisis Data ............................................................ 55
    3.3.8. Pengujian Hipotesis ............................................................. 59

BAB IV HASIL PENELITIAN DAN PEMBAHASAN ..................................... 61
  4.1 Hasil Penelitian .......................................................................... 61
    4.1.1 Deskripsi Variabel Hasil Penelitian ........................................ 61
      4.1.1.1 Deskripsi Variabel Media Pembelajaran (X1) ................... 61
      4.1.1.2 Deskripsi Variabel Motivasi Belajar (X2) ......................... 65

Inesa Tri Mahardika Pratiwi, 2018
PENGARUH MEDIA PEMBELAJARAN DAN MOTIVASI BELAJAR TERHADAP PRESTASI BELAJAR SISWA KELAS X PADA MATA PELAJARAN PRODUKTIF KOMPETENSI KEAHLIAN ADMINISTRASI PERKANTORAN DI SMK BINA WISATA
LEMBANG universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
4.1.1.3 Deskripsi Variabel Prestasi Belajar (Y) ................................................................. 68
4.1.2 Pengujuan Persyaratan Analisis Data ........................................................................... 71
  4.1.2.1 Uji Homogenitas ........................................................................................................... 71
  4.1.2.2 Uji Linieritas ................................................................................................................ 73
4.1.3 Pengujuan Hipotesis Penelitian ..................................................................................... 74
  4.1.3.1 Uji Hipotesis Media Pembelajaran Terhadap Prestasi Belajar ................................. 74
  4.1.3.2 Analisis Regresi Sederhana Media Pembelajaran Terhadap Prestasi Belajar .............. 76
  4.1.3.3 Uji Hipotesis Motivasi Belajar Terhadap Prestasi Belajar ........................................... 77
  4.1.3.4 Analisis Regresi Sederhana Motivasi Belajar Terhadap Prestasi Belajar ..................... 80
  4.1.3.5 Uji Hipotesis Media Pembelajaran dan Motivasi Belajar terhadap Prestasi Belajar Siswa 81
4.2 Pembahasan ...................................................................................................................... 84
  4.2.1 Analisis Media Pembelajaran........................................................................................ 84
  4.2.2 Analisis Motivasi Belajar .............................................................................................. 86
  4.2.3 Analisis Prestasi Belajar ................................................................................................ 87
  4.2.4 Pengaruh Media Pembelajaran terhadap Prestasi Belajar Siswa ................................. 89
  4.2.5 Pengaruh Motivasi Belajar Terhadap Prestasi Belajar Siswa .......................................... 90
  4.2.6 Pengaruh Media Pembelajaran dan Motivasi Belajar terhadap Prestasi Belajar Siswa ...... 92
BAB V KESIMPULAN DAN SARAN ......................................................................................... 94
  3.1 Kesimpulan ...................................................................................................................... 94
  3.2 Saran ............................................................................................................................... 95
