## PREFACE

Alhamdulillahirobbil'aalamiin, all praise is due to Allah Swt. who has blessed me with health, strength, and patience to finish this paper entitled "Morphological Awareness of Indonesian Kindergarten Children Aged 5-6: A Case of Reduplication".

This paper is submitted as a partial fulfillment of the requirements for *Sarjana Sastra* Degree in the Department of English Education, Faculty of Language and Literature Education, Indonesia University of Education.

However, this research paper may be far from being perfect although I have done my best in the process of writing and finishing it. Hence, the writer appreciates readers who give valuable comments, suggestions, and criticisms in concerning this research paper. The writer also hopes that this paper can give contribution to readers who have the same interest in morphological awareness.

## ACKNOWLEDGEMENTS

My sincere gratefulness is to Allah Swt., the Almighty who has blessed me with knowledge, strength, and courage to finish this research paper. I also would like to thank those who have given precious motivation and inspiration along the process of making this research paper. I definitely could not accomplish this paper without their supports.

Firstly, I would like to convey my sincere gratitude to Mr. Eri Kurniawan, M.A., Ph.D., as my supervisor who is overwhelmingly encouraging and at the same time my best critic. I am genuinely grateful for his priceless time and knowledge to guide me through the process to finish my research paper.

Nobody has been more important to me in the pursuit of this research paper than the members of the family. I would like to thank my beloved Ibu Liris Raspatiningrum, Bapak Dedi Rohendi, and Ade Shafa Rihadatul Aisy, who have been giving me eternal love, guidance, and prayers in whatever I pursue. I am also thankful to my big family in Buah Batu and Sariwangi for always being supportive.

I am also truly happy to have Maghfira as my research and discussion best mate. I thank you for your warm-hearted friendship, help, and patience. I am also grateful to have met Farida, Rifa, Hera, and Windi in my college life. Thank you for always staying by my side throughout my ups-and-downs.
