BAB I PENDAHULUAN

1.1 Latar Belakang Penelitian...................................................................................1

1.2 Identifikasi Masalah..............................................................................................1

1.3 Batasan Masalah...................................................................................................3

1.4 Rumusan Masalah................................................................................................3

1.5 Tujuan Penelitian................................................................................................4

1.6 Manfaat Penelitian..............................................................................................4

1.6.1 Manfaat Praktis...............................................................................................5

a. Manfaat bagi guru.............................................................................................5

b. Manfaat bagi siswa............................................................................................5

c. Manfaat bagi peneliti.......................................................................................5

1.7 Anggapan Dasar..................................................................................................6

1.8 Definisi Operasional............................................................................................6

BAB II MEDIA TAYANGAN IKLAN LAYANAN MASYARAKAT DALAM

PEMBELAJARAN MENULISPUISI

2.1 Pengertian Puisi....................................................................................................7

2.1.1 Unsur-Unsur Puisi............................................................................................7

1. Unsur-Unsur Fisik Puisi.......................................................................................7

BAB III METODOLOGI PENELITIAN

3.1 Metode Penelitian.......................................................................................18

3.2 Sumber Data...................................................................................................18

3.2.1 Populasi.......................................................................................................19

3.2.2 Sampel..........................................................................................................19

3.3 Teknik Penelitian.............................................................................................20

3.3.1 Teknik Pengumpulan Data...........................................................................20

1. Tes.......................................................................................................................20

2. Observasi............................................................................................................20

3.3.2 Teknik Pengolahan Data.............................................................................20

3.4 Instrumen Penelitian.......................................................................................25

BAB IV ANALISIS DATA DAN PEMBAHASAN

4.1 Deskripsi Proses Penelitian.................................................................37

4.2 Deskripsi Hasil Tes Awal dan Tes Akhir Siswa Kelas Eksperimen dan Kelas Kontrol........................................................................39

4.3 Analisis Hasil Tes..................................................................................63

4.3.1 Uji Reliabilitas Antarpersenimbang Data Nilai Tes Awal (Prates) Kelas Eksperimen.................................................................63

4.3.2 Uji Reliabilitas Antarpersenimbang Data Nilai Tes Akhir (Pascates) Kelas Eksperimen.................................................................67

4.3.3 Uji Reliabilitas Antarpersenimbang Data Nilai Tes Awal (Prates) Kelas Kontrol.................................................................................70

4.3.4 Uji Reliabilitas Antarpersenimbang Data Nilai Tes Awal (Pascates) Kelas Kontrol.................................................................................73

4.3.5 Uji Normalitas Data Nilai Tes Awal (Prates) Kelas Eksperimen......76
4.3.6 Uji Normalitas Data Nilai Tes Awal (Pascates) Kelas Eksperimen...79
4.3.7 Uji Normalitas Data Nilai Tes Awal (Prates) Kelas Kontrol........83
4.3.8 Uji Normalitas Data Nilai Tes Awal (Pascates) Kelas Kontrol........87
4.3.9 Uji Hipotesis.................................................................91

4.4 Pembahasan Hasil Penelitian.................................................................93

4.4.1 Kemampuan Menulis Puisi Siswa Kelas Eksperimen Sebelum
       Menggunakan Media Elektronik Tayangan Iklan Layanan Masyarakat......................................................94
4.4.2 Kemampuan Menulis Puisi Siswa Kelas Kontrol Sebelum
       Menggunakan Media Cetak Iklan Layanan Masyarakat...............................................................................95
4.4.3 Kemampuan Menulis Puisi Siswa Kelas Eksperimen Sesudah
       Menggunakan Media Elektronik Tayangan Iklan Layanan Masyarakat.............................................................95
4.4.4 Kemampuan Menulis Puisi Siswa Kelas Kontrol Sesudah
       Menggunakan Media Cetak Iklan Layanan Masyarakat....................................................................................97
4.4.5 Signifikansi Penggunaan Media Elektronik Tayangan Iklan Layanan Masyarakat dalam Pembelajaran Menulis Puisi..............................98

BAB V KESIMPULAN DAN SARAN
5.1 Simpulan ...............................................................................................100
5.2 Saran........................................................................................................101
