DAFTAR ISI

ABSTRAK .......................................................................................................................... i
KATA PENGANTAR ........................................................................................................... ii
DAFTAR ISI .......................................................................................................................... v

BAB I PENDAHULUAN
A. LATAR BELAKANG ........................................................................................................ 1
B. PERUMUSAN MASALAH .............................................................................................. 8
C. TUJUAN PENELITIAN .................................................................................................. 8
D. BATASAN PENELITIAN .............................................................................................. 8
E. BATASAN ISTILAH ...................................................................................................... 8
F. MANFAAT PENELITIAN .............................................................................................. 9

BAB II KAJIAN PUSTAKA, KERANGKA PEMIKIRAN DAN HIPOTESIS PENELITIAN
A. KAJIAN PUSTAKA ....................................................................................................... 11
   1. Hakikat Pemahaman Pola-Pola Bermain Dalam Permainan Bola Tangan...11
   2. Hakikat Pendekatan Mengajar Dalam Pembelajaran Penjas ......................24
      a. Pendekatan Bermain .........................................................................................26
      b. Pendekatan Tradisional .................................................................................34
B. KERANGKA PEMIKIRAN ............................................................................................ 45
C. HIPOTESIS ............................................................................................................... 46

BAB III METODE PENELITIAN
A. METODE PENELITIAN .............................................................................................. 47
B. POPULASI DAN SAMPEL ......................................................................................... 48
C. DESAIN PENELITIAN ............................................................................................... 49
D. INSTRUMEN PENELITIAN ....................................................................................... 50
E. PELAKSANAAN PENELITIAN ................................................................................... 54
F. ANALISIS DATA ....................................................................................................... 55
BAB IV HASIL PENELITIAN DAN PEMBAHASAN

A. PEMAPARAN DATA .................................................................................. 59
   1. Hasil GPAI ......................................................................................... 59

B. PEMBAHASAN ......................................................................................... 60
   1. Nilai Rata-rata dan Simpangan Baku .............................................. 60
   2. Uji Normalitas .................................................................................. 65
   3. Uji Homogenitas ............................................................................. 68
   4. Uji Hipotesis .................................................................................... 69

C. DISKUSI PENEMUAN ............................................................................ 71

BAB V KESIMPULAN DAN SARAN

A. KESIMPULAN ......................................................................................... 74

B. SARAN ..................................................................................................... 74
