KATA PENGANTAR ............................................................................................................... iii
UCAPAN TERIMA KASIH ..................................................................................................... iv
DAFTAR ISI ........................................................................................................................... vi

BAB I PENDAHULUAN ........................................................................................................ 1
1.1 Latar Belakang Masalah .................................................................................................. 1
1.2 Rumusan Masalah .......................................................................................................... 7
1.3 Tujuan Penelitian .......................................................................................................... 7
1.4 Manfaat Penelitian ....................................................................................................... 8
1.5 Struktur Organisasi ...................................................................................................... 9

BAB II KAJIAN PUSTAKA DAN LANDASAN TEORETIS ............................................. 10
2.1 Kajian Pustaka .............................................................................................................. 11
2.1.1 Negara dan Kedaulatan ............................................................................................. 11
2.1.2 Elemen Kekuatan Negara ......................................................................................... 16
2.2 Landasan Teoretis ......................................................................................................... 20
2.2.1 Teori Konflik ............................................................................................................. 21
2.2.2 Teori Perang dan Diplomasi Negara ......................................................................... 26
2.2.2.1 Teori Perang ......................................................................................................... 26
2.2.2.2 Teori Diplomasi Negara ...................................................................................... 29
2.2.3 Teori Trinitas Angkatan Laut .................................................................................. 31

BAB III METODE PENELITIAN ...................................................................................... 34
3.1 Persiapan Penelitian ..................................................................................................... 36
3.1.1 Pemilihan Topik Penelitian ...................................................................................... 36
3.1.2 Penyusunan Rancangan Penelitian ........................................................................ 37
3.1.3 Mengurus Perizinan ................................................................................................. 38
3.1.4 Mempersiapkan Perlengkapan Penelitian ........................................... 39
3.1.5 Proses Bimbingan ............................................................................. 39
3.2 Pelaksanaan Penelitian ........................................................................ 40
  3.2.1 Pengumpulan Sumber (Heuristik) .................................................... 40
  3.2.2 Verifikasi (Kritik Sejarah) ................................................................. 44
  3.2.3 Interpretasi (Penafsiran Sumber) ....................................................... 49
3.3 Penulisan (Laporan Hasil Penelitian) ................................................... 50

BAB IV PERJUANGAN ANGKATAN LAUT REPUBLIK INDONESIA
(ALRI) DALAM PEMBEBASAN IRIAN BARAT ........................................ 53
4.1 Latar Belakang Permasalahan Irian Barat .............................................. 53
  4.1.1 Kondisi Fisik Irian Barat ................................................................. 53
  4.1.2 Status Irian Barat Bagi Indonesia dan Belanda ................................. 56
  4.1.3 Meruncingnya Masalah Irian Barat ............................................... 60
4.2 Usaha-Usaha Penyelesaian Masalah Irian Barat .................................. 63
  4.2.1 Perundingan bilateral ..................................................................... 63
  4.2.2 Upaya Penyelesaian dalam Forum Internasional .......................... 64
