Look What You Made Me Do

Taylor Swift

I don't like your little games
Don't like your tilted stage
The role you made me play
Of the fool, no, I don't like you
I don't like your perfect crime
How you laugh when you lie
You said the gun was mine
Isn't cool, no, I don't like you (oh!)

But I got smarter, I got harder in the nick of time
Honey, I rose up from the dead, I do it all the time
I've got a list of names and yours is in red, underlined
I check it once, then I check it twice, oh!

Ooh, look what you made me do
Look what you made me do
Look what you just made me do
Look what you just made me
Ooh, look what you made me do
Look what you made me do
Look what you just made me do
Look what you just made me do

I don't like your kingdom keys
They once belonged to me
You ask me for a place to sleep
Locked me out and threw a feast (what!?)
The world moves on, another day, another drama, drama
But not for me, not for me, all I think about is karma
And then the world moves on, but one thing's for sure (sure)
Maybe I got mine, but you'll all get yours

But I got smarter, I got harder in the nick of time (nick of time)
Honey, I rose up from the dead, I do it all the time (I do it all the time)
I've got a list of names and yours is in red, underlined
I check it once, then I check it twice, oh!

Ooh, look what you made me do

End Game

Taylor Swift

I wanna be your endgame
I wanna be your first string
I wanna be your A-Team
I wanna be your endgame, endgame

Big reputation, big reputation
Ooh you and me we got big reputations, ah
And you heard about me, ooh
I got some big enemies

Big reputation, big reputation
Ooh you and me would be a big conversation, ah
And I heard about you, ooh
You like the bad ones too

You so dope, don't overdose
I'm so stoked, I need a toast
We do the most
I'm in the Ghost like I'm whippin' a boat
I got a reputation girl, that don't precede me
I'm one call away, whenever you need me
I'm in a G5
Come to the A side
I got a bad boy persona that's what they like
You love it
I love it too 'cause you my type
You hold me down and I protect you with my life

I don't wanna touch you (I don't wanna be)
Just another ex-love (You don't wanna see)
I don't wanna miss you (I don't wanna miss you)
Like the other girls do
I don't wanna hurt you (I just wanna be)
Drinkin' on a beach with (You all over me)
I know what they all say (I know what they all say)
But I ain't tryna play

I wanna be your endgame
I wanna be your first string
I wanna be your A Team
I wanna be your endgame, endgame

Knew her when I was young
Reconnected when we were little bit older
Both sprung, I got issues and chips on both of my shoulders
Reputation precedes me, in rumors I'm knee deep
The truth is it's easier to ignore it, believe me
Even when we'd argue, we don't do it for long
And you understand the good and bad, end up in the song
For all your beautiful traits, and the way you do it with ease
For all my flaws, paranoia, and insecurities
I've made mistakes, and made some choices that's hard to deny
After the storm, something was born on the fourth of July
I've passed days without fun, this endgame is the one
With four words on the tip of my tongue, I'll never say

I don't wanna touch you (I don't wanna be)
Just another ex-love (You don't wanna see)
I don't wanna miss you (I don't wanna miss you)
Like the other girls do
I don't wanna hurt you (I just wanna be)
Drinkin' on a beach with (You all over me)
I know what they all say
But I ain't tryna play

I wanna be your endgame
I wanna be your first string
I wanna be your A Team
I wanna be your endgame, endgame

Big reputation, big reputation
Ooh you and me we got big reputations, ahh
And you heard about me, ooh
I got some big enemies

Big reputation, big reputation
Ooh you and me would be a big conversation, ahh
And I heard about you, ooh
You like the bad ones too

I hit you like bang
We tried to forget it, but we just couldn't
And I bury hatchets but I keep maps of where I put 'em
Reputation precedes me, they told you I'm crazy
I swear I don't love the drama, it loves me
And I can't let you go, your hand print's on my soul
It's like your eyes are liquor, it's like your body is gold

You've been calling my bluff on all my usual tricks
So here's the truth from my red lips

I wanna be your endgame
I wanna be your first string
I wanna be your A Team
I wanna be your endgame, endgame

I wanna be your endgame
I wanna be your first string
I wanna be your A Team
I wanna be your endgame, endgame

This ain't for the best
My reputation's never been worse, so
You must like me for me
We can't make
Any promises now, can we, babe?
But you can make me a drink

Dive bar on the East Side, where you at?
Phone lights up my nightstand in the black
Come here, you can meet me in the back
Dark jeans and your Nikes, look at you
Oh damn, never seen that color blue
Just think of the fun things we could do
'Cause I like you

This ain't for the best
My reputation's never been worse, so
You must like me for me
Yeah, I want you
We can't make
Any promises now, can we, babe?
But you can make me a drink

Is it cool that I said all that?
Is it chill that you're in my head?

Handsome, your mansion with a view
Do the girls back home touch you like I do?

APPENDIX 4 STUDENTS' WRITINGS

FIRST MEETING

STUDENT 1

Tuesday, April 25 th 2018.
Look what You Made Me Do - Taylor Swift
From the title of the song itself: "Look what You Made Me Do" I think this means that she has changed because of something that someone did to her. And by seeing how proud she announced it to the public, I believe the change has made her a better person. Because if it doesn't, she won't be that proud in announcing it.
Whatever that someone did to her must be very mean. I know it judging from the lyrics which sound: "the role you made me play of the fool, now you laugh when you lie, you said the gun war mine, and many other." It is no surprise how she hate that person.
I guess she also holds a grudge on that person. You can see it from this line: "I've got a list of names and yours is in red, underlined" She'll do any thing to satisfy her anger to that person, even if she have to do it with no help from other people.

STUDENT 2

LOOK what you made Me Do
by : Taylor Swift.

I think the purpose of this song is to tell about her experience ^{in the past} when she was child, she once being a victim of bullying. Since she schooled at Elementary School, she had become a victim of bullying. When she got a bullying, she always writed the song. she did that, ^{Because} ^{it can} express out her feeling ^{from any problem}. After writed the song she can feel better. "Because of her patient, she can pass trought that hard time." Even though she got a bullying when she was a child, but she can prove that she can be a success singer. "Beside that, I think ¹⁰⁰ this song is tell us about ^{her} haters behaviour ^{to Taylor Swift} that can make Taylor Swift more passion for make more success for her sing album." ¹²³ Because of her haters insulting for every song that she was write, she can be a success singer like now.

STUDENT 3

Look What You Made Me Do - Taylor Swift

This song is written based on Taylor Swift's past experience from what I can get from the lyrics. I can remember Taylor Swift often get bullied so absolutely there is a chance she had many haters when she became a singer. That way I think this song has a deepful meaning for her haters. Through this song Taylor Swift tell her haters about what they made Taylor Swift do. Taylor work harder and harder to prove her haters that she is a talented, singer. But her haters keep insulting her even more harder. With full of her patience, she didn't feel tired. Taylor work harder and harder once again. Then the haters keep insulting her even more harder than the previous time. That is why Taylor didn't trust anybody and nobody didn't trust her like the lyrics said. Through this song I can understand Taylor feeling about what she had trought and feeling to her haters. Taylor got smarter so ^{now} ^{believe she} Taylor had more passion to make her haters admit her talent.

STUDENT 4

After I heard and sang "Look What You Made Me Do" (Taylor Swift). And I'm so joyful, because the song is very make me happy. So I'm dancing.

The direction of this song is herself and helped by Jack Antonoff & Richard Fairbass. This song realised at August 24th 2017. And this song is first single of Reputation Album.

The mean of the song is she assumed that her stories together her ex is finished. And many people assumed that she have been disappointed with something someone has done to her. And she think "I'm not the old me"

In that videoclip, I think that she's glamour, lux, and sexy. She is actres, singer and song writer. This song is the favorite song of me. I like this song who make this song EDM and pop.

This song, "What Look made you me do" has popularitied and lover to everybody. This song very famous and spread to almost all countries from the American continent to the africlan continent. Taylor Swift make a new revolution of songs.

STUDENT 5

Look What You Made Me Do.

3 April 2018

This song is good, if you want to hear it. The song can make you unconfusion. Because, this song is a moodbooster. The singer is a girl the name is Taylor Swift. Maybe, this song also tells Taylor Swift's ex and tells that Taylor Swift is not the old her. And maybe, this song tells us about Taylor's career history. When she started her career, there's no one trust her. But she doesn't and never surrender. Taylor rose up and she does it all the time. She wants to show the world she can, she can be a star. She also wants to tell the people that didn't trust her. Now, she can prove her words. Now she is an actress and a big star. She isn't the old Taylor Swift.

STUDENT 6

Hi! I want to write about Taylor Swift lately, she released a new song. The title is Look What You Made Me Do. Everyone certainly know this song or even listened it because Taylor Swift is a famous Singer in the World. She is a good singer, song writer, and an actress. Now I want to write my preception about this song. From the title we immediately know that this song is portray various issues that built her reputation. This song is very catchy because the genre is dance-pop and electro pop. I think this song is for her ex-boyfriend, Kanye West. But the lyric was noted as being a darker, angrier work than what Taylor Swift had done before, for her haters too. In this video clip we saw many scene about rebellion, anger, scornful from Taylor Swift to haters. And I think this video clip is very horror and make tense.

STUDENT 7

This song tell about story of Taylor's life. That I caught from this song is She tell about someone that she doesn't like, such as her ex or her haters. Someone who told by this song was lie to her, but it isn't make her down. It is make her smarter and harder in the nick of time. So in the reff of song, she said "Look what you made me do", it's mean "look, you make me better now."

Taylor Swift looks many dramas in this world happened day by day. But she doesn't want spend her life with drama, because she thought about karma. She believed if she did her best, she will get what she want.

STUDENT 8

LOOK WHAT YOU MADE ME DO - TAYLOR SWIFT
Look what you made me do is a song recorded by American Singer-songwriter Taylor Swift, released on August 24 th , 2017 from her sixth studio album Reputation. She wrote the song with her producer Jack Antonoff. ¹⁶
Personally, I think this song is Taylor Swift's conscience. Since on the song's lyric she wrote that she doesn't like "the role you made me play." Though I don't know whom she talked ^{to} . Maybe the song contains about her complaints to her manager / agency. ¹⁷ (or maybe even her fans)
But she got smarter now , she's not as fool as her old self now. Taylor thought the world moves on and each day people make another drama. But not for her because all she thinks about is karma, and she will get hers and people will get theirs. ¹⁷
Taylor doesn't trust nobody and nobody trusts her. ¹⁸ And on the lyric, Taylor kept repeating that she's not her old self. Her old self is dead and she rises up from the dead and now being her present self. ¹⁶ (* giving a mean that she surrounds herself with fake friends) 181

My perception about Taylor Swift's song called "Look What You Just Made Me Do" that is she writes this song from her story or experience. From her story about ex-boyfriend, she maybe had an bad experience with him, so she writes ~~an~~ a lyric about it and in her ~~an~~ official video clip, there was a part that ~~some~~ in the video where ~~an~~ a car just got ~~an~~ car accident. Maybe this part, gives us a clue about what she want to tell to us. In the lyric too, Taylor Swift said "I'm sorry, the old Taylor Swift can't come to the phone"
"Why?"
"Oh, cause she's dead"

From the lyrics, I believe ~~that~~ that is in 1 time, maybe Taylor Swift heard about her death because the car accident or from her hates that say, ~~she~~ Right now, she is not famous anymore". So, she maybe writes that lyrics from her experience. This only just my opinion. In the video clip too, there was a part that, Taylor Swift, has a snake in her hand. I ever read an article, that 1 time many ~~of~~ of her fans or hates called her snake. ~~Alright~~, that's only my opinion. I know it's bad but I hope they not bully me again.

- Taylor Swift.

In my opinion, ~~this song is~~ or for what I know, this song, 'Look what you made me do' is a song that written by Taylor Swift who made this song for her haters / people who don't like them. From what I read, several artist doesn't like Taylor Swift that much. Some of them were hate ~~and~~ her.

Rumors says that Kanye West is ~~is~~ hate her that much because there was an incident when Taylor Swift won the Grammy's, Kanye speak up ~~and~~ said that Taylor has no right to win.

Kanye said that Adele is more deserved to win. Some of them say that in the movie video clip of Look what you made do, Taylor offend some people who hated her, like Katy Perry, Calvin Harris, and others. Like the scene of car crashing to a pole and Taylor dressed up like Katy Perry and the car's Taylor used is like the ~~is~~ one in the Katy Perry's Movie Video Clip. There are ~~the~~ scene of Taylor ~~and~~ Stoker for Kanye West that said Taylor Swift

I think that Taylor Swift's Song titled "Look what You Made Do." have a few meaning. The song genre is pop. The first meaning is that this song is for Taylor Swift's ex boyfriend and said that her ex made her into what she is now become. The second meaning ~~is~~ from the song is she is showing that she is not the old her and she has changed to be a better person. The third meaning is the song shows that Taylor Swift's hater only made her stronger and better at making songs and being an artist. The song is a single from the album "Reputation." The song is released on ~~the~~ August 24th 2017. The song itself

is written by Taylor Swift herself. The music video is directed by Joseph Kahn. The video is 3:31 long. The video on YouTube became the most viewed video on YouTube in 24 hours and became the most played song on Spotify. On the radio it became no.1 in Australia, Canada, Croatia, Czech, Ireland, Israel, Lebanon, Malaysia, Netherlands, Philippines, Slovakia, UK and USA. The song received Double Platinum certificate in Canada and Platinum certificate in USA and Australia.

Look what you made me do by Taylor Swift.

I think this song has a lot of meaning. Maybe, I think Taylor Swift wrote this song for her friend who doesn't like her personality, her successful career, or something like her story in the past. The scene in "Look what you made me do" video clip also has a meaning. Like there is a stone grave in the opening video. This Taylor Swift song, with the title "Look what you made me do" is a first single on her album "Reputation" that was released in 2017. The fact, in this song, the video clip has a lot of the story of her life in the past and present. As we know, Taylor Swift has a lot of fans. Many people like her work, her song, but there are many people who don't like Taylor Swift too. But this song still gets a good response from her fans. This song immediately became famous in a short period of time.

End Game - Taylor Swift

End Game by Taylor Swift is another song of Taylor Swift in her newest album "Reputation". In this song, she sings it with Future - a rapper - and Ed Sheeran. Sure Ed's part might not be too long, but I have quite an interest in it.

Ed himself takes the turn to sing to the woman he's interested in. They met when they were young and they were so close back then. But since they get older, their connection somehow took off. He tried to reconnect with her though, it's just there were some big stuff named reputations that made the process not going really smoothly. He has to face these things that came along with reputation, which are: rumors, and truth that is easier to ignore.

This reconnection thing makes Ed realize how precious his woman is. They are happy together and never argue for too long. For him, the woman is a perfect creature with beautiful traits, while he is a mistake (because of the heavy burden that can affect their relationship) in spite of it, Ed didn't see their relationship as a mistake as well. Even though he had his share of difficult days, he views that woman as his "end

game" and even mentions "four words on the tip of my tongue". It refers to "Will you marry me", means Ed is serious about their relationship. But the fact that he is still nervous make him end up "never saying it".

End game .
by : Taylor swift.

End game is one single of Reputation. In this album, can be said that Taylor swift has opened the true personality of her self. she doesn't restraint again with her label and her rival. Of course it's because rebranding the new image for Taylor swift. The reputation is describe about her ex boyfriend that can made a bad reputation for her. It can be seen from the one song in this album "look what you made me do". According to sources this song is aimed to Kanye west. At the time, she was considered to be a vipers by the netizen. Beside that, she wrote the song "End game" in here she want to give some message for audience, that she want to continued her relationship with Joe Alwyn. until the end. It's supported by the fact, that they still defend their relationship until now.

STUDENT 3

According to sources "end game" has 2 theories. The first, maybe this song is about Ed sheeran and his fiancée. It's a bit wierd but the contents of the song is like Ed sheeran story. The second teorif says that this song is for Joe Alwyn. In the album reputation there's so many single which is shown for Joe Alwyn. like in her single, "Ready for it" with the lyrics, "some boys are tryin too hard, he don't try at all, though, younger than my eyes but he act like such a man, so," Actually in this album Taylor wrote for many people, like her ex, rival and boyfriend. The singles in this album contains about her life story which a few of her singles contains rebellion and satire. Like look what you made me do, Delicate, get away car, and many more. Different from the previous album, this album shows the hard life of Taylor which effect Taylor to be the most disadvantaged. This album can be said as a chapter to open her true identity. Not more an American Sweetheart but a bright, glamorous and independent impression.

End game"

↳ End-game is meaning of commonly used word in most fandoms. Used by some to describe their favourite ship. In her videoclip, could showed 3 countries. And his best friends are there. And she, Taylor Swift, show in her lyric "I wanna be your end game" That meaning is they will be together forever and ever, and they will be together until infinity. And can also describe the playing done by people who have reached the maximum progression and/or the most advanced content currently available. The end game can also meaning by they belong together and will be each other's last loves. The end game can also meaning the desirable outcome of a one or a series of acts. Or can also defining that the stage of a game after major reduction of forces and final stage of some action or process. But any different opinion about "End Game" is Taylor Swift could be singing about two different. I Dk its yours.

STUDENT 5

End Game.

I will response at Tokyo scene when Taylor Swift and Ed Sheeran drink alcohol. In the Tokyo scene, I see that young people looking for reputation. End Game is one of Reputation Albums. In the scene, there is Taylor Swift meet Ed Sheeran and they drink alcohol. I think that they is old friend that meet again in some place, because in the lyric's Ed Sheeran says "Knew her when I was young", "Reconnected when we were little bit older". I know, that Taylor Swift has Big Reputation, why? Because when she started her career, there's no one trust her. But she doesn't never surrender. Taylor rose up and she does it all the time. She wants to show that she can in the world. She can be a star. She also wants to tell the people that didn't trust her. Now, she can prove her words.

STUDENT 6

I wanna be your end game, I wanna be your first string

A music video from End Game - Taylor Swift we can hear a lyric "I wanna be your end game, I wanna be your first string". According to me that lyric can describe that Taylor Swift is better choose alone and doesn't want to in relationship with a guy. But, when she has a relationship with a famous guy, she got a big reputation too for her career, but she got a lot of enemies too.

Reputation is an album that contain this song. And from music video we can see that a lot of scenes show that she is like being alone and doesn't like with a guy. She is walk alone, stay in a building alone, she goes to beach alone, in a club she stay alone. But, although she likes alone, she wants to be the first string for someone she loves.

STUDENT 7

Response of "End Game"

From this song and the video clip, I caught some message. "Big reputation", that lyric illustrated by some place in different continent; Miami in America, Tokyo in Asia, and London in Europe. It mean that Taylor Swift is famous around the world, she has big reputation. Beside that, this lyric illustrated by a luxury yachts and sport car. From this video clip, maybe she want to show if she has wealth now, everything that she caught from her big reputation. But, at the lyric "I got some big enemies", it's mean that from her reputation, she also got many person that doesn't like her, like her hater or her rivals in entertainment world. As we know that Taylor Swift's "enemy" in entertainment world is Katy Perry. This song has satire message. I think so because at the video clip, there is scene shows "fire works". It is a single of Katy Perry. which relate to

STUDENT 8

In the Taylor Swift's song title End game, there's a lyric sounds "I can't let you go, your hand prints on my soul". It makes the listeners imagine that there's a hand even 'hold' the speaker's soul so she/he can't forget and let him/her go. It feels like someone can't leave the speaker's mind so she/he can't stop thinking that someone. Taylor uses the lyric to continue to develop her bad girl persona. She comes in hard to the relationship, but when it ends, she knows it'll be unforgettable.⁹² This "end game" song contains Taylor's feel when she has to play a role in a narrative the media has given her, but what she actually wants is being who she truly is. Because Taylor's image lately is kinda bad girl and dark. She tries to⁹³ express that she doesn't really like it through her songs' lyric.⁹⁴ But it sounds like she struggles and has no enthusiasm.

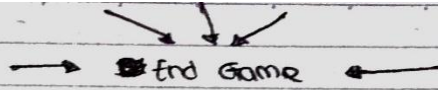

STUDENT 9

End Game

I wanna to give my opinion about a song called "End Game" by Taylor Swift

In this lyric, I found some sentence from the lyric that she repeated many times. That sentence is "Big Reputation", maybe she has a different meaning of it. And there is another sentence that maybe has a connection to it, that is "I got some big enemies." My opinion that is from that lyric is In Taylor Swift career maybe she has a problem with her reputation. I mean many singers has more reputation than her. And I also forget, in the video clip there was a scene about firework. If you recognized it, it has related to another song from the other singer. That is Katy Perry. Katy Perry ever released a song called firework and of course in the video clip there was so many explosion from a fireworks. In youtube, that video already reach 1 million views! But Taylor Swift too already reach 1 million views, but infact she gains more views in her videos! So why she created a scene about fireworks? My opinion that Katy Perry and Taylor Swift always gap each other, and from her biography (Taylor ~~Swift~~ Swift) she has a real best friend that is "Ed Sheeran" and "Future". What She say that Katy Perry has more fake friends, and that is her endgame for it. So that's it from me.

STUDENT 10

Taylor Swift.

I wanna enterprise the ~~text~~ ^{song} by the lyric.
 From the first lyric, "I wanna be your end game".
 "I wanna be your first string" meaning w, Taylor
 want to end ~~at~~ what she ~~has~~ has and maybe
 Taylor want to be the first string, Taylor's
 Tired of being second string. It can be for her
 boy-friend, producer, or anything else. And, next
 lyric "A-Team" meaning Taylor Swift's want
 to be part of the "A-Team", maybe A-team
 for her producer, or A-team means the special one.
 And Taylor put the "Big reputation" so many.
 maybe Taylor wanna tell her Swifties that
 she got or she has the big reputation, or
 someone made her got the "Big reputation".
 Let's take a look when Future rap shall we?
 He said, "Knew her when i was young", He tell
 us he knew Taylor from when she was young.
 He said "I've made mistakes, and made some
 choices that's hard to deny" and later he
 said "After the storm, something was born on

the fourth of July", I know it's silly but,
 after 3 paragraphs, Taylor said I hit
 you like bang, Bang sound of a firework?
 right? it's all make sense. and the
 MV end by Taylor do a pose in the
 London bridge with wedder ~~and~~ style
 like a snake. Katy perry's song Firework,
 bang, Katy perry's MV of Back horse,
 it a clopatria with snake. it all make
 sense: JD, that is my opinion about
 end game by Taylor Swift.

17th April 2018

In the Taylor Swift songs titled "End Game" there is a lyrics:

"Big reputation, big reputation

~~and~~ you and me we got big reputation

And you hear about me

I got some big enemies."

and then in the video it took place in 3 countries that is USA, Japan and UK so it's correlate with the lyrics that Taylor Swift has a big reputation in those country because she made many good songs and gathered enough attention and end up with big reputation. From that reputation made some people hate her. So some famous people become enemy with her. Also the songs is from the album "Reputation" so it also ~~can~~ explain why she wrote big reputation in the lyrics. The you in the songs maybe is Katy Perry so they are rivaling each other in term of songs and reputation

STUDENT 12

Taylor swift "end game"

I will tell about my respons about Taylor Swift's song with the title "endgame". I will respons a lyric "I don't wanna touch you, just another ex-love, I don't wanna miss you, like the other girls do".

I think, that lyric means if Taylor Swift who have a big reputation better if she life alone. Because on the video clip when that lyric, Taylor Swift look alone. So I think Taylor Swift better choose to alone than she must life with friend but infactly is her enemy. Because we know that she have a lot enemies because her big reputation. From this part, I can learn that no problem to alone, don't worry. It's better when we life alone than life with a lot of enemies.

THIRD MEETING

STUDENT 1

Taylor Swift's new song, 'Delicate' is hiding another reference in its music video. That's not a surprise since many of her songs, especially in the "Reputation" album are likely have a similarity in that aspect. It's another catchy song also, just like the other songs.

So, in music video, specifically at 0:19, we can see how Swift suddenly gets a blurry piece of paper. A mysterious man slipped it in Swift's hands in the middle of her red-carpet session. Once she reads it, a look of surprise mixed with confusion appeared on her face.

Apparently, at 1:05, Taylor Swift lost her visibility because of

this piece of paper. It wasn't a bad thing for her, in fact she looked happy since she can show her truest self now. She don't even have to bother about people's opinion about her.

I believe the mysterious man who gave the paper to Taylor Swift in the first place refers to Joe Alwyn, Taylor's boyfriend. She never felt judged by him despite what media and haters have to say about her life, her past, and decisions. She never have to worry about what he has heard before he met her, because Joe Alwyn is the perfect figure for her. He like Taylor just the way she is and soon become a person who will stand by her side, being her power in facing her mean world.

STUDENT 2

Delicate
by: Taylor Swift

Delicate is one single of her album, Reputation's. In this music video, we can see that Taylor Swift wearing a blue dress. Maybe, she want to tell us about her boyfriend named Joe Alwyn. At the fact, Joe Alwyn also has very blue eyes. Blue is the symbol of sadness. It's shown at the lyrics "My reputation's never been worse, Dark jeans and your nikes, never seen that colour blue." At the time, Joe Alwyn looks wearing dark jeans and nikes when he going out from his appartement. And also in this lyrics we can found that Joe Alwyn always loves her, although her reputation decreased in the public eye.

STUDENT 3

What I can see from the video clip is Taylor wearing a blue dress. The question is why should be blue not the other colors? Blue is representing a sadness feeling and it's a funny coincidence that Joe, Taylor's boyfriend has a blue eye colored. The lyrics "my reputation's never been worse, so you must like me for me"..... "Oh damn, never seen that color blue." Well, since Taylor dating Joe, her reputation decreased. So it's become related why Taylor wearing a blue dress. She feels sad when her reputation decreased but Joe always beside her. Basically, most of Reputation album's song is dedicated for Joe Alwyn. In Delicate it can be proved by the lyrics "Third floor on the west side, me and you". West side which is at Los Angeles Taylor and Joe been caught together. Also "Dark jeans and your Nikes, look at you" is described Joe that going out from his apartment in New York wearing that outfits. So the point is, Delicate is a song that dedicated for Joe who always stay beside Taylor when Taylor feels sad about her reputation that decreased.

STUDENT 4

Delicate

Delicate in this song meaning that her reputation have delicatated, sometimes goes up and down. Because Taylor Swift doesn't give the media any attention in this song and instead focuses entirely on making sure that she's handling a new relationship the right way. She wants desperately to not offend her new love interest and to make sure that nothing she does scares him away or keeps her from being able to spend more time with him. By the way,

Delicate is "faint". And why she was happy when alone and free? Therefore she felt delicate about her reputation, well... when she want to be a good reputation, she wasn't free. But when she realese her reputation, she wasn't free and be happy. She make a choise, but she felt there was an influence on her reputation.

STUDENT 5

Delicate

This song is good, if you hear it. Delicate is one of Reputation Albums. In the scene of the song, I see that Taylor Swift isn't being notice. Why?? Because many opinions that Taylor Swift wants to show what public has been seen is not the real Taylor Swift. And it mean Taylor Swift tired because she must be good person for public. And the scene, she teared her dress because she wants to public that she is crazy. But in this crazy mean she is funny. There is a lyric "you must like for me", me means the real Taylor Swift. She want to be liked by public like the real her

STUDENT 6

"My Reputation's never been worse so, you must like me"
I think that lyric describe that Taylor Swift's reputation is always good. From the first she released a music video until now, we know that Taylor always get attention although she got many scandals. This song is focuses on making sure that she's handling a new relationship. From music video that was a scene Taylor saw her reflects on how other people may think poorly on her. So according to me, from a music video and from that lyrics, that were mean that however she do, she always get many people attention and also get big reputation although contain haters and fans

STUDENT 7

Response of "Delicate"

Like the others her songs in this album, Reputation, this song also mentioned this word in the lyric. "My reputation's never been worse, ..." I think it still has satire message to her "enemy". Her reputation been worse because she has problem with her enemy, as we know her "enemy" is Katty Pery. There is part where Taylor Swift asking "Is it cool that I said all that?": Why she asked that? because she think "Cause I know that it's delicate". I think she asked it because already a lot of her songs that satirical Katty Pery, especially in this album. Therefore, she felt if it is to delicate.

At the video clip, we can see if Taylor Swift isn't being notice by everyone, then she is dancing. It means, when people not payying attention to her, she feels free and she express it with dance. Her dance showed her fatigue in faced her problems.

STUDENT 8

In the Taylor Swift's song titled Delicate, there's a lyric sounds "Stay here, honey, I don't wanna share 'cause I like you". It means that when Taylor Swift's boyfriend leaving after visited her she actually wanted him to stay beside her and accompany her. She didn't want to be alone. And she didn't wanna share her boyfriend's love with the other girls. Taylor felt she needs someone to protect her and be her mutual friends also, ~~and~~ so they can cuddle with each other, and give advice to each other. It looks back into the real heart of Taylor Swift. She is also a shy girl who wants to find true love. She wants the relationship with her boyfriend to go deeper and stronger. The last she wants fans to know that whatever the media and haters say, she's going to keep being herself.

STUDENT 9

"Delicate"

I want to give my opinion about this song, "Delicate" by Taylor Swift.

So in my opinion about this song is from her video clip. In her video clip there was a scene that Taylor Swift is not being noticed by everyone near her. What is the ~~the~~ purpose from that scene? Well, I think the purpose from that scene is Taylor Swift want to tell her story about her experience with her boyfriend. Why this scene has some connection with her boyfriend? If we pay attention to the lyric and the background, we can see her lyrics contain some meaning to someone. For example; "Dark jeans and your Nikes, look at you" "Oh damn, never seen that color blue"; "Just think of the fun things we could do" "Cause I like you." Maybe this lyrics has meaning to her boyfriend or someone he likes. And from the video clip, there was a girl in the elevator that try to make up herself but in front of her, there was Taylor Swift standing in the front of her. Maybe that girl was her boyfriend's ex or another girl that like her boyfriend. When this accident happen? Well, maybe it's happen when she already became popular. So that's my opinion, thank you.

STUDENT 10

Delicate
Taylor Swift.

Album: Reputation

Reputation is mentioned again in this song. Taylor feels empty inside from her reputation, every movement of Taylor is being watched by everyone. It's all about her 'Reputation', she experiences the world where she's invisible, and away from cameras and paparazzi she dances like nobody's watching. What's the point in the music? Reputation - her reputation. Why is she acting like that? When nobody's watching, because she can't act like herself in front of many people, because of her reputation who is she describing in her delicate lyrics? Fans? Producer? Her lover? To describe her reputation. How she feels? Empty inside because of her reputation.

STUDENT 11

24th April 2018

In the beginning of the music video "Delicate" by Taylor Swift we can see that Taylor Swift is walking on the red carpet while so many paparazzi are taking photos of her. Not long after that everyone starts to not notice her at all and she is becoming invisible to everyone she met. I think the music video has a correlation to her reputation. In the lyrics also has "My reputation's never been worse". That means that Taylor's reputation is declining and lower from before. She is also tired in the music industry with everything that she owned. In the video clip, she wants to be free to be someone she wanted to be. The song is also tied to her album that talks about her reputation.

STUDENT 12

Delicate by Taylor Swift

Now i will show my opinione about Taylor Swift's songs, with title "Delicate." And i will respons a word "delicate". As we know, this song is same with "Look What You Made Me do" and "End game". All that song is about her reputation. Taylor Swift always have a purpose from her song. Example in this song, Delicate. Talk about "Reputation", I can think that with her big reputation, its so delicate. As we can see, in Delicate's video clip, Taylor Swift seems give her happy face in front of reporter, but after this, she back with her sad face. And, there is many bodyguards. We can conclude that Taylor Swift look unfettered, its all because her big reputation.

APPENDIX 5 INTERVIEW EXCERPTS

Question 1 – Analyzing Level

What is your opinion of Taylor Swift's song that you have been read?

S1 : My opinion about Taylor Swift's album and songs is Taylor Swift's album is always connected with her life. So her story about her journey, so I just make an opinion about it. So when I create my opinion about it, I just create it is about her life. For example from her romantic stories, like with her ex-boyfriend or maybe with another person she likes.

S2 : I think that Taylor is telling people about her reputation. Hmm reputation that she had, like telling that telling Taylor is not the old Taylor, mmm Taylor is the new Taylor.

S3 : I think this album is so amazing, cause reputation album *mengambil dari pengalaman pengalamannya gitu* mmm about her life. *Pengalaman sebelum sebelumnya*, like her problem maybe, *terus* mmm about her ex-boyfriend, *pokoknya apa sih* she make her problem to make song *kaya sebagai karya-karya besar*, oh inspiration for her song.

S4 : About three song lyrics *itu ya udah jelas* telling about her reputation. But in that song *itu mmm apa teh beda-beda, oh iya* with different stories *di masing-masingnya itu*. Like in End Game *itu buat* Taylor Swift haters, *yang udah ngejatuhin dia, musuhin dia gitu*. Taylor Swift *kan biasanya punya* big reputation *karena* she is popular, but with that reputation *tidak menjamin kalau ya* that she is happy *gitu*.

S5 : It shows the real of Taylor Swift, *dia itu menunjukkan kalau* she need supports from someone. Terus juga she want to show off to everyone that "hey this is me" "don't judge me" *dari* her song and the video clip *juga*.

S6 : *Menurut aku*, eh my opinion in Taylor Swift songs and album is telling about her reputation like in Look What You Made Me Do, we know she has many haters, like bullied then she write this song. And also she put sarcasm for Kanye West or Katy Perry *yang mempengaruhi karir nya dia terus ya itu* her reputation. In symbol *atau kiasan* gitu kalau that song telling about them, *ah mmmm kalau sekilas ya kaya buat mantan pacarnya, tapi sebenarnya ngga*. So she make her like this now.

Question 2 – Evaluating Level

Why do you think so? What evidence you can provide to support your opinions?

S1 : Because if pay attention in her video clip can see some her scene always have some connection with her life. For example, there's a one scene Taylor Swift has car accidents and I know I read news that article about car accident. So maybe it's just have a connection about it.

S2 : Because in every her lyrics we find that she mmm *apasih nyebutin ulang* she repeat reputation so many times. Mmmm *reputasi* reputation meaning mmm *reputasi yang dia punya yang dia lakuin* mmm *milik Taylor kaya kerjaan pertemanan dan apapun di hidupnya itu in relation gitu* Miss. Taylor career, song, dan ya yang berhubungan gitu.

S3 : *Jadi ya berhubungan gitu* Miss, *relasinya itu* between her song and album. She express her feeling in song, *jadi ya apa yang dia rasakan tersampaikan dengan baik*. Because she tell us about her dream to have good reputation, *jadi pengen sukses walau she show the real her, ya dari her video clip and song*.

S4 : *Ya walau dia punya good reputation, she is not happy, kaya di lagu Delicate, she don't like jadi yang fake person, dan memilih untuk sendiri gitu lah* to be alone. From the lyrics and the video clip *bisa ditelusuri dan diliat mendalam gitu. Kan kita tau kalau public figure make mistake itu akan mempengaruhi* their reputation. *Nah makanya disini* Taylor Swift want to make everyone know about this problems, mmmm *kaya sekalinya jadi public figure everything look at you walau hal kecil sekalipun dan bisa ngejutuin*.

S5 : She want to be more success in just the way she is. Mmmm *kaya dia tuh jadi lebih berani*, she want to show off about the real her, no fake. We can see it in every songs in her new album, *yang reputation itu. Dari news atau gossip that I read about her, I know that the lyrics and the video clip menunjukkan secara jelas* who the real Taylor Swift.

S6 : From the lyric and video clip, Taylor tell about it *kalau kita cari tau lebih dalam* about it Miss. I read news that Taylor Swift has bad reputation dari hari ke hari, so I think she want to show and tell to everyone that she don't care *dan ga kaya yang orang lain sangka*. Because what everyone see about her is not true, *bukan Taylor yang sebenarnya*. For example in Delicate song show that she don't care with haters, she want to be free, *dan bareng sama pacarnya yang sekarang dia ngerasa di support*.

Question 3 – Creating Level

If you had an opportunity in the making of the song/album, what would you improve?

S1 : I want try to improve more scene about it. Like mmm how do I tell it. From that scene always appear Taylor Swift appearance about she has a snake in her body, I think it's not right. Maybe she must change it for another scene. Because many haters from her life or maybe many person that think from that scene not has a connection with her life. That for her maybe it has a connection. One time many haters tell her she like her snake. But I don't know, it's not a quite true. Maybe with something more colorful. Some people say a snake appearance has a connection with bad karma. But I'm not trust thing like that. Mmmm something more colorful or fun, maybe change it with dancing, maybe like a swan dancing. I just think a snake move on the candy. Well I mean the scene must be more fun and more energized than before. In the video clip with snake she just sit on the chair, and there is snake over her body, and it's just a quite creepy.

S2 : Mmmm *ngga sih kayanya*, I think is just enough. *Kalau menurut aku udah pas sih sama Taylor Swift yang sekarang*, already represents about her life. *Eh tapi lagu apa ya yang kurang pas tuh...* I think Delicate song is not represents about her reputation. It is only telling about her story, *kan kalau di Look What You Made Me Do sama End Game mah bener bener nyeritain soal reputation, nah*. Like Taylor only telling she bored about her life. So I think the lyric of the song *ya harus diganti gitu atau ya jadi mirip like Look What You Made Me Do and End Game that telling about her new atau real reputation nya gitu*.

S3 : *Kalau menurut aku ya mmm I want to change Look What You Made Me Do*, because my first impression is too scary, *serem gitu tah dan juga the message of the song apa atuh ya itu ga tersampaikan dengan baik. Jadi this song show the sarcasm gitu kan sindiran sindiran, nah kalau aku mau buat si sarcasm itu lebih lebih dari sebelumnya. Meskipun behind an imagery, tapi ya pengen lebih sinis gitu. Atau bisa juga sih ya for example daripada nyimpen eh put it into symbols, I want to make it like a real life story kaya short movie video clip gitu Miss. So the message in the song bisa diterima dengan baik, ya kaya to help someone like me yang not good in English, jadi ya walau pas pasan they understand about it*.

S4 : *Ga ada deh Miss, eh mmm ya because the message is delivered to everyone, tersampaikan dengan baik gitu*.

S5 : I don't know *soalnya* the lyrics is very good with many imagery, and I like it, and the message *nya juga tersampaikan*.

S6 : No, *udah cukup sih menurut aku*. The songs and video clips is good *dan tersampaikan dengan baik the message nya itu*.
