Also thank you for all the lecturers and staffs of English Department, I would never forget all of the things I experienced during my four and a half year study in this department.

My sincere thanks also goes to my family, Ibu, Bapa, TehLia, Keenan and Deva who had given me endless support all this time. We are not expressive at all, I know, we are not used to express our feelings in words. I also know that although there wasn't even a single word came out from you, you always support me both spiritually with your prayers and also financially. I am the luckiest daughter to have everything provided by Bapa and Ibu all this time.

For my bestfriends who I rarely met, Imma and Nadia, thank you for support and also thank you for having me as your friend. For my dearest TehTari who always answers to my annoying questions, thank you for being there and support me when I had problems. Also for Karima and Telly, my best friends and best team, thanks for saving my university life. My university life would be left

with no pleasant memories without you guys being part of it. Thank you for being the people who let me being me. Also for Amir and Amira, thank you for your support.

To all my classmates who I always feel sorry to, thank you for enduring my “leader” unlike behavior for the past three and a half year. Thank you for not *coup d’etat* me because my strict and rigid style as the chairman of the class. Also thank you for giving me Lonceng and The Other Half as my best memories of my university life.
