DAFTAR ISI ........................................................................................................................................ vi
DAFTAR TABEL .................................................................................................................................. vii
DAFTAR LAMPIRAN .............................................................................................................................. viii

BAB I. PENDAHULUAN
A. Latar Belakang Masalah ................................................................................................................. 1
B. Fokus Masalah ................................................................................................................................. 5
C. Tujuan dan Kegunaan ..................................................................................................................... 6

BAB II. LANDASAN TEORI
A. Konsep Dasar Tunagrahita
   1. Pengertian Tunagrahita ................................................................................................................ 9
   2. Tunagrahita Ringan ....................................................................................................................... 11
B. Konsep Dasar Pembelajaran ......................................................................................................... 13
C. Konsep Tari
   1. Pengertian Seni Tari ..................................................................................................................... 14
   2. Tari Jaipong .................................................................................................................................. 16
   3. Gerakan Tari Jaipong ................................................................................................................... 18
D. PRINSIP DASAR PEMBELAJARAN SENI TARI JAIPONG BAGI SISWA TUNAGRAHITA
   1. Asesmen ....................................................................................................................................... 21
   2. Rencana Pelaksanaan Pembelajaran ......................................................................................... 21
   3. Program Pembelajaran Tari Jaipong ......................................................................................... 23

BAB III. METODE PENELITIAN
A. Metode Penelitian ........................................................................................................................... 26
   1. Tempat Penelitian ......................................................................................................................... 27
   2.Instrumen Penelitian dan Teknik Pengumpulan Data .................................................................. 27
   3. Teknik Analisis Data ................................................................................................................... 30
   4. Penguji Keabsahan Data .............................................................................................................. 31
BAB IV HASIL PENELITIAN DAN PEMBAHASAN
A. Hasil Penelitian ........................................................................................................33
B. Pembahasan Hasil Penelitian ..................................................................................44

BAB IV KESIMPULAN DAN REKOMENDASI
A. Kesimpulan ..............................................................................................................48
B. Rekomendasi .............................................................................................................50

RIWAYAT HIDUP
DAFTAR TABEL

Tabel 1  Responden Penelitian  34
Tabel 2  Kemampuan Gerakan Siswa  41
DAFTAR LAMPIRAN

Lampiran 1
- Instrumen Penelitian 60
- Expert Judgement 56
- Kisi-Kisi Instrumen Penelitian 58
- Pedoman Wawancara 61
- Pedoman Observasi 63

Lampiran 2
- Display Data 64
- Hasil Wawancara 65
- Hasil Observasi 72
- Catatan Lapangan 74
- Display Triangulasi Data 84

Lampiran 3
- Dokumentasi 90
- Foto Penelitian 91
- RPP 94

Lampiran 4
- Jadwal Penelitian 118

Lampiran 5
- Surat Izin Penelitian 120
