

ACKNOWLEDGEMENT

All praise is due to Allah, the Lord of the worlds, who gives me all strengths to finish all kinds of task including this paper. *Shalawat* may always be to the Messenger of Allah, Muhammad SAW, the noble man to be followed until the end of the day.

Finally, the writer finished writing this paper. In the journey of the writing, many valuable experiences were faced as a starting point to get better pieces of life. Therefore, I would like to say thanks to many people involved in the process of this writing.

My first and foremost thanks go to my supervisors, Ika Lestari Damayanti, S.Pd., M.A. and Drs. Eki Qushay Akhwan, M.A. who have given me precious knowledge, encouragement and support in the process. Without their guidance and supervision, I can hardly imagine the completion of this study. I also would like to extend my gratitude in particular to:

1. My beloved parents, Bapak Aep Dahyar and Ibunda Hayati who always cherish me. Thank you for all your love and caring. Thank you for always be there for me. Thank you for always pray for me and support me with all that you have so that I can finish this paper.

2. All of my sisters and brothers, that is, Zakiyyah, Shofi, Fajri, Zahra, Asni, Malik, Qodri and Sabiq for their support and prayer.
3. My wife candidate, Susi Fitria for being patient in dealing with my limitation. May Allah lead us toward the right way.
4. My best friends, Agung, Raskin, Alif, Fahmi and Rasid. Thanks for your love, caring, and support. I thank God for having you all.
5. My PBL team, Susi Fitria, Nazmi Maulida, Darini Bilqis Maulani, Merry Christianty, and Gelar Ramadhan for being so generous during our intense moment in the research project. I owe you all a lot.
6. My friends in BIG EDU B for the joy and encouragement during the making of the paper.
7. All friends and people who have directly or indirectly involved in this task.

May Allah give back every single support that they have given me in much better ways. Amin.
