PERNYATAAN........................................................................................................ i
ABSTRAK............................................................................................................... ii
KATA PENGANTAR............................................................................................ iii
UCAPAN TERIMA KASIH.................................................................................. iv
DAFTAR ISI.......................................................................................................... vii
DAFTAR TABEL.................................................................................................... xi
DAFTAR GAMBAR............................................................................................... xii
DAFTAR GRAFIK.................................................................................................. xiii
DAFTAR LAMPIRAN............................................................................................ xiv

BAB I PENDAHULUAN......................................................................................... 1
   A. Latar Belakang Masalah................................................................................ 1
   B. Rumusan dan Pemecahan Masalah.......................................................... 7
      1. Rumusan Masalah................................................................................. 7
      2. Pemecahan Masalah........................................................................... 8
   C. Tujuan Penelitian..................................................................................... 10
   D. Manfaat hasil Penelitian......................................................................... 11
   E. Batasan Istilah.......................................................................................... 12

BAB II KAJIAN PUSTAKA.................................................................................. 14
   A. Pembelajaran IPS di SD........................................................................ 14
      1. Pengertian Ilmu Pengetahuan Sosial.................................................. 14
      2. Ruang Lingkup Ilmu Pengetahuan Sosial......................................... 15
      3. Fungsi pengajaran Ilmu Pengetahuan Sosial.................................... 16
      4. Tujuan Pengajaran Ilmu Pengetahuan Sosial................................. 16
   B. Materi pembelajaran IPS........................................................................ 16
      1. Pengertian Sumber Daya Alam............................................................ 16
      2. Macam - macam Sumber Daya Alam............................................... 17
      3. Manfaat Sumber Daya Alam............................................................... 18
      4. Persebaran Sumber Daya Alam.......................................................... 19
C. Pembelajaran Kooperatif

1. Dasar Pemilihan Model Kooperatif
2. Pengertian Kooperatif
3. Prinsip Pembelajaran Kooperatif
4. Karakteristik Model Pembelajaran Kooperatif
5. Tujuan Pembelajaran Kooperatif
6. Teknik – teknik pembelajaran kooperatif

D. Model Pembelajaran Cooperative Learning Teknik Jigsaw

1. Pengertian Teknik Jigsaw
2. Kelebihan Teknik Jigsaw
3. Kelemahan Teknik Jigsaw
4. Langkah-langkah Teknik Jigsaw

F. Temuan Hasil Penelitian yang Relevan

G. Hipotesis Tindakan

BAB III METODOLOGI PENELITIAN

A. Lokasi dan Waktu Penelitian
1. Lokasi Penelitian
2. Waktu Penelitian

B. Subjek Penelitian

C. Metode dan Desain Penelitian
1. Metode Penelitian
2. Desain Penelitian

D. Prosedur Penelitian
1. Tahap Perencanaan Tindakan
2. Tahap Pelaksanaan Tindakan
3. Tahap Obsevasi
4. Tahap Analisis dan Refleksi

E. Instrumen Penelitian
1. Lembar Observasi
2. Lembar Wawancara
3. Lembar Tes
4. Catatan Lapangan ............................................................................. 44
F. Teknik Pengolahan dan Analisis Data ........................................... 44
  1. Teknik Pengolahan Data ................................................................. 44
  2. Analisis Data .................................................................................. 48
G. Validasi Data .................................................................................... 48
  1. Member check ............................................................................... 48
  2. Trianggulasi ..................................................................................... 49
  3. Audit Trail ......................................................................................... 49
  4. Expert Opinion ............................................................................... 49

BAB IV PAPARAN DATA DAN PEMBAHASAN .................................. 51
A. Paparan Data Awal .......................................................................... 52
B. Paparan Data Tindakan .................................................................... 55
  1. Paparan Data Tindakan Siklus I ...................................................... 55
     a. Paparan Data Perencanaan Siklus I ............................................ 55
     b. Paparan Data Pelaksanaan Siklus I .......................................... 57
     c. Paparan Data Hasil Belajar Siklus I .......................................... 68
     d. Analisis dan Refleksi Siklus I ..................................................... 69
  2. Paparan Data Tindakan Siklus II ...................................................... 74
     a. Paparan Data Perencanaan Siklus II ........................................... 74
     b. Paparan Data Pelaksanaan Siklus II .......................................... 76
     c. Paparan Data Hasil Belajar Siklus II .......................................... 85
     d. Analisis dan Refleksi Siklus II ..................................................... 86
C. Paparan Pendapat Siswa dan Guru .................................................. 92
  1. Paparan Pendapat Siswa ................................................................. 92
  2. Paparan Pendapat Guru ................................................................. 93
D. Pembahasan ....................................................................................... 94

BAB V KESIMPULAN DAN SARAN .................................................. 102
A. Kesimpulan ..................................................................................... 102
B. Saran .............................................................................................. 104
DAFTAR PUSTAKA .......................................................................................... 105
LAMPIRAN-LAMPIRAN .............................................................................. 106
RIWAYAT HIDUP ....................................................................................... 185
