# TABLE OF CONTENTS

STATEMENT OF AUTHORIZATION .......................................................... i
ABSTRACT ................................................................................................ ii
PREFACE ................................................................................................. iii
ACKNOWLEDGEMENTS ....................................................................... iv
TABLE OF CONTENTS ......................................................................... vi
LIST OF TABLES .................................................................................. viii

CHAPTER I INTRODUCTION
1.1 Background of the Study .................................................................. 1
1.2 Statement of Problems .................................................................... 4
1.3 Aims of the Study .......................................................................... 4
1.4 Scope of the Study ......................................................................... 4
1.5 Significance of the Study ................................................................. 5
1.6 Organization of Paper ................................................................... 6

CHAPTER II THEORITICAL FOUNDATION
2.1 Teacher’s Set Induction and Closure .................................................. 7
2.1.1 Definition of teacher’s set induction and closure ......................... 7
2.1.2 The objectives of teacher’s set induction and closure ................... 9
2.2.3 Components of teacher’s acts in performing set induction and closure 10
2.2 Teacher talk .................................................................................. 12
2.3 Performing Set Induction and Closure in English Young Learners Classroom .......................................................... 14
2.3.1 The characteristics of young learners ........................................... 15
2.3.2 Effective English set induction and closure for young learners ...... 17
2.4 Related Studies ............................................................................ 19
2.5 Concluding Remark ....................................................................... 19

CHAPTER III RESEARCH METHODOLOGY
3.1 Research Design ............................................................................ 21
3.2 Subject of the Study ..................................................................... 22
3.3 Data Collection ............................................................................ 22
3.3.1 Classroom Observation ............................................................... 22
3.3.2 Interviews ................................................................................ 25
3.4 Data Analysis Method .................................................................. 27
3.4.1 Data Reduction ....................................................................... 29
3.4.2 Data Display ............................................................................ 29
3.4.3 Conclusion .............................................................................. 29
3.5 Reliability and Validity of the Study ................................................. 30
3.5.1 Member Checking .................................................................. 30

Anmy Hernita Nafisah, 2013
TEACHER’S SET INDUCTION AND CLOSURE IN AN EFL YOUNG LEARNERS’ CLASSROOM : A Descriptive Study in An Elementary School in Bandung
Universitas Pendidikan Indonesia | Repository.upi.edu | Perpustakaan.upi.edu
CHAPTER IV FINDINGS AND DISCUSSIONS
4.1 Findings and Discussions from the Observation........................................ 32
4.1 Findings and Discussions from the Interview............................................ 44

CHAPTER V CONCLUSION AND SUGGESTION
5.1 Conclusion............................................................................................... 50
5.2 Suggestion............................................................................................... 51
