ABSTRAK ........................................................................................................ i
KATA PENGANTAR ....................................................................................... ii
DAFTAR ISI .................................................................................................... iii
DAFTAR TABEL .............................................................................................. vi
DAFTAR GAMBAR ............................................................................................ viii
DAFTAR LAMPIRAN ........................................................................................ ix
BAB I PENDAHULUAN .................................................................................. 1
A. Latar Belakang Masalah ......................................................................... 1
B. Rumusan Masalah dan Pemecahan Masalah ........................................... 6
  1. Rumusan Masalah ................................................................................ 6
  2. Pemecahan Masalah ............................................................................. 7
  a. Tahap Perencanaan Tindakan ......................................................... 7
  b. Pelaksanaan Tindakan ..................................................................... 7
  c. Observasi ........................................................................................... 8
  d. Refleksi .............................................................................................. 9
C. Tujuan Penelitian ................................................................................... 9
D. Manfaat Penelitian ................................................................................ 10
E. Batasan Istilah ......................................................................................... 10

BAB II KAJIAN PUSTAKA ............................................................................ 12
A. Kajian Teoritis ......................................................................................... 12
  1. Hakikat Pendidikan Jasmani .......................................................... 12
     a. Pengertian Pendidikan Jasmani ................................................... 14
     b. Tujuan dan Manfaat Pendidikan Jasmani ................................... 15
     c. Ruang Lingkup Pendidikan Jasmani ............................................ 16
     d. Permainan Bola Basket ................................................................. 17
     e. Chestpass (Passing Dada) ............................................................... 25
  2. Perkembangan Peserta Didik .............................................................. 26
     a. Perkembangan Kognitif ................................................................. 26
     b. Perkembangan Afektif .................................................................. 27
     c. Perkembangan Motorik ................................................................. 28
  3. Pembelajaran Pendidikan Jasmani ....................................................... 29
     a. Metode ............................................................................................ 29
     b. Strategi .......................................................................................... 30
  4. Modifikasi Permainan Bola Tangan ..................................................... 30
     a. Pengertian Modifikasi ................................................................. 30
     b. Permainan Bola Tangan ................................................................. 30
  5. Modifikasi Permainan Bola Tangan dalam Pembelajaran Chest Pass Bola Basket ................................................................. 31
B. Kajian Praktis .......................................................................................... 31
C. Hipotesis Tindakan .................................................................................. 34

BAB III METODE PENELITIAN ................................................................. 35
A. Lokasi dan Waktu Penelitian ............................................................... 35
  1. Lokasi Penelitian ................................................................................. 35
BAB IV

A. Paparan Data Awal
   1. Data Awal Hasil Observasi Perencanaan Pembelajaran
   2. Data Awal Hasil Observasi Pelaksanaan Pembelajaran
   3. Data Awal Hasil Observasi Aktivitas Siswa
   4. Data Awal Observasi Hasil Belajar Siswa
   5. Analisis Data Awal

B. Paparan Data Tindakan Siklus I
   1. Paparan Data Tindakan Siklus I
      a. Paparan Data Perencanaan Siklus I
      b. Paparan Data Pelaksanaan Siklus I
      c. Paparan Data Observasi Aktivitas Siswa Siklus I
      d. Paparan Data Hasil Belajar Siswa Siklus I
      e. Catatan Lapangan
      f. Analisis dan Refleksi Siklus I
   2. Paparan Data Tindakan Siklus II
      a. Paparan Data Perencanaan Siklus II
      b. Paparan Data Pelaksanaan Siklus II
      c. Paparan Data Observasi Aktivitas Siswa Siklus II
d. Paparan Data Hasil Belajar Siswa Siklus II ...................... 99
   e. Catatan Lapangan ................................................... 101
   f. Analisis dan Refleksi Siklus II .................................. 101
3. Paparan Data Tindakan Siklus III ................................. 106
   a. Paparan Data Perencanaan Siklus III ......................... 106
   b. Paparan Data Pelaksanaan Siklus III ......................... 108
   c. Paparan Data Observasi Aktivitas Siswa Siklus III ........ 112
   d. Paparan Data Hasil Belajar Siswa Siklus III ............... 115
   e. Catatan Lapangan ................................................... 117
   f. Analisis dan Refleksi Siklus III ............................... 117
BAB V KESIMPULAN DAN SARAN ............................................... 126
A. Kesimpulan .................................................................... 126
   1. Perencanaan Kinerja Guru ......................................... 126
   2. Pelaksanaan Kinerja Guru ......................................... 127
   3. Aktivitas Siswa ......................................................... 127
   4. Hasil Belajar Siswa .................................................... 127
B. Saran ............................................................................. 128
   1. Bagi Siswa ................................................................. 128
   2. Bagi Guru ................................................................. 128
   3. Bagi Sekolah ............................................................. 129
   4. Bagi Lembaga ............................................................ 129
   5. Bagi Peneliti Berikutnya ............................................. 129
