## BAB I PENDAHULUAN

A. Latar Belakang ............................................. 1
B. Rumusan dan Pemecahan Masalah .......................... 8
   1. Rumusan Masalah ...................................... 8
   2. Pemecahan Masalah .................................... 8
C. Tujuan Penelitian .......................................... 9
D. Manfaat Penelitian ....................................... 9
E. Batasan Istilah ............................................. 10

## BAB II KAJIAN TEORITIS

A. Kajian Pustaka ............................................ 12
   1. Hakekat Pendidikan Jasmani .......................... 12
      a. Pengertian Pendidikan Jasmani ................... 12
      b. Tujuan Pendidikan Jasmani ....................... 15
      c. Ruang Lingkup Pendidikan Jasmani ............... 16
      d. Materi Pendidikan Jasmani ........................ 17
      e. Permainan Bulu Tangkis ............................ 19
   2. Perkembangan Peserta Didik ............................ 23
      a. Perkembangan Kognitif .............................. 23
      b. Perkembangan Afektif ............................... 24
      c. Perkembangan Motorik .............................. 25
      d. Karakteristik Anak Sekolah Dasar ................. 25
   3. Pembelajaran Pendidikan Jasmani ....................... 27
4. Modivikasi ............................................... 30
5. Pembelajaran *Lob service forehand* Melalui Modifikasi Alat pemukul pada Permainan Bulu tangkis .................. 30
B. Hasil Penelitian yang Relevan .......................... 33
C. Hipotesis Tindakan ..................................... 36
BAB III METODE PENELITIAN
A. Lokasi dan Waktu Penelitian .................................................. 37
   1. Lokasi Penelitian .............................................................. 37
   2. Waktu Penelitian ............................................................. 38
B. Subjek Penelitian ................................................................... 38
C. Metode dan Desain Penelitian .................................................. 39
   1. Metode Penelitian ............................................................... 39
   2. Desain Penelitian ............................................................... 40
D. Prosedur Penelitian ................................................................. 41
   1. Tahapan Perencanaan Tindakan ........................................... 41
   2. Tahapan Pelaksanaan Tindakan ............................................ 42
   3. Tahapan Observasi .............................................................. 43
   4. Tahapan Refleksi ............................................................... 43
E. Instrumen Penelitian ................................................................. 44
   1. Format Observasi ................................................................ 44
      a. Format Observasi Perencanaan ......................................... 44
      b. Format Observasi Kinerja Guru ....................................... 46
      c. Format Observasi Aktivitas Siswa .................................... 47
      d. Format Observasi Hasil Belajar ....................................... 48
   2. Lembar Pedoman Wawancara .............................................. 49
   3. Catatan Lapangan ............................................................... 50
   4. Hasil Tes Belajar ............................................................... 51
F. Teknik Pengumpulan Data dan Analisis Data .............................. 52
   1. Teknik Pengumpulan Data .................................................... 52
   2. Analisis Data ...................................................................... 53
G. Validasi Data ......................................................................... 54

BAB IV PAPARAN DATA DAN PEMBAHASAN
A. Paparan Data Awal ................................................................. 55
B. Paparan Data Tindakan ............................................................ 62
   1. Paparan Data Tindakan Siklus I ............................................ 62
      a. Paparan Data Perencanaan Siklus I ................................. 62
      b. Paparan Data Pelaksanaan Siklus I ................................. 64
      c. Paparan Data Hasil Siklus I ............................................. 65
         d. Analisis dan Refleksi Siklus I ........................................ 71
   2. Paparan Data Tindakan Siklus II ............................................ 75
      a. Paparan Data Perencanaan Siklus II ................................. 75
      b. Paparan Data Pelaksanaan Siklus II ................................. 77
      c. Paparan Data Hasil Siklus II ............................................. 78
         d. Analisis dan Refleksi Siklus II ........................................ 85
   3. Paparan Data Tindakan Siklus III .......................................... 89
      a. Paparan Data Perencanaan Siklus III ................................. 89
      b. Paparan Data Pelaksanaan Siklus III ................................. 90
      c. Paparan Data Hasil Siklus III ............................................ 92
         d. Analisis dan Refleksi Siklus III ........................................ 99
C. Pembahasan Hasil Penelitian .................................................. 101
BAB V KESIMPULAN DAN SARAN
   A. Kesimpulan .......................................................................................... 111
   B. Saran ..................................................................................................... 114
