Pernyataan

Abstrak ................................................................................................................................. i

Kata

Pengantar ............................................................................................................................... iv

Daftar Isi .................................................................................................................................... v

Daftar Gambar ........................................................................................................................... viii

Daftar Tabel ................................................................................................................................ ix

Daftar Grafik ................................................................................................................................ xi

Daftar Limpiran .......................................................................................................................... xi

BAB I PENDAHULUAN

A. Latar Belakang Masalah ................................................................................................. 1

B. Rumusan Masalah ......................................................................................................... 3

C. Tujuan Penelitian ......................................................................................................... 4

D. Manfaat Penelitian ....................................................................................................... 4

E. Definisi Operasional .................................................................................................... 5

BAB II KAJIAN PUSTAKA

A. Kajian Teoritik ............................................................................................................... 9

   1. Pembelajaran Bahasa Indonesia di Sekolah Dasar ................................................. 9

   2. Menulis ...................................................................................................................... 13

   3. Karangan Deskripsi ................................................................................................. 15

   4. Metode Karyawanisata ......................................................................................... 19

Desi Hidiastuti, 2013

MENINGKATKAN KEMAMPUAN SISWA DALAM MENULIS KARANGAN DESKRIPSI DENGAN
MENGUNGGAKAN METODE KARYAWISATA PADA SISWA KELAS V SDN CIKETRUNG I

Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
B. Kajian Hasil Penelitian ................................................................. 25
C. Kerangka Berfikir ........................................................................ 26
D. Hipotesis Tindakan ...................................................................... 27

BAB III METODELOGI PENELITIAN

A. Lokasi dan Subjek Penelitian .......................................................... 28
   1. Lokasi Penelitian ......................................................................... 28
   2. Subyek Penelitian ...................................................................... 28
B. Metode Penelitian PTK ................................................................. 29
   1. Pengertian PTK .......................................................................... 29
   2. Kelebihan PTK ........................................................................... 29
   3. Model-model PTK ....................................................................... 30
   4. Model PTK yang dipilih ............................................................. 32
C. Prosedur Penelitian ....................................................................... 34
D. Instrumen Penelitian ..................................................................... 38
   1. Observasi .................................................................................. 38
   2. Tes ............................................................................................ 42
E. Analisis Data ................................................................................ 46

BAB IV PELAKSANAAN DAN ANALISIS HASIL PENELITIAN

A. Pelaksanaan Penelitian ................................................................. 48
   1. Profil Sekolah ............................................................................ 48
   2. Kedudukan Peneliti ................................................................. 49
   3. Pelaksanaan PTK ...................................................................... 49
a. Pelaksanaan Pra Siklus ........................................................ 49
b. Pelaksanaan Siklus I .......................................................... 50
c. Pelaksanaan Siklus II ......................................................... 61

B. Analisis Hasil Penelitian..................................................... 71

C. Jawaban Hipotesis Tindakan .............................................. 77

BAB V KESIMPULAN DAN REKOMENDASI

A. Kesimpulan ..................................................................... 78
B. Rekomendasi ................................................................... 80
