ABSTRAKSI ........................................................................................................i
KATA PENGANTAR ..........................................................................................ii
DAFTAR ISI ...................................................................................................iii
DAFTAR TABEL .................................................................................................vi
DAFTAR GAMBAR ............................................................................................vii
DAFTAR LAMPIRAN ..........................................................................................viii

BAB I PENDAHULUAN
A. Latar Belakang .............................................................................................1
B. Identifikasi Masalah .....................................................................................5
C. Rumusan Masalah .......................................................................................5
D. Pembatasan Masalah ....................................................................................5
E. Tujuan penelitian ..........................................................................................6
F. Manfaat Penelitian .......................................................................................6
G. Definisi Istilah dan Operasinal .....................................................................7
H. Sistematika Penulisan ..................................................................................8

BAB II LANDASAN TEORI
A. Prestasi Belajar ............................................................................................9
  1. Definisi prestasi belajar ........................................................................9
  2. Faktor-faktor yang mempengaruhi prestasi belajar .............................9
B. Motivasi Belajar ..........................................................................................11
  1. Pengertian motivasi belajar .................................................................11
  2. Teori motivasi ........................................................................................13
  3. Faktor-faktor yang mempengaruhi motivasi belajar ............................16
  4. Fungsi motivasi dalam belajar .............................................................17
  5. Jenis-jenis motivasi ..............................................................................19
  6. Indikator motivasi belajar ....................................................................19
  7. Upaya meningkatkan motivasi belajar .................................................20
  8. Bentuk motivasi di sekolah .................................................................21
C. Persepsi ......................................................................................................23
  1. Pengertian persepsi .............................................................................23
  2. Faktor-faktor yang mempengaruhi persepsi .......................................25
  3. Kegunaan memahami persepsi ...........................................................26
D. Kompetensi Pedagogik Guru ....................................................................26
  1. Pengertian kompetensi guru ...............................................................26
  2. Pengertian kompetensi pedagogik guru .............................................28
  3. Indikator kompetensi pedagogik guru .................................................28
  4. Persepsi siswa tentang kompetensi pedagogik guru .........................31

Japar Umar, 2014
PENGARUH PERSEPSI SISWA TENTANG KOMPETENSI PEDAGOGIK GURU DAN MOTIVASI BELAJAR SISWA TERHADAP PRESTASI BELAJAR SISWA PADA MATA PELAJARAN BUBUT LANJUT 1 DI SMKN 12 BANDUNG
Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
E. Mata Pelajaran Bubut Lanjut 1 .................................................................32
  1. Pengertian bubut .................................................................................32
  2. Cakupan materi bubut lanjut 1 ..........................................................33
F. Keterkaitan antara kompetensi pedagogik guru terhadap motivasi belajar dan prestasi belajar .................................................................34
G. Asumsi dan Hipotesis Penelitian ..........................................................37
  1. Asumsi .................................................................................................37
  2. Hipotesis .............................................................................................38

BAB III METODOLOGI PENELITIAN
A. Metode Penelitian ..................................................................................39
B. Variabel Penelitian ................................................................................40
C. Paradigma Penelitian ............................................................................40
D. Data dan Sumber Data
  1. Data ....................................................................................................41
  2. Sumber data ........................................................................................42
E. Populasi dan Sampel Penelitian
  1. Populasi penelitian .............................................................................42
  2. Sampel penelitian ................................................................................43
F. Teknik Pengumpulan Data .....................................................................44
G. Instrumen Penelitian ............................................................................45
H. Pengujian Instrumen Penelitian
  1. Uji Validitas .......................................................................................47
  2. Uji Reliabilitas ....................................................................................47
I. Teknik Analisis Data
  1. Langkah-langkah analisis data ............................................................49
  2. Uji Homogenitas ................................................................................50
  3. Uji Normalitas ....................................................................................51
  4. Uji linieritas regresi dan regresi ..........................................................52
  5. Regresi Ganda ....................................................................................55
  6. Analisis Korelasi ................................................................................56
  7. Analisis korelasi Ganda .....................................................................57
  8. Koefisien Determinasi .......................................................................57
  9. Pengujian Hipotesis (Uji-t) .................................................................58

BAB IV HASIL PENELITIAN DAN PEMBAHASAN
A. Deskripsi Data ......................................................................................59
  1. Data Variabel X1 .................................................................................59
  2. Data Variabel X2 ................................................................................61
  3. Data Variabel Y ..................................................................................62
B. ANALISIS DATA PENELITIAN ..............................................................63
  1. Uji Validitas .......................................................................................63
  2. Uji Reliabilitas ....................................................................................63
  3. Uji Homogenitas ................................................................................64
  4. Uji Normalitas ....................................................................................64
  5. Uji Linieritas Regresi .........................................................................65

Japar Umar, 2014
PENGARUH PERSEPSI SISWA TENTANG KOMPETENSI PEDAGOGIK GURU DAN MOTIVASI BELAJAR SISWA TERHADAP PRESTASI BELAJAR SISWA PADA MATA PELAJARAN BUBUT LANJUT 1 DI SMKN 12 BANDUNG
Universitas Pendidikan Indonesia | repository.upi.edu | perpustakaan.upi.edu
6. Uji regresi sederhana .................................................................65
7. Uji Regresi ganda .........................................................................66
8. Uji Korelasi Pearson Produk Moment ............................................67
9. Uji Korelasi Ganda .......................................................................67
10. Perhitungan koefisien Determinasi ...............................................67
11. Perhitungan Uji Hipotesis (Uji-T) ................................................68

C. PEMBAHASAN HASIL PENELITIAN ..............................................69
   1. Gambaran umum persepsi siswa tentang kompetensi pedagogik guru, motivasi belajar dan prestasi belajar ..........69
   2. Pengaruh persepsi siswa tentang kompetensi pedagogik guru Terhadap prestasi belajar ..................................................70
   3. Pengaruh motivasi belajar siswa terhadap prestasi belajar ..........71
   4. Pengaruh persepsi siswa tentang kompetensi pedagogik guru dan motivasi belajar siswa terhadap prestasi belajar ..........72

BAB V KESIMPULAN DAN SARAN
A. KESIMPULAN ...............................................................................74
B. SARAN ..........................................................................................75
