3.2.1 Questionnaire ................................................................. 90
3.2.2 Interview ................................................................. 94
3.2.3 Observation ............................................................... 98
3.2.4 Review of Documents .................................................. 100
3.3 Methods of Data Analysis ................................................ 102
3.4 Limitations of the Study .................................................. 104

CHAPTER IV RESEARCH FINDINGS AND A PROPOSED COURSE DESIGN 107
4.1 A Portrait of the English Course ........................................ 107
4.1.1 Institutional Goals ..................................................... 107
4.1.2 Class Management .................................................... 114
4.1.3 Instructional Materials ................................................. 116
4.1.4 Instructors ............................................................... 120
4.1.5 Teaching Methodology ............................................... 122
4.1.6 Evaluation .............................................................. 125
4.1.7 Interpretation of the Findings ...................................... 129
4.2 Students’ Need Analysis .................................................. 136
4.2.1 Present Situation Analysis ........................................... 136
4.2.2 Target Situation Analysis ............................................ 145
4.2.3 Strategy Analysis ..................................................... 150
4.2.4 Deficiency Analysis ................................................... 158
4.2.5 Interpretation of the Findings ...................................... 160
4.3 A Proposed Course Design .............................................. 168

CHAPTER V CONCLUSIONS AND SUGGESTIONS 181
5.1 Conclusions ................................................................. 181
5.2 Suggestions ............................................................... 184
