PREFACE

By the grace of Allah SWT, finally I can accomplish this paper entitled "A Portrait of teacher's talk in EFL Classroom Interaction: A case study at first grade of a senior high school in Pekanbaru.

I am hopeful that the study contributes to the wealth of English Education in Indonesia and triggers further research on similar topic as the findings suggest that there are many things to be done for the improvement of English teaching and learning in our country.

I am fully aware that this paper cannot fulfill all readers' expectations in the topic discussed. Therefore, I would be very grateful for any constructive criticism and correction expressed by my supervisors, the members of Board Examiners, as well as general readers who are willing to share their ideas for the improvement of the thesis.
